SCHEDULE 1

Project Description

The objective of the Project is to promote environmentally sustainable management of Kenya’s coastal and marine resources by strengthening the capacity of existing relevant government agencies and by enhancing the capacity of rural micro, small and medium sized enterprises in selected coastal communities.

The Project consists of the following parts:

Part 1: Sustainable Management of Fisheries Resources

Promoting sustainable management of fisheries resources and enhancing the benefits and revenue generation derived from coastal fisheries through:

(a) developing and implementing a cost effective monitoring control and surveillance strategy in Kenya’s Exclusive Economic Zone.

(b) developing the Recipient’s capacity to negotiate fair and transparent license agreements with distant water fishing nations and vessels through training and technical advisory services.

(c) developing and implementing a vessel monitoring system for licensed fishing vessels.

(d) carrying out routine monitoring of vessels, licenses, fish landings and developing a fisheries management information system.

(e) carrying out research to support stock assessments for ten (10) agreed priority fish species.

(f) carrying out demand-driven research for aquaculture.

(g) rehabilitating and constructing hatcheries.

(h) promoting aquaculture production through technical assistance, training and provision of necessary equipment.

(i) undertaking quality assurance and building capacity and awareness of fishing communities through training and dissemination of information.

(j) developing the legal and policy framework for sustainable aquaculture development.

(k) undertaking spatial mapping of fisheries and related oceanographic and environmental parameters.
(l) promoting ecosystem-based management of fish resources.

(m) developing fishery specific co-management plans.

(n) carrying out research on by-catch management and control and on tools for reducing mortality of turtles, seabirds and mammals and other protected or endangered species.

Part 2: Sound Management of Natural Resources

Promoting sound management of natural resources and eco-tourism related industries through:

(a) setting up of a coastal biodiversity information management system.

(b) carrying out specialized surveys on flora and fauna in the Arabuko-Sokoke, Boni-Dodori and Kiunga forests areas and any other areas agreed with the Association.

(c) carrying out of biodiversity assessments in the Mombasa Marine National Park and Kisite-Mpunguti, Shimba Hills, Shimoni, Marereni and Assakone community conservation areas and any other areas agreed with the Association.

(d) developing and implementing guidelines for management of environmentally and socially critical habitats in the Tana Delta.

(e) developing and implementing conservation strategies for endangered species/ecosystems such as sea turtles, coral reefs and dugong and other critical habitats.

(f) promoting co-management of conservancies by facilitating partnership between the Recipient and local communities and implementing management plans for conservation and sustainable use of coastal mangrove and other forest ecosystems.

(g) creating and securing an elephant corridor linking Arabuko-Sokoke forest to Tsavo East National Park.

(h) building the capacity of institutional staff and local community members in conservation management through training and sharing of best practices.

(i) carrying out of economic valuation for Shimba Hills and the Malindi - Watamu Marine Protected Area.

(j) supporting greater collaboration, harmonization, monitoring and surveillance of shared fisheries and other resources at Kisite-Mpunguti and Shimba Hills, and between South Coast in Kenya and Tanga, Pangani, Zanzibar and Pemba in Tanzania so that individual national budgets in the two countries are more effective.
(k) strengthening extension services for village based investment activities through training, information sharing and technical advice.

(l) developing and disseminating information on ten (10) appropriate technologies for village based investment activities.

(m) compiling information on existing tourism infrastructure, assets and activities along the Kenya coast.

(n) developing new tourism circuits in Kiunga, Lamu, Mombasa, Malindi, Watamu, Arabuko-Sokoke and South Coast, by facilitating partnerships amongst the local industry players and local communities; and carrying out activities to develop and promote markets for the new circuits.

(o) undertaking a study on tourism income distribution to identify opportunities for local communities to exploit and building their capacity to exploit these opportunities in sustainable manner.

(p) carrying out specific coastal and marine research for promoting sustainable management of natural resources.

Part 3: Support for Alternative Livelihoods

Promoting sustainable livelihoods within a sound governance framework through:

(a) preparing land capability plans and land use plans to assess land potential and defining broad land use plans at the provincial, district and ward levels of the Coast Province.

(b) Strengthening NEMA’s capacity to implement the Integrated Coastal Zone Management (ICZM) framework through: (i) technical assistance for reviewing the relevant policy and legal framework, (ii) rehabilitating and refurbishing offices, (iv) provision of training and equipment, (v) financing of community outreach activities and (v) developing and implementing an ICZM awareness strategy.

