## SCHEDULE 1

### Project Description

The objective of the Project is to improve revenue collection, tax compliance and taxpayer services in the Republic of Moldova.

The Project consists of the following parts:

#### Part 1. Tax Policy, Tax Administration Reforms, and Operational Development

Provision of financing for EEP to support to the Borrower in increasing efficiency of the tax policy and tax administration, including strengthening the operational capacity of the State Tax Service of Moldova through, *inter alia*,

- a) increasing nominal value of the specific and minimal excise rates for all tobacco products under tariff position 240220 for the year 2021 by at least 15 percent compared to the Excise Rates from 2020;
- b) ensuring that supplies of goods by insolvent subjects are taxed with VAT on the reverse charge principle;
- c) improving the usability of the STS website, through the launching of a single STS website which would, *inter alia*, (i) support to requirements of people with special needs; (ii) allow taxpayers to submit income statements electronically through their personal account created on the site; (iii) be synchronized with the state web sites through the automated information exchange (open data); (iv) have a new searching system which will reflect the final version of the legal documents, specifying all amendments and additions; and (v) have a feedback mechanism through the online (chat) assistance service;
- d) strengthening the capacity of STS staff to deliver taxpayer services by developing a Manual on taxpayer services and training the STS staff on its use; and
- e) developing and carrying out of an electronic taxpayer survey tool.

#### Part 2 - Institutional Development

Provision of support for strengthening STS performance and service delivery, including through *inter alia*: (a) the purchase and installation of technical hardware and software to support the functioning of the existing and future IT and communication systems, and training equipment; (b) the carrying out of training activities; and (c) the carrying out of regular taxpayer satisfaction surveys; and (d) the technical development and establishment of the new STS's website with improved usability and broadened functionality to replace the two existing web-sites.

#### Part 3. IT Infrastructure and System Modernization

Provision of support for the purchase and installation of an integrated tax management system, including the provision of relevant hard and software and training regarding, *inter alia*, its functions, management reporting and document management tools.

#### Part 4. Project Management and Change Management

- a) Carrying out of capacity building activities supporting the Borrower's change management process to implement the activities referred to in Parts 1, 2 and 3 above, including: (i) the carrying out of awareness campaigns and training activities on the implementation of said reforms; and (ii) the establishment of a private sector advisory panel for citizen engagement; and
- b) Project implementation, monitoring and evaluation including: (i) the carrying out of the Project audits; (ii) the hiring and selection of, *inter alia*, a financial management and a procurement specialist; and (iii) the financing of Operating Costs.
