SCHEDULE

Execution of the Project

Section I. Institutional and Other Arrangements

1. The Project Implementing Entity shall:
   (a) vest responsibility for the overall management and coordination of the Project in the Board of Revenue; and
   (b) to that end, ensure that the PMU that was established within BOR for purposes of the Project, will be maintained, with functions, staffing and resources satisfactory to the Association, to be responsible for the operational management, coordination, oversight, monitoring and supervision of the Project.

2. The Project Implementing Entity shall vest responsibility for implementation of Part 2 of the Project in PITB and shall ensure that PITB is maintained with staffing and resources adequate for the implementation of Part 2 of the Project. In carrying out its functions under the Project, PITB shall consult with BOR and PMU and shall provide quarterly progress reports to PMU.

3. Except as the Association shall otherwise agree, the Project Implementing Entity shall ensure:
   (a) that the Project will be carried out in accordance with the Financial Management Manual and the Procurement Manual; and
   (b) that the Financial Management Manual and the Procurement Manual will not be amended, varied or waived, if, in the opinion of the Association, such amendment, variation or waiver may materially and adversely affect the carrying out of the Project or the achievement of the objectives thereof.

4. The Project Implementing Entity shall establish a Project Steering Committee (the “Project Steering Committee”) and a Project Review Committee (the “Project Review Committee”) pursuant to terms of reference acceptable to the Association. The Project Steering Committee shall be responsible for providing oversight and inter-institutional coordination for the Project, as well as approving work programs and budgets and monitoring Project implementation progress. The Project Review Committee shall be responsible for overseeing execution, supervision and monitoring of the Project including reviewing annual work programs and budgets for the Project and making recommendations to the Project Steering Committee for approval.
5. The Project Implementing Entity shall, prior to the implementation of the Project in a district:

(i) cause to be established in such district, a District Project Monitoring Group (DPMG) consisting of a district Project Manager and two Project Monitoring Officers as agreed with the Association. The DPMG shall be responsible for monitoring Project implementation effectiveness at the Service Centers and at the Tehsil and Kanungoi levels and submitting quarterly progress reports to the PMU. In carrying out its functions, the DPMG shall report to and coordinate its activities with the executive district officer for revenue in BOR; and

(ii) cause to be entered into, a Memorandum of Understanding between BOR and the district, in form and substance acceptable to the Association, setting out, among other things, the Project rationale, design and implementation plan, the relative roles and responsibilities of the district and provincial governments and a plan for the establishment, financial management and staffing of Service Centers as well as a plan for stakeholder consultation and public awareness of such Service Centers.

Section II. **Project Monitoring, Reporting, Evaluation**

A. **Project Reports**

1. The Project Implementing Entity shall monitor and evaluate the progress of the Project and prepare Project Reports for the Project in accordance with the provisions of Section 4.08(b) of the General Conditions and on the basis of the indicators agreed with the Association. Each such Project Report shall cover the period of one calendar quarter, and shall be furnished to the Recipient not later than forty-five (45) days after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.

2. The Project Implementing Entity shall provide to the Recipient not later than four (4) months after the Closing Date, for incorporation in the report referred to in Section 4.08(c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.

B. **Financial Management, Financial Reports; Audits**

1. The Project Implementing Entity shall maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations and financial condition of the Project Implementing Entity, including the operations, resources and expenditures related to the Project.
2. The Project Implementing Entity shall have its financial statements referred to above audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association. Each audit of these financial statements shall cover the period of one fiscal year of the Project Implementing Entity. The audited financial statements for each period shall be furnished to the Association not later than six (6) months after the end of the period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Schedule.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Credit shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Schedule.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.

B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding.
