Re: FCPF Readiness Fund Grant No.TF0A5722
Third Grant Agreement for Republic of Uganda’s
Additional REDD+ Readiness Preparation Support

Honorable Minister Kasaija:

I wish to refer to the Grant Agreement between Republic of Uganda ("Recipient"), and the International Bank for Reconstruction and Development ("World Bank"), acting as Trustee of the Readiness Fund of the Forest Carbon Partnership Facility ("FCPF"), dated August 25, 2009 ("Readiness Grant Agreement"), pursuant to which the World Bank agreed to provide to the Recipient a grant in an amount not to exceed two hundred thousand United States Dollars (US$200,000) ("Grant") for formulating the Readiness Preparation Proposal ("R-PP") ("R-PP Formulation Installment"). Further, the Recipient and the World Bank entered into a Second Grant Agreement, in the amount of three million six hundred thirty-four thousand United States Dollars (US$3,634,000), dated June 17, 2013, to enable the Recipient to move ahead with preparation for readiness ("Preparation Installment").

The Participants Committee of the FCPF ("PC") has reviewed the request for an additional funding submitted by the Recipient, in accordance with the process as specified in Resolution PC/12/2012/2. Through its Resolution PC/21/2016/1, the PC decided to allocate additional grant funding to the Recipient in the amount of up to three million seven hundred and fifty thousand United States Dollars (US$3,750,000), to enable it to continue with its preparation for readiness, subject to the terms and conditions set out in said Resolution.

In response to the request for financial assistance made on behalf of the Recipient and the decisions of the PC referred above, I am pleased to inform you that the World Bank agrees to extend the Additional Grant in the amount of three million seven hundred fifty thousand United States Dollars (US$3,750,000) on the terms and conditions set forth or referred to in this letter agreement ("Third Grant Agreement"), which includes the attached Annex, to assist in the financing of the Additional Readiness Preparation Activities described in the Annex.

This Additional Grant is funded out of the abovementioned FCPF trust fund for which the World Bank receives periodic contributions from the donors. In accordance with Section 3.02 of the
Standard Conditions (as defined in the Annex to this third Grant Agreement), the World Bank’s payment obligations in connection with this Third Grant Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Additional Grant proceeds is subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Third Grant Agreement and to carry out the Additional Readiness Preparation Activities in accordance with the terms and conditions set forth or referred to in this Third Grant Agreement.

Since the execution of the Readiness Grant Agreement, the Charter Establishing the FCPF ("Charter") has been amended, and the terms and conditions of this Third Grant Agreement are based on the Charter, as so amended. Where there are inconsistencies between the Readiness Grant Agreement, the Second Grant Agreement and this Third Grant Agreement including in the use of terms, the provisions in this Third Grant Agreement shall prevail and deemed to have accordingly amended the provisions of the Readiness Grant Agreement and the Second Grant Agreement to eliminate any such inconsistency.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Third Grant Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned copy, this Third Grant Agreement shall become effective as of the date of the countersignature.

Very truly yours,

INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT
(Acting as Trustee of the Readiness Fund of the Forest Carbon Partnership Facility)

Readiness Activities, and salaries of the Recipient’s contractual staff employed for purposes of the Additional Readiness Preparation Activities (but excluding salaries of civil servants).

(l) “REDD+” means reducing emissions from deforestation and forest degradation, conservation of forest carbon stocks, sustainable management of forest, and enhancement of forest carbon stocks.

(m) “R-Package” means readiness package, which consists of a national multi-stakeholder self-assessment by the country, using the Readiness Package Assessment Framework as guidelines.

(n) “Safeguards Information System” means a system for providing information on how safeguards are addressed and respected throughout the implementation of REDD+ activities.

(o) “Safeguards Instruments” are frameworks prepared on the basis of the SESA under the Additional Readiness Preparation Activities pursuant to Section 2.01 of the Annex to this Agreement.

(p) “SESA” means the strategic environmental and social assessment to be conducted as part of the Readiness process to assess the potential impact from national REDD+ programs and policies, formulate alternatives and mitigation strategies and enhance the decision-making process around the design of the national REDD+ framework.

