Report of the Comptroller and Auditor General of India

To,
The Secretary to the Government of India,
Department of Water Resources, River Development &
Ganga Rejuvenation, Govt. of India,
Shram Shakti Bhawan,
Rafi Marg, New Delhi-110001

Audit Report on the Project Financial Statements

We have audited the accompanying financial statements of the National Hydrology Project Survey of India, Dehradun under World Bank Loan No. 8725-IN which comprise the Statement of Sources and Applications of Funds and the Reconciliation of Claims to Total Applications of Funds for the year ended 31st March, 2019 (provided in Annexure A). These statements are the responsibility of the Project’s Management. Our responsibility is to express an opinion on the accompanying financial statements based on our audit.

We have conducted our audit in accordance with the Auditing Standards promulgated by the Comptroller and Auditor General of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Our audit examined, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the Project Financial Statements present fairly, in all material respects, the sources and applications of funds of National Hydrology Project at Survey of India, Dehradun for the year ended 31st March, 2019 in accordance with Government of India accounting standards.

In addition, in our opinion, (a) with respect to the Statement of Expenditure, adequate supporting documentation has been maintained to support claims to the World Bank for reimbursement of expenditure of Rs. 2076.76 lakh incurred under the project and (b) except for ineligible expenditure of Rs. Nil expenditure of Rs. 2076.76 lakh are eligible for financing under the Loan / Credit Agreement. During the course of audit, Statement of
Expenditure / Financial statement amounting to Rs. 4153.52 lakh were examined which can be relied upon to support reimbursement of Rs.2076.76 lakh under the Loan/Credit Agreement as per Annexure. An expenditure of Rs. 55.81 lakh, previously disallowed during audit of 2017-18, has now been allowed on the basis of replies and supporting documents during audit of 2018-19.

This report is issued without prejudice to CAG’s right to incorporate the audit observations in the Report of CAG of India for being laid before Parliament.

Director General of Audit (SD)
## Annexures

### Statement -A

Statement of Expenditure incurred by **Survey of India, Dehradun** under National Hydrology Project Loan No. **8725-IN** for the year **2018-19**.

Dy. Director (EA)
Audit observations on Certification Audit of the National Hydrology Project (NHP) under World Bank Loan No. 8725-IN for the year 2018-19 of Survey of India (DST), Dehradun

(i) Para 19 (Accounting Policies, Procedures and Systems) of Annexure-II of Financial Management Guidelines appended to the Memorandum of Agreement (MoA) under National Hydrology Project, Department of Water Resources, River Development & Ganga Rejuvenation prescribes that project expenditure will be subject to controls as per General Financial Rules of Government of India. All funds releases (Grant-in-Aid) to State and Central Implementing Agencies (IAs) to finance approved state Annual Work Plans will be recorded as expenditure in accordance with existing GoI rules. The releases to the IAs being “on account” will be subject to adjustment including recoveries on account of Audit observation and disallowance. For the purpose of the programme, however, National Project Management Unit (NPMU) will keep track of actual expenditures reported against the grants by the State and Central Implementing Agencies, as these are essentially in the nature of advances and incorporate them in six monthly interim consolidated financial reports of the project.

(a) Accounting at Departments: The departments would maintain cash books and other relevant ledgers for the project separately for the case of accounting, auditing and reporting along with a separate project bank account.

(b) Accounting at Central agencies: These agencies would follow the accounting system normally used by them. These agencies would maintain separate cash book and accounts for the project along with a separate project bank account.

(c) Books to be maintained at implementing agency: (1) Cash Book, (2) Contractors Ledger, (3) Cheque Issue Register, (4) Bank Statement and (5) Bank Reconciliation Statement.

Scrubini of records revealed that the mandated opening of separate bank account is yet to be done by Survey of India, Dehradun as of 09.08.2019. Survey of India is Cash Book only for making entry of refund of unspent balance of advances withdrawn by the officials engaged in National Hydrology Project (NHP).
Project Director Office had received grant of Rs.5723.50 lakh up to 31st March 2019 under NHP. However, Survey of India did not disclose the interest earned during 2018-19 owing to non-opening of separate bank accounts.

Thus Survey of India violated the prescribed guidelines issued by the Ministry. Appropriate action needs to be taken to open a separate bank account as per Memorandum of Agreement (MoA) and prepare Bank Reconciliation Statement regularly for the same. These issues were also raised in previous audit, however, the matter is still pending.

Survey of India, Dehradun had procured assets valuing Rs.3457.67 lakh up to 31st March 2019 under National Hydrology Project. Though Project Director Office is maintaining asset register, but the status of installation/commissioning of assets were not indicated in the Asset Register. Further, the location of the assets where it was issued was also not mentioned in the register.

Dy. Director (EA)
