Dear Mr. Cole,

Re: Trust Fund Administration Agreement between Irish Aid and the International Development Association concerning the Multi-Donor Trust Fund for the Planning and Financial Management Capacity Building Project in Timor-Leste (TF No. 070932)  
Fifth Amendment to the Administration Agreement

We refer to the Administration Agreement dated December 6, 2007, as amended to date, between the International Development Association ("IDA") and Irish Aid, pursuant to which Irish Aid (the "Donor") has agreed to make available as a grant the sum of five million five hundred thousand Euro (€5,500,000), for the Multi-Donor Trust Fund for the Planning and Financial Management Capacity Building Project in Timor-Leste (the "Trust Fund") as lastly amended by letter dated March 19, 2011.

We propose to amend Annex 2 (Standard Provisions Applicable to the Multi-Donor Trust Fund for Planning and Financial Management Capacity Building Project) to the Administration Agreement by: (i) replacing the end disbursement date “April 30, 2012” in Section 8.1 of said Annex by the date “October 30, 2013” and (ii) replacing the words “up to a maximum of US$920,000” in Section 3 (Administrative Cost Recovery) of said Annex by the words “up to a maximum of US$1,770,000”.

This amendment of Annex 2 is being proposed to all donors to the MDTF to be made in their respective trust fund administration agreements. Accordingly, said amendment to Annex 2 shall become effective only upon receipt by IDA of the original letters of amendment, signed by all such donors, of their respective administration agreements.

All the terms and conditions of the Administration Agreement that have not been amended hereby shall remain unchanged and in full force and effect.
It is IDA’s policy to make publicly available the Administration Agreement and any information related thereto, including this amendment letter. By confirming below, the Donor consents to disclosure of this amendment letter.

Sincerely,

INTERNATIONAL DEVELOPMENT ASSOCIATION