(c) developing and implementing incentives for environmental governance and conservation.

(d) building the capacity of the provincial and district land offices in the Coast Province through rehabilitation and refurbishment of offices and provision of training and relevant equipment.

(e) sensitizing local communities on sustainable land use.

(f) harmonizing the legislative and regulatory framework for addressing environmental degradation along the coast and strengthening associated institutions through sensitization, training and provision of relevant equipment.
(g) developing CDA’s capacity to promote partnerships between local communities and Micro, Small and Medium Enterprises (MSMEs) through training, technical advisory services, rehabilitation and refurbishment of offices and provision of relevant equipment.

(h) providing Business Development Services (BDS) and establishing BDS resource centers for MSMEs.

(i) promoting the availability and accessibility of ready financing for MSMEs through: (i) value addition micro studies in the mango, cashew, fishing and jatropha subsectors and other natural resources subsectors; (ii) provision of training and support in basic financial management, (iii) developing business plans and business licensing; and (iv) provision of relevant equipment and supplies.

(j) promoting value addition of village based economic activities in five (5) viable subsectors to maximize economic returns to local communities.

(k) piloting five (5) public private partnerships between local investors and MSMEs.

Part 4: Capacity Building, Monitoring & Evaluation System, Project Management Communication and Community Village Fund

Promoting investment in village based economic activities and enhancing the capacity for Project implementation, and stakeholder dialogue through:

(a) establishing and implementing a Coastal Village Fund to provide grants to Beneficiaries to implement pre-selected activities that promote the sustainable management of fishery resources and the sound management of natural resources.

(b) establishing and building capacity of the Project staff through training, technical advisory services and provision of relevant goods.

(c) developing an information and communication strategy for the Project.

(d) developing and implementing an effective monitoring and evaluation system.

(e) financing of Operating Costs.
SCHEDULE 2
Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

10. The Recipient shall cause the MoFD, the CDA, KWS and KMFRI, to not later than November 1, 2010 appoint and thereafter maintain throughout Project implementation, Project Component Managers to be seconded to the PCU with qualifications, terms of reference and experience satisfactory to the Association.

11. Without limitation upon the provisions of paragraph 10 of this Section, the Project Component Managers shall be responsible for the coordination of the technical implementation of the activities under the respective component of the Project.

B. Subsidiary Agreements

12. To facilitate the carrying out of the Project Implementing Agencies’ respective parts of the Project, the Recipient shall make the proceeds of the Financing allocated from time to time for the respective Categories, available to the Project Implementing Agencies under a subsidiary agreement between the Recipient and each Project Implementing Agency (Subsidiary Agreement) under terms and conditions approved by the Association, which shall require the Project Implementing Agency to, inter alia:

(a) carry out its respective part of the Project with due diligence and efficiency and in conformity with appropriate administrative, technical, financial, economic, environmental and social standards and practices, including the provisions of the Anti-Corruption Guidelines and in accordance with the provisions of this Agreement.

(b) procure all goods and services required for its respective part of the Project and to be financed out of the proceeds of the Financing in
accordance with the provisions of Section III of this Schedule; and (ii) ensure that all such goods and services are used exclusively for the purposes of the Project.

(c) ensure that all facilities relevant to its respective part of the Project shall at all times be properly operated and maintained and that all necessary repairs and renewals of such facilities shall be made promptly as needed.

(d) with respect to records management, (i) maintain records adequate to record the progress of its respective part of the Project (including its cost and the benefits to be derived from it), to identify the goods and services financed out of the proceeds of the Financing and disclose their use in the Project; (ii) furnish such records and information as may be requested by the Recipient or the Association; and (iii) retain all records evidencing expenditures under its respective part of the Project for the period of time specified in the General Conditions.

(e) with respect to monitoring and evaluation (i) maintain policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with indicators acceptable to the Association, the progress of its respective part of the Project and the achievement of its objective; (ii) prepare periodic reports, in form and substance satisfactory to the Association, integrating the results of such monitoring and evaluation activities and setting out measures recommended to ensure the continued efficient and effective execution of its respective part of the Project, and to achieve its objectives, each such report to cover every quarter; (iii) furnish each such report to the Recipient within two weeks after such period to enable the Recipient to incorporate such report in its Project Report for the same period and to comply with its reporting obligations under Section II of this Schedule 2; and (iv) prepare, and furnish to the Recipient a final report, of such scope and in such detail as the Association shall reasonably request, on the execution of its respective part of the Project, and furnish the same to the Recipient within two weeks after the end of such period to enable the Recipient to incorporate such report in its report and comply with its obligations under Section II of this Schedule 2.

