Execution of the Project Implementing Entity’s Respective Part of the Project

Section I. Institutional and Implementation Arrangements

A. Institutional Arrangements

The Project Implementing Entity shall maintain, throughout the Project implementation period, its organizational structure, staff (including contractors and consultants) in adequate numbers and with the experience, competence and terms of reference, as well as other resources, all satisfactory to the Association and necessary for the implementation of its Respective Part of the Project.

B. Implementation Arrangements

To ensure proper and efficient implementation of its Respective Part of the Project, the Project Implementing Entity shall:

(a) enter into the TRA Subsidiary Agreement with the Recipient, in form and substance satisfactory to the Association, and thereafter comply with its obligations under the TRA Subsidiary Agreement;

(b) cooperate fully with the Recipient and the Association to assure that the purposes of the Financing and the objective of the Project will be accomplished. To that end, the Project Implementing Entity shall: (i) from time to time, at the request of either the Recipient or the Association, exchange views on the Project and the performance of its obligations under this Agreement, and furnish to the Recipient and the Association, as may be relevant, all such information relating to its Respective Part of the Project as they shall reasonably request; and (ii) promptly inform the Recipient and the Association of any condition which interferes with, or threatens to interfere with, such matters;

(c) at all times throughout the Project implementation period, not be subject to a change in its objectives, organizational structure, budget or governance, without prior written consent of the Association, if such action or change has or is reasonably likely to have a material adverse effect on the ability of the Project Implementing Entity to carry out its obligations under its Respective Part of the Project, or any Project related interests of the Association or the Recipient;

(d) throughout the Project implementation period, apply the Telecommunications Act in order to support a competitive ICT sector and promote long term interests of end users of ICT services; and

(e) pursuant to the Telecommunications Act, maintain: (i) licensing rules for communications networks and services; (ii) spectrum licensing rules; and (iii) interconnection and access rules, including wholesale prices and pricing principles to guarantee an open and non-discriminatory access to bottleneck
facilities and the provision of wholesale services, all in a manner satisfactory to the Association.

C. **Environmental and Social Standards**

1. The Project Implementing Entity shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.

2. Without limitation upon paragraph 1 above, the Project Implementing Entity shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan (“ESCP”), in a manner acceptable to the Association. To this end, the Project Implementing Entity shall ensure that:

   (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, and as further specified in the ESCP;

   (b) sufficient funds are available to cover the costs of implementing the ESCP;

   (c) policies, procedures and qualified staff are maintained to enable it to implement the ESCP, as further specified in the ESCP; and

   (d) the ESCP or any provision thereof, is not amended, revised or waived, except as the Association shall otherwise agree in writing, and the Project Implementing Entity has, thereafter, disclosed the revised ESCP.

In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.

3. The Project Implementing Entity shall:

   (a) take all measures necessary on its part to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the management tools and instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, *inter alia*: (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and

   (b) promptly notify the Association of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, in accordance with the ESCP, the instruments referenced therein and the Environmental and Social Standards.
4. The Project Implementing Entity shall maintain and publicize the availability of a grievance mechanism, in form and substance satisfactory to the Association, to hear and determine fairly and in good faith all complaints raised in relation to the Project and take all measures necessary to implement the determinations made by such mechanism in a manner satisfactory to the Association.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Project Implementing Entity shall monitor and evaluate the progress of its Respective Part of the Project and prepare Project Reports for its Respective Part of the Project in accordance with the provisions of Section 5.08 (b) of the General Conditions and on the basis of the indicators acceptable to the Association. Each such Project Report shall cover the period of one calendar semester, and shall be furnished to the Recipient not later than two weeks after the end of the period covered by such report for incorporation and forwarding by the Recipient to the Association of the overall Project Report.

2. The Project Implementing Entity shall provide to the Recipient, not later than two weeks from the date of the respective request, for incorporation in the report referred to in Section 5.08 (c) of the General Conditions all such information as the Recipient or the Association shall reasonably request for the purposes of such Section.
