3. After the Association has received evidence satisfactory to it that the Special Accounts have been duly opened, withdrawals of the Authorized Allocation and subsequent withdrawals to replenish the Special Accounts shall be made as follows:
(a) For withdrawals of the Authorized Allocation, the Borrower shall furnish to the Association a request or requests for deposit into the Special Account A B, D or E as the case may be, of an amount or amounts which do not exceed the aggregate amount of the respective Authorized Allocation for Special Account A B, D or E as the case may be. All such deposits shall be withdrawn by the Association from the Financing Accounts under the respective eligible Categories, and in the respective equivalent amounts, as shall have been justified by said documents and other evidence.

4. For each payment made by the Borrower out of the respective Special Account, the Borrower shall, at such time as the Association shall reasonably request, furnish to the Association such documents and other evidence showing that such payment was made exclusively for eligible expenditures.

(b) if the Borrower shall have failed to furnish to the Association, within the period of time specified in Section 4.01 (b) (ii) of this Agreement, any of the audit reports

(c) The Borrower may, upon notice to the Association, refund to the Association all or any portion of the funds on deposit in a Special Account.
