November 27, 2014

Amendment to the Trust Fund Administration Arrangement between the Government of the United Kingdom of Great Britain and Northern Ireland, acting through the Department for International Development and the International Development Association concerning the Bangladesh Private Sector Development Support Project Trust Fund (TF71645)  
DFID Component Number 107413-101

Dear Sarah:

We refer to the Trust Fund Administration Arrangement dated March 14, 2011, between the Government of the United Kingdom of Great Britain and Northern Ireland, acting through the Department for International Development (the “Donor”) and the International Development Association (“IDA” or the “Bank”) for the Bangladesh Private Sector Development Support Project Trust Fund (the “Trust Fund”).

Pursuant to recent discussions between representatives of the Donor and IDA, we propose to amend paragraph 11.1. of the Trust Fund Administration Arrangement as follows:

“11.1. It is expected that the Contributions will commence from March 18, 2011 and be fully disbursed by the Bank by December 31, 2016. The Bank will only disburse Contributions for the purposes of this Arrangement after such date with the written approval of the Donor.”

All the terms and conditions of the Trust Fund Administration Arrangement that have not been amended hereby will remain unchanged and in full force and effect. IDA will disclose this amendment and related information on this Trust Fund in accordance with the World Bank Policy on Access to Information. By entering into this amendment, the Donor consents to disclosure of this amendment and related information on this Trust Fund.
Please confirm your agreement with the foregoing, on behalf of the Donor, by signing and dating two originals, retaining one original for your records and returning the other original to IDA. Upon receipt by IDA of the original countersigned by you, this amendment will become effective as of the date of the countersignature.

Sincerely,

INTERNATIONAL DEVELOPMENT ASSOCIATION
