SCHEDULE 1

Project Description

The objectives of the Project are to assist the Recipient’s higher education sector in: (i) enhancing internal efficiency and expand the output of graduates, (ii) improving equitable access (gender, location and socio-economic), and (iii) improving the quality of the teaching-learning process and the relevance of the curriculum.

The Project consists of the following Parts:

Part A: System-wide Reform and Development

1. Support the Recipient’s higher education policy and system reform, through the provision of technical advisory services, including studies, monitoring activities and carrying out of training and workshops.

Part B: HEIs Institutional Development and Investments

1. (a) Carrying out of civil works for the completion of construction of the ISRI campus and of the MDLN Lichinga Resource Center; and (b) provision of equipment for the Universities.

2. Provision of QIF Grants for eligible Public Beneficiaries and QIF Sub-Loans for eligible Private Beneficiaries, including for the purposes of: (i) the carrying out of training for teachers and management staff; (ii) the provision of fellowships for postgraduate education; (iii) the development of academic programs to improve equity and quality of higher education; (iv) the design and implementation of research projects to develop linkages with the productive sector or with international research and HEIs; (v) the provision of equipment; and (vi) the carrying out of civil works for the rehabilitation of higher educational facilities.

Part C: Provincial Scholarships

1. Provision of scholarships for eligible Individual Beneficiaries in HEIs.

Part D: Science and Technology

1. Strengthening the institutional capacity of the Recipient’s Ministry of Science and Technology and its regional centers, through: (a) the carrying out of civil works for the rehabilitation of the said regional centers; (b) the provision of equipment; (c) the carrying out of training; and (d) the development of its human resources development plan.
2. Establishment and operation, through the provision of NRF Grants, of the National Research Fund, to promote applied scientific and technological research.

3. Design and implementation of a science and technology scholarship scheme and provision of scholarships for eligible Individual Beneficiaries to increase the number of students at the master’s and doctoral levels.

4. Design and implementation of a basic science program for eligible secondary school students.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall: (a) carry out Parts A, B (except for B.1) and C of the Project through the PCU established under the Original Project in the Ministry of Education and Culture, and Part D of the Project through the Directorate of Planning of the Ministry of Science and Technology; and (b) cause Part B.1 of the Project to be carried out by the Universities and to be coordinated by the PCU.

2. The Recipient shall maintain the PCU and the Directorate of Planning within the Ministry of Science and Technology with qualified and experienced management and staff, throughout the implementation of the Project.

B. Implementation Arrangements

1. The Recipient shall implement the Project, or cause the Project to be implemented, as applicable, in accordance with the Project Implementation Manual (PIM) containing detailed arrangements regarding the implementation of the different activities under the Project, including the institutional responsibilities, reporting structure, review and monitoring, procurement, disbursement, financial management, as well as the eligibility criteria, approval procedures and guidelines for the implementation, and terms and conditions of QIF Sub-Loans and QIF Grants under Part B.2 of the Project, NRF Grants under Part D.2 of the Project and scholarships under Parts C.1 and D.3 of the Project.

2. Except as the Recipient and the Association shall otherwise agree, the Recipient shall not amend the PIM or waive any provision thereof, if in the opinion of the Association, such amendment or waiver may materially and adversely affect the implementation of the Project.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.
D. Safeguards

1. The Recipient shall carry out the Project, or shall cause the Project to be carried out, in accordance with the guidelines, rules and procedures and mitigation measures defined in the ESMF and in a manner satisfactory to the Association.

2. Except as the Recipient and the Association may otherwise agree in writing, the Recipient shall not abrogate, amend, repeal, suspend, waive or otherwise fail to enforce the ESMF referred to in sub-paragraph (1) of this paragraph or any provision thereof.

3. In case of any conflict between the terms of the ESMF referred to in sub-paragraph (1) of this paragraph and those of this Agreement, the terms of this Agreement shall prevail.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty-five days after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(i) the number of students graduating in all HEIs has increased to 4,000 by June 30, 2009;

(ii) the efficiency ratio of new entries over total enrollment has increased by 22% by June 30, 2009;

(iii) 20% of all HEI enrollments are from the Recipient’s northern region and 32% from the central region; and

(iv) a comprehensive survey on the use of new curriculum materials, technology and student-centered pedagogical approaches, has been completed by June 30, 2009.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods, Works and Services (other than Consultants’ Services). All goods, works and services (other than Consultants’ Services) required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
