The Steering Committee shall provide overall policy guidance and advise the various implementing agencies accordingly.

(b) The Steering Committee shall be chaired by the Minister for MWH, or his deputy, and shall meet quarterly in the first year of project implementation and bi-annually in subsequent years.

(c) Not later than November 30 of each year, the Steering Committee shall review the progress made in respect of Project implementation, institutional issues, procurement, disbursements, the involvement of the private sector, the achievements of the DAs according to the performance criteria referred to in the Project Operational Manual during the preceding year, and progress towards the objectives for the preceding year.

(d) The Borrower shall transmit to the Steering Committee, with a copy to the Association, at least 30 days prior to such review, a report, in scope and detail satisfactory to the Steering Committee and to the Association, prepared by CWSA and each Assembly, describing the status of progress regarding the items listed in paragraph (c) above and of Project implementation generally.

2. (a) The Borrower shall implement the Project in accordance with the procedures set out in the Project Operational Manual, and, except as the Association shall otherwise agree, the Borrower shall not assign, amend, abrogate or waive any provision thereof so as to materially and adversely affect the implementation of the Project.

(b) CWSA shall, not later than August 15 of each year, commencing from August 15, 2005, carry out jointly with the Association, and in conjunction with the Borrower, a comprehensive annual project implementation review aimed at: (i) documenting progress towards realization of the objectives of the Project; (ii) identifying and resolving obstacles to Project implementation; (iii) adjusting targets to reflect progress achieved in the implementation of the Project in the prior years and ensuring responsiveness to changes to effectively achieve the objectives of the Project; and (iv) discussing the work program and budget for the forthcoming year.

(c) CWSA shall, not later than four weeks prior to the review referred to in (b) above, furnish to the Association a report, in such detail as the Association shall reasonably request, including an evaluation of the progress achieved in Project implementation.
(d) Promptly after completing such reviews, CWSA shall carry out recommendations arising out of said reviews with due diligence and efficiency and in accordance with appropriate practices, taking into account the Association's comments thereon.

3. (a) CWSA shall be responsible for providing overall guidance and for promoting, facilitating, supervising, monitoring, evaluating, and reporting on all Project activities. CWSA shall carry out Parts B(3) and C(1) of the Project directly through its own agents and staff.

(b) The District Assemblies or small towns, as the case may be, shall be responsible for the execution of Subprojects.

4. Eligibility for Subprojects:

(a) All districts and small towns which meet the following criteria shall be eligible for Grants under the Project and shall be allocated an investment ceiling each year by the regional water and sanitation team (RWST), in consultation with the regional authorities:

(i) In the case of districts, DAs shall have: (A) contributed 5% of the investment cost of the anticipated Subprojects for the district, (B) appointed qualified technical staff to manage the implementation of Subprojects, (C) prepared a rolling district water and sanitation plan (DWSP), and (D) submitted acceptable community Subproject proposals and associated procurement plans which meet the criteria described in the POM.

Proposals that fully meet the appraisal criteria shall be funded, on a first-come, first-serve basis.

To that effect, each time a decision affecting a Subproject is made by the DA, on behalf of the Beneficiary, the Beneficiary shall be consulted and involved, through the appropriate channels, and in accordance with procedures specified in the POM, in approving all official documentation pertaining to Subproject implementation (contract award, payment certificates, completion certificates). Special Account

1. For the purposes of this Schedule:

   (a) the term “eligible Categories” means Categories (1), (2), (3), and (4) set forth in the table in paragraph 1 of Schedule 1 to this Agreement;

   (b) the term “eligible expenditures” means expenditures in respect of the reasonable cost of goods and services required for the Project and to be financed out of the proceeds of the Credit allocated from time to time to the eligible Categories in accordance with the provisions of Schedule 1 to this Agreement; and

   (c) the term “Authorized Allocation” means an amount equivalent to $2,500,000 to be withdrawn from the Credit Account and deposited into the Special Account pursuant to paragraph 3(a) of this Schedule.

2. Payments out of the Special Account shall be made exclusively for eligible expenditures in accordance with the provisions of this Schedule.

