SCHEDULE 1

Project Description

The objective of the Project is to contribute to the Recipient’s efforts to ensure an aggregate availability of supply of chemical fertilizers for the 2009-2010 production season adequate to meet smallholder farmers’ priority demands.

The Project consists of the following parts:

1. **Support for Fertilizer Imports**

   Carrying out, as an emergency intervention in response to an extraordinary deterioration of the prevailing conditions for agricultural importation trade, of a targeted program facilitating the continuity of supply of priority agricultural inputs in the Recipient’s domestic economy, through allocation of adequate foreign exchange to eligible fertilizer suppliers, under conditions which ensure adequacy of supply and capability of timely delivery of the two uppermost (in terms of demand) chemical fertilizers (diammonium phosphate and urea) into the Recipient’s domestic distribution system, for application primarily by smallholder farmers during the 2009-2010 growing season as necessary to secure a vital share of the overall estimated demand for such chemical fertilizers in the Recipient’s economy, consisting of approximately 550,000 metric tons aggregate.

2. **Monitoring and evaluation**

   (i) **Monitoring**: strengthening of the existing monitoring and reporting systems within MoARD to provide timely information on the importation and distribution of fertilizers;

   (ii) **Evaluation**: conduct of a survey and analysis by an independent consultant with qualifications, experience and terms of reference satisfactory to the Association, to evaluate the impact of the Project on the farm households; and

   (iii) **Environmental and Social Assessment**: conduct of the environmental and social assessment and preparation of the Environmental and Social Management Plan.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Anti-Corruption

1. The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

2. Without limitation upon the generality of the provisions of paragraph A.1 of this Section I, the Recipient shall take all necessary measures to ensure the inclusion, in contracts between eligible importers and suppliers for the supply and distribution of fertilizers under the Project, of relevant provisions, satisfactory to the Association, adequate to uphold the policies of the Association as set forth in the Anti-Corruption Guidelines, with respect to the prevention of corrupt, fraudulent, coercive, collusive and obstructive practices, including without limitation, as to securing rights to the Association with respect to permitting the Association to inspect accounts and records relating to the Project and to have any such accounts and records audited by, or on behalf of, the Association.

B. Safeguards

1. The Recipient shall carry out an environmental and social assessment and prepare and furnish to the Association, no later than two (2) months after the Effective Date, the Environmental and Social Management Plan, in form and substance satisfactory to the Association.

2. The Recipient shall ensure the implementation of the Project in accordance with the provisions of the Environmental and Social Management Plan, and except as the Association shall otherwise agree, the Recipient shall not amend or waive, or permit to be amended or waived, any provision of the aforementioned.

3. Without limitation upon the provisions of paragraph B.2 of this Section, the Recipient shall ensure adequacy of staff, resources, and facilities to enable MoARD, as the agency responsible for implementation of the Project, to carry out the measures referred to in the Environmental and Social Management Plan in a manner satisfactory to the Association.
Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Project Reports shall be submitted on monthly basis, and shall be furnished to the Association each not later than one (1) month following the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) of this Section II.A.1 consist of the following: (a) the quantity of fertilizer imported and distributed to farmers; (b) the timeliness of import and distribution of fertilizer and complementary inputs to end users; (c) fertilizer application as share of total cultivated areas; and (d) estimates of the costs and contribution of the fertilizer to production and economic welfare.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods. All goods required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.
2. **Consultants’ Services.** All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

**B. Particular Methods of Procurement of Goods**

1. **Modified ICB for imports**

   Imports of DAP and urea required for the Project will be procured through commercial practices, by qualified importers having the required fertilizer trade license issued by the Recipient’s Ministry of Trade and Industry, in accordance with the “General Guideline for the Purchase, Import and Distribution of Fertilizer” dated February 2006 and other procedures established by the Recipient for the purposes of the Project, which procedures and their subsequent modifications have been found acceptable to the Association, and pursuant to the provisions of paragraph 2.66 of the Procurement Guidelines.

2. Without limitation upon the provisions of paragraph 1 of this Section III.B. of this Schedule, the Recipient shall, not later than ten (10) days after each event as follows, submit to the Association:

   (a) a copy of the FFPC review of the evaluation report of the bids from foreign suppliers;

   (b) copies of the contracts signed between domestic importers and foreign suppliers; and

   (c) copies of the contracts signed between importers and importers/distributors on whose behalf the importers act.

**C. Particular Methods of Procurement of Consultants’ Services**

1. **Quality- and Cost-based Selection.** Except as otherwise provided in paragraph 2 below, consultants’ services shall be procured under contracts awarded on the basis of Quality and Cost-based Selection.

2. **Other Methods of Procurement of Consultants’ Services.** The following table specifies methods of procurement, which may be used for consultants’ services.
The Procurement Plan shall specify the circumstances under which such methods may be used.
