   (b) Annex 2 of this Administration Agreement, reflecting differences with the analogous Annex in the model Administration Agreement attached to the Framework Agreement dated April 15, 2016, apply to all donors to this Trust Fund because the Trust Fund is a joint multi-donor initiative. Nevertheless, in the event of a conflict with the provisions of the Framework Agreement dated April 15, 2016, the provisions of the Framework Agreement dated April 15, 2016 shall take precedence.

   (c) For the purpose of this Administration Agreement, the Contribution is being provided in one instalment and therefore Section 3 is modified and Section 4 is not applicable.

14. The measures taken to identify the European Union as a source of financing shall be in accordance with Attachment 4 of the Framework Agreement.

15. All annexes hereto and the Framework Agreement constitute an integral part of this Administration Agreement, whose terms taken together shall constitute the entire agreement and understanding between the Donor and the Bank. In the event of any inconsistency, the Framework Agreement prevails over the Administration Agreement and the Administration Agreement prevails over its Annexes. Unless otherwise specified in an annex hereto, this Administration Agreement may be amended only by written amendment between the Bank and the Donor provided, however, that any annexes to this Administration Agreement may be amended only by written amendment of all donors contributing to the Trust Fund.
16. Each of the Parties represents, by confirming its agreement below, that it is authorized to enter into this Administration Agreement and act in accordance with these terms and conditions. The Parties are requested to sign and date this Administration Agreement, and upon possession by the Bank of this fully signed Administration Agreement, this Administration Agreement shall become effective as of the date of the last signature.
