Dated April 2, 2010
FINANCING AGREEMENT

AGREEMENT dated April 2, 2010, entered into between LAO PEOPLE’S DEMOCRATIC REPUBLIC (“Recipient”) and INTERNATIONAL DEVELOPMENT ASSOCIATION (“Association”). The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions or in the Appendix to this Agreement.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equivalent to seventeen million nine hundred thousand Special Drawing Rights (SDR 17,900,000) (“Financing”) to assist in financing the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Payment Dates are February 15 and August 15 in each year.

2.05. The Payment Currency is Dollars.
ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project, through MPWT, in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES

4.01. The Additional Event of Suspension consists of the following:

(a) subject to paragraph (b) of this paragraph, the right of the Recipient to withdraw the proceeds of the Co-financing made to the Recipient for the financing of Parts 2(a)(i) and 2(d) of the Project shall have been suspended, canceled or terminated in whole or in part, pursuant to the terms of the Co-financing Agreement; and

(b) paragraph (a) of this paragraph shall not apply if the Recipient establishes to the satisfaction of the Association that: (i) such withdrawal, suspension, cancellation or termination is not caused by a failure of the Recipient to perform any of its obligations under the Co-financing Agreement; and (ii) adequate funds for the Project are available to the Recipient from other sources on terms and conditions consistent with the obligations of the Recipient under this Agreement.

ARTICLE V— EFFECTIVENESS; TERMINATION

5.01. The Additional Condition of Effectiveness consists of the following, namely, that the Financial Management Manual acceptable to the Association has been duly adopted by the Recipient pursuant to the provisions of paragraph 3, Section I, Schedule 2 to this Agreement.

5.02. The Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

5.03. For purposes of Section 8.05(b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for
payment obligations) shall terminate is twenty (20) years after the date of this Agreement.

SCHEDULE 1

Project Description

The objectives of the Project are: (a) to improve road services on two (2) main national corridors and the provincial road network; (b) to rehabilitate roads damaged by Typhoon Ketsana; and (c) to establish and operationalize a contingency fund for quick disaster response in the road sector.

The Project consists of the following parts:

Part 1. Road Network Improvement and Preservation

(a) Upgrading two (2) National Roads to sealed standards, including: (i) the acquisition of land and carrying out of resettlements needed to upgrade said national roads; and (ii) the management, supervision and monitoring of the construction contracts to upgrade said two (2) national roads.

(b) Supporting the Recipient’s road maintenance program by: (i) carrying out periodic maintenance on priority sections of a provincial road network as identified in annual work programs; and (ii) managing, supervising and monitoring implementation of said program.

(c) Supporting the implementation of the National Road Safety Strategy and Action Plan through the acquisition and installation of road safety related goods.

Part 2. Institutional Strengthening

a. Strengthening the institutional capacity of the Recipient’s transport sector at the national level by: (i) improving strategic transport sector management and planning capacity; and (ii) improving strategic local road development and management capacity, including, *inter alia*, information and communication technology development, road condition data collection, construction unit costs analysis and fiduciary capacities.

b. Strengthening the Recipient’s capacity to carry out effective implementation of the ESOM and the Compensation and Resettlement Decree, including its technical guidelines and procedures.

c. Strengthening MPWT’s internal control capacity on road infrastructure investments by, *inter alia*: (i) developing and implementing an internal audit program and an internal control and accountability framework; and (ii) carrying out independent technical and financial audits and inspections.
d. Strengthening the institutional capacity of the Recipient’s transport sector at the provincial and local levels in the areas, *inter alia*, of: contract management, financial management, and procurement, and safeguard compliance and monitoring.

**Part 3. Disaster Recovery and Contingency**

(a) Rehabilitating roads damaged by Typhoon Ketsana located in selected southern provinces of the Recipient, including engineering and supervision support needed for carrying out said rehabilitation work.

