ENVIRONMENTAL and SOCIAL COMMITMENT PLAN (ESCP)

30 April 2019

The Republic of Djibouti

Expanding Opportunities for Learning (P166059)

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Djibouti (the Borrower) is planning to implement the Expanding Opportunities for Learning Project (P166059) (the **Project**), with the involvement of the Ministry of Education and Vocational Training (*Ministere de l'Education Nationale et de la Formation Professionnelle* (MENFOP)). The International Development Association (hereinafter the Association) has agreed to provide financing for the Project.
2. The Republic of Djibouti will implement material measures and actions so that the Project is implemented in accordance with the World Bank Environmental and Social Standards (**ESSs**). This Environmental and Social Commitment Plan (**ESCP**) sets out a summary of the material measures and actions.
3. Where the ESCP refers to specific plans or other documents, whether they have already been prepared or are to be developed, the ESCP requires compliance with all provisions of such plans or other documents. In particular, the ESCP requires compliance with the provisions set out in the Project's Stakeholder Engagement Plan (SEP), the Environmental and Social Management Framework (ESMF), the Resettlement policy Framework (RPF) and Labor Management Procedures (LMP), the Environmental and social Management Plans (ESMPSs), the Resettlement Action Plans (RAPs) to be developed by the project.
4. The table below summarizes the material measures and actions that are required as well as the timing of the material measures and actions. The Republic of Djibouti is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by the Ministry of Education and Vocational Training (*Ministere de l'Education Nationale et de la Formation Professionnelle* (MENFOP) referenced in 1 above and the Project Implementation Unit (PIU).
5. Implementation of the material measures and actions set out in this ESCP will be monitored and reported to the Association by the Republic of Djibouti as required by the ESCP and the conditions of the legal agreement, and the Association will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
6. As agreed by the Association and the Republic of Djibouti, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, The Republic of Djibouti will agree to the changes with the Association and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Association and the Republic of Djibouti. The Republic of Djibouti will promptly disclose the updated ESCP. Depending on the project, the ESCP may also specify the funding necessary for completion of a measure or action.
7. Where Project changes, unforeseen circumstances, or Project performance result in changes to the risks and impacts during Project implementation, the Republic of Djibouti shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.