(q) “Training and Workshops” means the costs associated with training and workshop participation of personnel involved in the implementation of the Additional Readiness Preparation Activities, including travel and subsistence costs for training and workshop participants, costs associated with securing the services of trainers and workshop speakers, rental of training and workshop facilities, preparation and reproduction of training and workshop materials, and other costs directly related to training courses and workshop preparation and implementation.

### Article II

**Execution of the Additional Readiness Preparation Activities**

2.01. *Additional Readiness Preparation Activities Objectives and Description.* The objective of the Additional Readiness Preparation Activities is to design a socially and environmentally viable national strategy for reducing emissions from deforestation and forest degradation as compared to a reference level.

The Additional Readiness Preparation Activities consist of the following parts:

**Part 1: Coordination and Monitoring of REDD+ Readiness Process**

The objective of this component is to continue supporting national level coordination and monitoring of the REDD+ process. This support builds on structures and processes of the current REDD+ processes involving the REDD+ Secretariat and national REDD+ coordination, supervision, stakeholder participation, and preparing Readiness Package (R-Package). The additional FCPF grant will support goods, workshops, training, services, and operational costs for:
(a) Provision of technical assistance to the REDD+ Secretariat for coordinating stakeholder engagement, and providing targeted advice on Emission Reduction Program (ER Program) design, including specific support on safeguards. This support will provide inputs and guidance to all aspects of the national REDD+ program.

(b) Participation in regional/international meetings and a South-South exchange event for learning and sharing experiences and lessons on REDD+.

(c) Coordination of National level supervisions and harmonization processes, including meetings of the coordinating committees and established task forces.

(d) Preparation of the R-Package.

(e) Revisions and update of the M&E Framework for REDD+ to include gender-related indicators.

Part 2: Stakeholder Engagement and Feedback in Readiness Process

The objective of this component is to support broad stakeholder engagement – with a particular focus on implementation of the Uganda REDD+ gender strategy, which include implementation of key actions as identified in the Uganda REDD+ Gender Strategy, foster gender integration in national REDD+ processes, and integrating stakeholder engagement. The additional grant will support goods, workshops, training, services, and operational costs for:

(a) Supporting implementation of key priority activities as identified in the Uganda REDD+ Gender Strategy.

(b) Supporting capacity building and engagement of indigenous peoples in the Albertine region to enable these forest dependent communities for a meaningful engagement and informed participation in REDD+ process.

Part 3: REDD+ Strategy and Strategic Environmental and Social Assessment

The objective of this component is to continue supporting the National REDD+ Strategy process and environmental and social elements of it, and development of the Safeguards Information System for Uganda REDD+ as an integral component of the REDD+ strategy. The additional grant will support goods, workshops, training, services, and operational costs for:

(a) Revising and updating key readiness documents, including Uganda's REDD+ Strategy and Implementation Plan, and finalizing Safeguards Instruments.

(b) The design and establishment of the Safeguards Information System.

Part 4: REDD+ Implementation Framework

The objective of this component is to support the development of design options for the ER Programs nested in the National REDD+ Strategy. The additional grant will support goods, workshops, training, services, and operational costs for:

(a) Designing about two or three landscape level ER Programs in selected landscape, preferably within the Albertine Rift and Mt. Elgon ecosystems.
(b) developing short idea notes to be followed by a complete program to seek potential buyers, including under the emerging REDD+ financing window of the Green Climate Fund.

Part 5: National Reference Scenario and Inventory of Forest Resources

The objective of this component is to refine the National Reference Scenario/ FREL by undertaking analysis to better determine forest degradation levels and establishing and institutionalizing the NFMS as approved by the national REDD+ structures. The additional grant will support goods, workshops, training, services, and operational costs for:

(a) Improving estimations of emissions from forest degradation.

(b) Updating forest inventory and quantify biomass and stock estimates for trees outside “forests”, which include updating the database of inventory data and provision of training to the National Forestry Authority (NFA) and the Uganda Wildlife Authority staff in forest inventory and data analysis.

(c) Institutionalizing the MRV system and its deployment at regional/zonal level – as per the approved design.

(d) Piloting a specific activity for community-led monitoring and integrating community-based data into national MRV systems including, ground trothing of forest inventory land cover changes. It will explore existing community monitoring practices in Uganda, and how these could be beneficial in support of forest co-management, monitoring, benefit sharing, and the design of landscape programs.