(b) Assisting the Recipient in developing and implementing a disaster response to ensure passability and safety of affected national and provincial road networks following the occurrence of a natural disaster through the provision of Eligible Goods and Works described in Schedule 3 of this Agreement.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain, throughout the period of implementation of the Project, the Road Maintenance Fund Advisory Board and its secretariat, with sufficient resources, appropriately qualified and competent staff in adequate numbers with terms of reference satisfactory to the Association. The Secretariat of the Road Maintenance Fund Advisory Board shall be vested with financial management responsibility under Part 1(b)(i) of the Project.

2. The Recipient shall maintain within MPWT, throughout the period of implementation of the Project, the DPC, with sufficient resources, appropriately qualified and competent staff in adequate numbers with terms of reference satisfactory to the Association, responsible for carrying out the management, coordination and monitoring of all activities and implementing entities under the project.

3. The Recipient shall through MPWT:
   (a) adopt and thereafter implement a Financial Management Manual satisfactory to the Association, which plan shall include, inter alia: (i) financial management and disbursement procedures consistent with the provisions of Section II.B of Schedule 2 to this Agreement; (ii) the measures to strengthen the internal controls and accountability; and (iii) the financial management and disbursement arrangements for Part 3 of the Project; and
   (b) undertake not to amend, suspend, abrogate, repeal and waive any provisions of the Financial Management Manual without the prior agreement to the Association.

4. The Recipient shall by June 30, 2012, take all such actions as shall be necessary to increase the revenue basis for the RMF, including through increasing levies on motor vehicle fuel to a level of not less than four hundred (400) Kip per liter.

5. In carrying out Part 1(b)(i) of the Project, the Recipient shall, through MPWT, by March 1 of each calendar year, commencing on March 1, 2011, prepare, under terms of reference satisfactory to the Association, and submit to the Association, for its review and comments: (i) a draft annual work program for road and bridge
preservation covering the national and provincial road networks; and (ii) a three-year rolling preservation plan, and thereafter carry out such program and plan, taking into account the Association’s comments thereon.

6. The Recipient shall carry out two (2) updates of the National Transport Strategic Plan, including a medium-term expenditure program, whose substance shall be satisfactory to the Association. The first such update shall be carried out no later than June 30, 2011, and the second update shall be carried out no later than June 30, 2013.

7. The Recipient shall, by no later than three (3) months after the Effective Date, engage external audit consultants and an internal audit consultant in adequate numbers for the purposes of building audit capacity, with appropriate experience and qualifications, and under terms of reference acceptable to the Association.

B. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

C. Safeguards

1. In order to ensure the proper implementation of the Project in an environmentally and socially sound manner, the Recipient shall implement the Project in accordance with the SGDR including the ESOM, the RAPs, the EGDPs, the RPF, the EGDF, the Environmental Legislation and the provisions of this Agreement.

2. If at any time the Environmental Legislation is proposed to be modified, the Recipient shall, prior to such modification, inform the Association of, and consult with it on, such proposal; and if in the opinion of the Association the application of any such aspect of such proposal would result in adverse environmental impacts under the Project, the Recipient shall continue to carry out the Project in accordance with the provisions of the SGDR or such other environmental guidelines as shall have been determined by the Recipient and agreed to in writing by the Association.

3. When conducting any environmental impact assessment required under the Environmental Legislation for activities proposed for inclusion under the Project, the Recipient shall ensure that:

   (a) the guidelines described in the ESOM, consistent with the Environmental Legislation, are applied so that the impacts of these activities on the environment are properly analyzed, including consideration for alternatives to any proposed activities to enable the Recipient to compare the feasibility of each alternative under local conditions;
(b) mitigation measures or an EMP are prepared for the activities in accordance with the principles set out in the ESOM, as appropriate, including budget, institutional and human resources to be provided for such activities; and

(c) procedures for chance finds of cultural property are clearly outlined in the EMP.

4. The Recipient shall refrain from carrying out any Project activity that shall result in the involuntary resettlement or adverse impacts on livelihoods, as a consequence of the Project activities, of persons or communities residing in the Project areas and neighborhoods, all as defined in the RPF; provided that if such impact or resettlement would be unavoidable, the Recipient shall implement such activity only after it has consulted with potentially Displaced Persons in accordance with the provisions of the RPF, and prepared, adopted and implemented a resettlement action plan as appropriate in accordance with the RPF, all with the prior written approval of the Association.