(f) with respect to the financial management (i) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect its operations and financial condition, including the operations, resources and expenditures related to its respective part of the Project; (ii) avail the records pertaining to the Project to external and internal auditors for audit; and (iii) prepare and submit, on the fifth day of each month interim unaudited financial reports relating to the previous month to the PCU for consolidation and such other information concerning
such unaudited financial statements as the Association may from time to time reasonably request.

(g) open and maintain a dedicated Project Account, until the completion of the Project, in a commercial bank at the coast and on terms and conditions acceptable to the Association; and ensure that the funds deposited into the Project Account shall be used exclusively to finance the cost of expenditures related to the Project.

(h) designate and maintain staff in the coastal region as appropriate, with qualifications, resources, terms of reference and experience satisfactory to the Association, for the implementation of the Project.

(i) participate in and implement the relevant recommendations of the Mid-Term Review.

13. Without limitation upon the provisions of paragraph 12 of this Section, the Subsidiary Agreement with KMFRI shall include a requirement for KMFRI through PCU to undertake within the first year of Project implementation, the day-to-day coordination of the Project including financial oversight.

14. The Recipient shall exercise its rights and carry out its obligations under the Subsidiary Agreements in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreements or any of their provisions.

C. Project Implementing Ministries

15. In order to promote effective implementation of their respective parts of the Project, the Recipient shall ensure that the Project Implementing Ministries observe the requirements referred to in paragraph 12 of this Section.

D. Project Implementation Manual

16. In implementing the Project, the Recipient shall:

(a) develop and adopt a Project Implementation Manual (PIM) in form and substance satisfactory to the Association.

(b) implement the Project in accordance with the Project Implementation Manual and except as the Association shall otherwise agree in writing, not amend or waive, or permit to be amended or waived any provision of the Project Implementation Manual, if such amendment or waiver may, in the opinion of the Association, materially or adversely affect the implementation of the Project.
E. The Coastal Village Fund and Micro-Projects

17. In implementing Part 4(a) of the Project, the Recipient shall:

(a) maintain at all times during the implementation of the Project, the ALRMP Project Coordination Unit (ALRMP PCU) under the Ministry of State for the Development of the Northern Kenya and Other Arid Lands with mandate, staffing, and resources satisfactory to the Association with the overall responsibility for overseeing the implementation of the Coastal Village Fund.

(b) not later than February 15, 2011 appoint and thereafter maintain at all times during the implementation of the Project, Regional Coordinators with qualifications, experience, mandate and resources satisfactory to the Association with the responsibility of coordinating the implementation of the Coastal Village Fund activities in the District Clusters and liaising with the District Steering Groups (DSGs) in each District in the District Cluster.

(c) Maintain at all times during the implementation of the Project, a DSG in each Participating District, with mandate, staffing and resources satisfactory to the Association with the responsibility of recommending for approval activities for support under the Coastal Village Fund.

(d) Not later than February 15, 2011 appoint and thereafter maintain at all times during the implementation of the Project, Mobile Extension Teams (METs) with mandate and resources satisfactory to the Association with the responsibility of building the capacity of communities to implement Project activities and monitoring the implementation of Community Action Plans.

(e) Maintain at all times during the implementation of the Project, Community Development Committees in each community group with the responsibility of mobilizing community involvement in the Project activities.

18. Without limitation upon the provisions of paragraph 17 of this section, the Recipient shall ensure that the Ministry of State for the Development of the Northern Kenya and Other Arid Lands provides Micro-Project Grants under the Coastal Village Fund to Beneficiaries to implement Micro-Projects in accordance with eligibility criteria and procedures acceptable to the Association and specified in the Project Implementation Manual and the ALRMP CDD Manual which shall include the following:

(a) Micro-Project Grants shall be provided to support alternative livelihoods and promote sustainable management of fisheries resources and the sound management of natural resources.
(b) Beneficiaries implementing Micro-Projects shall: (i) contribute 30% of the total costs for income-generation initiatives in cash or in kind; (ii) open and maintain a bank account, on terms and conditions satisfactory to the Association, for receiving therein the community contributions and funds from the proceeds of the Micro-Project Grants.