2.02. Additional Readiness Preparation Activities Execution Generally. The Recipient declares its commitment to the objectives of the Additional Readiness Preparation Activities. To this end, the Recipient shall carry out the Additional Readiness Preparation Activities through the Recipient’s Ministry of Water and Environment (in particular, its Forestry Sector Support Department) in accordance with the provisions of: (a) Article II of the Standard Conditions; (b) the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants”, dated October 15, 2006 and revised in January 2011 and as of July 1, 2016 (“Anti-Corruption Guidelines”); and (c) this Article II.

2.03. Institutional and Other Arrangements. Without limitation upon the provisions of Section 2.02 above, the Recipient shall ensure that, throughout the period of implementation of the Additional Readiness Preparation Activities, the National Technical Committee and the REDD+ secretariat have assigned staff and resources in adequate number acceptable to the World Bank, in order to carry out the Additional Readiness Preparation Activities; and (b) cause the National Technical Committee to prepare periodic Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions. Each Project Report shall cover such period of six (6) months and shall be furnished to the World Bank not later than one month after the end of the period covered by such report.

2.04. Safeguards. The Recipient shall ensure that: (a) all (i) terms of reference for any technical assistance or studies carried out under the Additional Readiness Preparation Activities; and (ii) frameworks prepared on the basis of the SESA under the Additional Readiness Preparation Activities pursuant to Section 2.01 of the Annex to this Agreement are consistent with, and pay due attention to, the World Bank’s environmental and social safeguards policies, as well as the Recipient’s own laws relating to the environment and social aspects; and (b) in drafting any laws
or regulations under the Readiness Preparation Activities, due attention will be given to said policies and laws.

2.05. **Completion Report.** The Recipient shall prepare and furnish to the World Bank not later than six months after the Closing Date, a Completion Report in accordance with the provision of Section 2.06 of the Standard Conditions.

2.06. **Donor Visibility and Visit.** (a) The Recipient shall take or cause to be taken all such measures as the World Bank may reasonably request to identify publicly the Donors' support for this Additional Readiness Preparation Activities.

(b) For the purposes of Section 2.09 of the Standard Conditions, the Recipient shall, upon the World Bank's request, enable the representatives of the to visit any part of the Recipient's territory for purposes related to this Additional Readiness Preparation Activities.

2.07. **Documents; Records.**

In addition and without limitation to the obligations set forth in Section 2.05 of the Standard Conditions, the Recipient shall ensure that:

(a) all records evidencing expenditures under the Project are retained for seven years and six months after the Closing Date, such records to include: (i) this Agreement, all addenda thereof, and any amendments thereto; (ii) the Recipient's financial and narrative progress reports submitted to the World Bank; (iii) the Recipient's financial information related to the Grant, including audit reports, invoices and payroll records; (iv) the Recipient's implementation documentation (including sub-agreements, procurement files, contracts, purchase orders); and (v) the corresponding supporting evidence referred to in Section 3.04 of the Standard Conditions; and

(b) the representatives of the World Bank are: (i) able to examine all records referred to above in paragraph (a); (ii) provided all such information concerning such records as they may from time to time reasonably request; and (iii) able to disclose such records and information to the Donor.

2.08. **Financial Management.** (a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Additional Readiness Preparation Activities are prepared and furnished to the World Bank not later than forty-five (45) days after the end of each calendar quarter, covering the quarter, in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each audit of the Financial Statements shall cover the period of one (1) fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six (6) months after the end of such period.

2.09. **Procurement**

All goods and consulting services required for the Project and to be financed out of the proceeds of the Additional Grant shall be procured in accordance with the requirements set forth
or referred to in the “World Bank Procurement Regulations for Borrowers under Investment Project Financing” dated July 1, 2016 (“Procurement Regulations”), and the provisions of the Recipient’s procurement plan for the Project (“Procurement Plan”) dated September 06, 2017, provided for under Section IV of the Procurement Regulations, as the same may be updated from time to time in agreement with the World Bank.

Article III
Withdrawal of Additional Grant Proceeds

3.01. **Eligible Expenditures.** The Recipient may withdraw the proceeds of the Additional Grant in accordance with the provisions of: (a) the Standard Conditions; (b) this Section; and (c) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated February 2017, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the following table.