3. After the Association has received evidence satisfactory to it that the Special Account has been duly opened, withdrawals of the Authorized Allocation and subsequent withdrawals to replenish the Special Account shall be made as follows:

   (a) For withdrawals of the Authorized Allocation, the Borrower shall furnish to the Association a request or requests for deposit into the Special Account of an amount or amounts which do not exceed the aggregate amount of the Authorized Allocation. On the basis of such request or requests, the Association shall, on behalf of the Borrower, withdraw from the Credit Account and deposit into the Special Account such amount or amounts as the Borrower shall have requested.

   (b) (i) For replenishment of the Special Account, the Borrower shall furnish to the Association requests for deposits into the Special Account at such intervals as the Association shall specify.

   (ii) Prior to or at the time of each such request, the Borrower shall furnish to the Association the documents and other evidence required pursuant to paragraph 4 of this Schedule for the payment or payments in respect of which replenishment is requested. On the basis of each such request, the Association shall, on behalf of the Borrower, withdraw from the Credit Account and deposit into the Special Account such amount as the Borrower shall have requested and as shall have been shown by said documents and other evidence to have been paid out of the Special Account for eligible expenditures. All such deposits
shall be withdrawn by the Association from the Credit Account under the respective eligible Categories, and in the respective equivalent amounts, as shall have been justified by said documents and other evidence.

4. For each payment made by the Borrower out of the Special Account, the Borrower shall, at such time as the Association shall reasonably request, furnish to the Association such documents and other evidence showing that such payment was made exclusively for eligible expenditures.

5. Notwithstanding the provisions of paragraph 3 of this Schedule, the Association shall not be required to make further deposits into the Special Account:

   (a) if, at any time, the Association shall have determined that all further withdrawals should be made by the Borrower directly from the Credit Account in accordance with the provisions of Article V of the General Conditions and paragraph (a) of Section 2.02 of this Agreement;

   (b) if the Borrower shall have failed to furnish to the Association, within the period of time specified in Section 4.01 (b)(ii) of this Agreement, any of the audit reports required to be furnished to the Association pursuant to said Section in respect of the audit of the records and accounts for the Special Account;

   (c) if, at any time, the Association shall have notified the Borrower of its intention to suspend in whole or in part the right of the Borrower to make withdrawals from the Credit Account pursuant to the provisions of Section 6.02 of the General Conditions; or

   (d) once the total unwithdrawn amount of the Credit allocated to the eligible Categories, minus the total amount of all outstanding special commitments entered into by the Association pursuant to Section 5.02 of the General Conditions with respect to the Project, shall equal the equivalent of twice the amount of the Authorized Allocation.

Thereafter, withdrawal from the Credit Account of the remaining unwithdrawn amount of the Credit allocated to the eligible Categories shall follow such procedures as the Association shall specify by notice to the Borrower. Such further withdrawals shall be made only after and to the extent that the Association shall have been satisfied that all such amounts remaining on deposit in the Special Account as of the date of such notice will be utilized in making payments for eligible expenditures.

6. (a) If the Association shall have determined at any time that any payment out of the Special Account: (i) was made for an expenditure or in an amount not eligible pursuant to paragraph 2 of this Schedule; or (ii) was not justified by the evidence furnished to the Association, the Borrower shall, promptly upon notice from the Association: (A) provide such additional evidence as the Association may request; or (B)
deposit into the Special Account (or, if the Association shall so request, refund to the Association) an amount equal to the amount of such payment or the portion thereof not so eligible or justified. Unless the Association shall otherwise agree, no further deposit by the Association into the Special Account shall be made until the Borrower has provided such evidence or made such deposit or refund, as the case may be.

(b) If the Association shall have determined at any time that any amount outstanding in the Special Account will not be required to cover further payments for eligible expenditures, the Borrower shall, promptly upon notice from the Association, refund to the Association such outstanding amount.

(c) The Borrower may, upon notice to the Association, refund to the Association all or any portion of the funds on deposit in the Special Account.

(d) Refunds to the Association made pursuant to paragraphs 6 (a), (b) and (c) of this Schedule shall be credited to the Credit Account for subsequent withdrawal or for cancellation in accordance with the relevant provisions of this Agreement, including the General Conditions.