(c) Micro-Project Grants shall be made under a Micro-Project Grant Agreement with the respective Beneficiary on terms and conditions acceptable to the Association, which shall cover rights adequate to protect its interests and those of the Association, including the right to: (i) suspend or terminate the right of the Beneficiary to use the proceeds of the Micro-Project Grant, or obtain a refund of all or any part of the amount of the Micro-Project Grants then withdrawn, upon the Beneficiary’s failure to perform any of its obligations under the Micro-Project Grant Agreement; and (ii) require each Beneficiary to: (A) carry out its Micro-Project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient; (B) provide, promptly as needed, the resources required for the purpose; (C) procure the goods, works and services to be financed out of the Micro-Project Grant in accordance with the provisions of this Agreement; (D) maintain policies and procedures adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of the Micro-Project and the achievement of its objectives; (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations, resources and expenditures related to the Micro-Project; and (2) at the Association’s or the Recipient’s request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association; (F) enable the Recipient and the Association to inspect the Micro-Project, its operation and any relevant records and documents; (G) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request; and (H) take such measures as shall be necessary or appropriate to comply with the requirements of the Environmental and Social Management Framework, the Indigenous Peoples Planning Framework or the Process Framework as the case may be.

(d) The Recipient shall exercise its rights and carry out its obligations under each Micro-Project Grant Agreement in such manner as to protect the interests of the Recipient and the Association and to
accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Micro-Project Grant Agreement or any of its provisions.

F. Anti-Corruption

19. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

G. Environmental and Social Safeguards

20. The Recipient shall:

(a) Implement the Project in compliance with the requirements of the Environmental and Social Management Framework (ESMF), the Indigenous Peoples Planning Framework (IPPF), and the Process Framework (PF) except as the Association shall otherwise agree in writing and, subject to the initial requirements for consultations and disclosure, the Recipient shall not amend or waive any provision of the ESMF, IPPF or the PF if any such amendment or waiver may, in the opinion of the Association, materially or adversely affect the implementation of the Project.

(b) Without limitation to paragraph 20 (a) immediately above, the Recipient shall ensure that all technical assistance under the Project, application of whose results would have environmental or social implications (such as, but not limited to, technical assistance to prepare plans under Part 3 (a) of the Project), shall only be undertaken pursuant to terms of reference reviewed and found satisfactory by the Association, such terms of reference to ensure that the technical assistance takes into account, and calls for application of, the Association’s environmental and social safeguard policies.

(c) Except as otherwise agreed in writing by the Association, the Recipient shall require that in implementing the Micro-Projects the Beneficiaries take such measures as shall be necessary or appropriate to comply with the requirements of the ESMF, IPPF or the PF as the case may be.

(d) Ensure that Project reports referred to in Section II.A of this Schedule shall include adequate information on the implementation and monitoring of the measures undertaken to implement the provisions of the ESMF, IPPF and PF.
H. Disclosure of information and Social Accountability

21. The Recipient shall throughout the implementation of the Project, ensure that there are adequate Social Accountability Measures to ensure that stakeholders participate effectively in the monitoring of the use of Project resources.

I. Other Covenants

22. The Recipient shall ensure that KMFRI has not later than February 15, 2011 computerized its accounting function.

23. The Recipient shall carry out on annual basis a post procurement review of all Micro-Project Grants.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association and set forth in the Project Implementation Manual. Each Project Report shall cover the period of ninety (90) days and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six (6) months after the Closing Date.

3. The Recipient shall:

   (a) not later than October 30, 2013 or any other date agreed with the Association carry out jointly with the Association, a Mid-Term Review of the progress made in carrying out the Project;

   (b) not later than thirty (30) days after the completion of the Mid-Term Review, start to implement the recommendations of the Mid-Term Review as agreed with the Association; and

   (c) the Mid-Term Review shall assess, inter alia: (i) the overall progress made during the implementation of the Project; and (ii) the results of the monitoring and evaluation activities.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.
2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report not later than forty-five (45) days after the end of each quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made under the Preparation Advance for the Project. The audited Financial Statements and a Management Letter for such period shall be furnished to the Association not later than six months (6) after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. Other Methods of Procurement of Goods and Works. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

Section III. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

“… (b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are beneficiaries of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

“… (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Borrower (other than a Member Country) (fn 14) or an individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn 15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”
Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