5. The Recipient shall, in the context of the reports referred to in Section IIA.1 of this Schedule, prepare and provide to the Association, for its review, reports on the application of the provisions of the SGDR and ESOM to Project activities, and shall thereafter carry out the recommendations of such reports, taking into account the Association’s comments thereon, all with a view to complying with the SGDR, the ESOM, the RPF and the EGDF.

6. Without limitation to the obligations set forth above, the Recipient shall, and shall cause DPWTs and OPWTs, in carrying out the activities under Part 1(b)(i) of the Project:

(a) at least sixty (60) days prior to the initiation of any works, publicly disseminate to the relevant local population the ESOM, the RPF and the EGDF, in form and substance acceptable to the Association; and

(b) prior to the start of any work under such Part of the Project, undertake the required environmental and social actions under this Agreement, and provide compensation, resettlement and rehabilitation entitlements to the Displaced Persons in accordance with the RAPs and RPF.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each
Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the Association not later than forty five (45) days after the end of the period covered by such report.

B. **Financial Management, Financial Reports and Audits**

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. The Recipient shall prepare and furnish to the Association not later than forty five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09(b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

Section III. **Procurement**

A. **General**

1. **Goods and Works.** All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed one million nine hundred fifty thousand Special Drawing Rights (SDR 1,950,000) may be made for payments made prior to this date but on or after December 17, 2009, for Eligible Expenditures under Categories (1)(a), (1)(b) and (1)(c); and

   (b) under Category (3) unless the Association has received evidence satisfactory to it, that a national and/or provincial state of emergency exists in the Recipient’s territory as a result of a natural disaster which has been declared by a Recipient’s decree and/or provincial Governor decision, as the case may be, in accordance with the Recipient’s legislation.

2. The Closing Date is September 30, 2014.
ANNEX

To

SCHEDULE 2

National Competitive Bidding Procedures

1. Bidding documents and contracts under national competitive bidding procedures financed by the Association shall include a provision requiring suppliers, contractors, and their subcontractors to permit the Association to inspect their accounts and records relating to the bid submission and the performance of the supplier and/or contractor, as the case may be, and to have them audited by auditors appointed by the Association, if so required by the Association. The deliberate and material violation by the supplier, contractor or subcontractor of such provision may amount to obstructive practice.

2. Immediately after completion of the bid opening proceedings, a copy of the bid opening record shall be posted at a prominent location, accessible to the public, outside the office of the concerned procuring entity and shall be retained at the same location until the award of contract has been notified. A copy of the bid opening record shall be provided to all bidders who submitted bids.

3. The Recipient shall publish the following information on contract award on a free or open access website when it becomes operational or on another means of publication acceptable to the Association: (a) name of each bidder who submitted a bid; (b) bid prices as read out at bid opening; (c) name and evaluated price of each bid that was evaluated; (d) name of bidders whose bid were rejected and the reasons for rejection; (e) name of the winning bidder, contract price, explanation if it is different than the bid price as well as the duration and summary scope of the contract awarded; and (f) contract variation orders. This publication shall be updated quarterly.

4. The eligibility of bidders shall be as defined under section I of the Bank’s Guidelines for Procurement under IBRD Loans and IDA Credits, published by the Bank in October 2006; accordingly, a firm or individual previously declared ineligible by the Association based on determination by the Association that this firm or individual has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices shall be declared ineligible to be awarded a contract financed by Association.

5. The Association shall declare a firm or individual ineligible, either indefinitely or for a stated period, to be awarded a contract financed by the Association and the Recipient, if at any time determines that the firm or individual has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, an Association-financed contract.
SCHEDULE 3

Eligible Goods and Civil Works

1. Goods include, *inter alia*, construction materials, such as cement, steel, quarries, gravel, asphalt, pre-cast construction materials and sandbags.

2. Works include, *inter alia*, removing landslides, constructing temporary bypasses, filling collapsed sections, removing trees with diameter over 30 centimeters, and extending culverts.
