1.3 Responsibility of the Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Generally Accepted Accounting Principles and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or errors.

1.4 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Project’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion. The examination also included such tests as deemed necessary to assess the following.

(a) Whether the systems and controls were adequate from the point of view of internal control so as to ensure a satisfactory control over Project management and the reliability of books, records etc relating to the operations of the Project.
(b) Whether the expenditure shown in the financial statements of the Project had been satisfactorily reconciled with the enhanced financial reports and progress reports maintained by the Project.

(c) Whether adequate accounting records were maintained on a continuing basis to show the expenditure of the Project from the funds of the Government of Sri Lanka and the Lending Agency, the progress of the Project in financial and physical terms, the assets and liabilities arising from the operations of the Project, the identifications of the purchases made out of the Credit and Grant,

(d) Whether the opening and closing balances, withdrawals form and replenishments to the Imprest Fund Account had been truly and fairly disclosed in the books and records maintained by the Project and the balance as at 31 December 2017 had been satisfactorily reconciled with the accounting records of the Central Bank of Sri Lanka as at that date.

(e) Whether the withdrawals under the Credit and Grant had been made in accordance with the specifications laid down in the Financing and Grant Agreements.

(f) Whether the funds, materials and equipment supplied under the Credit and Grant had been utilized for the purposes of the Project.

(g) Whether the expenditure had been correctly identified according to the classification adopted for the implementation of the Project.

(h) Whether the financial statements had been prepared on the basis of Generally Accepted Accounting Principles.

(i) Whether the satisfactory measures had been taken by the management to rectify the issues highlighted in my previous year audit report, and

(j) Whether the financial covenants laid down in the Financing and Grant Agreements had been complied with.
