SCHEDULE 1

Project Description

The objectives of the Project are to assist the Recipient to contribute to (a) urgent needs in the fight against HIV, such as access to prevention, treatment, and impact mitigation services (b) urgent social needs such as prevention of malaria, increased access to water supply and improved primary education.

The Project consists of the following Parts, subject to such modifications thereof as the Recipient and the Association may agree upon from time to time to achieve such objectives:

Component 1: Support to the National Program against HIV-AIDS

A. Grants to implement Sub-projects of eligible CSOs, youth organizations, a federation of associations of PLWHA and PLWHA associations, for activities against HIV-AIDS dealing with prevention, access to care, treatment and support.

B. Enhancing access to prevention, care and treatment regarding HIV/AIDS, by providing support for the programs of the Ministry of Health against HIV-AIDS.

C. Supporting the HIV/AIDS action plans of the Ministry of Education, Ministry of Defense, Ministry of Social Affairs and Ministry of Public Services dealing with prevention, access to care, treatment and support.

D. Support coordination, supervision, and monitoring and evaluation, through the financing of operational costs, studies, equipment, technical assistance for CNLS Technical Secretariat and the decentralized coordinating committees at the prefecture level and studies of the National Program against HIV/AIDS.

Component 2: Support to emergency health needs

A. Improve Malaria prevention and access to emergency health services by procuring and distributing: (i) insecticide-treated mosquito nets for pregnant women and children under age five and (ii) equipment for emergency health services.

B. Facilitate implementation of Sub-projects to implement action plans prepared by eligible Communities and CSOs, addressing emergency health needs such as small rural water supply systems and drainage of marshlands to reduce reproduction and spreading of mosquitoes through (i) the provision of Grants to implement Sub-projects, and (ii) contracting an agency to channel funds for the financing of Action Plans of CSOs and Communities.
C. Support to the Ministry of Health to supervise, monitor, and evaluate the activities of Component 2 of the Project.

Component 3: Support to emergency needs in the Education Sector

A. Improve the quality of teaching at the primary level by focusing on teachers’ training and by improving the ratio students/teachers by providing fellowship allowances to apprentice teachers and training of these apprentice teachers.

B. Increase the number of textbooks and other educational material in primary schools through provision of these textbooks and educational materials.

C. Support to the Ministry of Education to supervise, monitor, and evaluate the activities of Component 3 of the Project, through the financing of operational costs, studies, equipment, and technical assistance.

Component 4: Support to a financial management and procurement Unit

Support to the Financial Management and Procurement Unit (FMPU) through the financing of operational costs, studies, equipment, and technical assistance.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. Implementation Committee and FMPU

(a) The Recipient shall create and maintain throughout Project implementation, the Implementation Committee, the FMPU, CNLS, including, CNLS TS and CNLS PMU, up to sixteen (16) CPLS, and a financial management unit within MoHP and MOE, in a form and with functions, staffing and resources satisfactory to the Association, in accordance with the Project Implementation Plan.

(b) The Recipient shall cause the Implementation Committee, CNLS TS, MoHP, MOE at the national level and CPLS at the regional level to carry out the daily facilitation, implementation and coordination of the Project in their respective sectors.

(c) Not later than the Restructuring Effective Date, and thereafter by November 30 of each year, the Recipient shall, through the Implementation Committee, furnish to the Association for its review and approval, proposed detailed annual work plans, including training programs and proposed budgets in respect of Project activities for the forthcoming year.

2. Core Ministries

Not later than the Restructuring Effective Date, and thereafter by November 30 of each year, the Recipient shall cause its beneficiary Ministries, through the Implementation Committee, to furnish to the Association for its review and approval, their annual Action Plan for the forthcoming year.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project Implementing Entity’s Respective Part of the Project, as of the Channeling Modification Date, the Recipient shall make part of the proceeds of the Financing available to the Project Implementing Entity under a subsidiary agreement between the Recipient and the Project Implementing Entity under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient
shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Sub-projects.

