Excellency:

REPUBLIC OF MOZAMBIQUE: (Roads and Bridges Management and Maintenance Project – Phase II)(SCF-PPCR Loan No. TF015923)  
Amendment 1 to the Strategic Climate Fund Loan Agreement

We refer to the Strategic Climate Fund Loan Agreement ("Loan Agreement") dated February 24, 2014, between the Republic of Mozambique ("Borrower") and the International Development Association acting as an implementing entity of the Strategic Climate Fund ("Association") for the above mentioned Project ("Project").

We discovered a typographical error in the Repayment Schedule under Schedule 3 to the Loan Agreement. In particular, the first repayment date is not aligned with the lending terms of the Strategic Climate Fund. Consequently, we propose to amend the Loan Agreement to align the first repayment date.

Therefore, the Loan Agreement is amended as follows:

In the Repayment Schedule under Schedule 3 to the Loan Agreement, the phrase “commencing July 15, 2024, to and including July 15, 2033” is deleted and replaced with the phrase “commencing January 15, 2024, to and including July 15, 2033”. Therefore, Schedule 3 to the Loan Agreement is replaced with the schedule in the Annex to this Letter.

All other provisions of the Loan Agreement, except amended herein, shall remain in full force and effect.

Please indicate your agreement with the foregoing amendment to the Loan Agreement on behalf of the Borrower by countersigning and dating two original copies of this letter and
returning one countersigned original to us. Upon receipt by the Association of the countersigned copy, this amendment shall become effective as of the date of the countersignature.

Sincerely,

Mark Lundell
Country Director