(a) No Subproject to implement Action Plans shall be eligible for financing under a grant out of the proceeds of the Credit unless FMPU or after the Channeling Modification Date, the Project Implementing Entity, has determined, on the basis of an appraisal conducted in accordance with the guidelines set forth in the Project Implementation Manual, that the Subproject satisfies the eligibility criteria specified below and in more detail in the Project Implementation Manual, which shall include the following:

(i) the Subproject shall be for any of the types of activities referred to in components 1(A) and 2(B) of the Project and shall not be for any of the activities mentioned in a negative list in the Project Implementation Manual;

(ii) the Subproject shall be initiated and implemented by an eligible CSO or a Community or under its supervision;

(iii) the Subproject shall be in accordance with the standards specified in the Project Implementation Manual; and

(iv) the Subproject under subcomponent 1(A) shall be in compliance with the standards set forth in the applicable laws and regulations of the Recipient relating to its HIV/AIDS Program.

(v) the Subproject under sub-component 2(B) shall be in compliance with the Revised ESMP to be approved by the Association and to standards set forth in the applicable laws and regulations of the Recipient relating to Environmental protection.

(b) Subprojects shall be carried out pursuant to Grant Agreements, to be concluded between the Recipient through CNLS or the concerned CPLS or, after the Channeling Modification Date, the Project Implementing Entity, under subcomponent 1(A) and between MoH or, after the Channeling Modification Date, the Project Implementing Entity, under subcomponent 2(B) under terms and conditions satisfactory to the Association, which shall include the following:

(i) a copy of the approved Subproject, with its budget and its performance indicators;
(ii) provisions requiring the financing to be made on a grant basis;

(iii) the obligation to: (a) carry out the Subproject with due diligence and efficiency and in accordance with sound administrative, financial and public health standards and the provisions of the Project Implementation Manual and in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of loan proceeds other than the Recipient; (b) implement a CSO or community ESMP as approved according to the Revised ESMP under sub-component 2(B); (c) maintain adequate records to reflect in accordance with simple and sound accounting practices defined in the Project Implementation Manual, the operations, resources and expenditures in respect of the Subproject; and (d) maintain adequate reporting in accordance with the standards specified in the Project Implementation Manual;

(iv) the requirement that: (A) the goods, works and services to be financed from the proceeds of the Credit shall be procured in accordance with the procedures set forth in this Agreement; and (B) such goods, works and services shall be used exclusively in the carrying out of the Subproject;

(v) the right of the Recipient to inspect, by itself, or jointly with the Association, if the Association shall so request, the goods, works sites, plants and construction included in the Subproject, the operations thereof and any relevant records and documents;

(vi) the right of the Recipient to obtain all information as the Recipient or the Association shall reasonably request regarding the administration, operations and financial conditions of the Subproject, and at the Association’s or the Recipient’s request, the right to have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association; and

(vii) the right of the Recipient to suspend or terminate the right of the Community or the CSO as applicable, to use the proceeds of the Credit for the Subproject upon failure by the Community or the CSO, as applicable to perform any of its obligations under its Grant Agreement.

E. Safeguards

The Recipient shall carry out the Project in accordance with the Project Implementation Manual, the Financial and Accounting Procedures Manual, the Monitoring and Evaluation Manual, the Clinical Waste Management Plan, and the Revised ESMP, and except as the Association shall otherwise agree, shall not amend or waive any provision of these Manuals or of this Plan without the Association’s prior written approval. These Manuals and this Plan will not be amended or waived if, in the opinion of the Association, such amendment or waiver may materially and adversely affect the carrying out of the Project or the achievement of the objectives thereof.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one year, and shall be furnished to the Association not later than four months after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph A.1 (a) consist of the following:

   i. Number of users of HIV/AIDS VCT services in targeted areas.

   ii. Additional number of HIV+ patients with access to ARV treatment

   iii. Additional number of households using ITNs.

   iv. Teacher/student ratio in targeted districts

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than March 31, 2011.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than two months after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.
Section III. **Procurement**

A. **General**

1. **Goods and Works.** All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. **Particular Methods of Procurement of Goods and Works**

1. **International Competitive Bidding.** Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.

2. **Other Methods of Procurement of Goods and Works.** The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:
