Dear Dr. Byungguk Yang:

We are pleased to acknowledge on behalf of the International Bank for Reconstruction and Development ("IBRD"), as trustee of the Trust Fund for Global Fund to Fight AIDS, Tuberculosis and Malaria (the "Trust Fund"), the intention of the Ministry of Health and Welfare of the Republic of Korea (the "Donor") to make available to the IBRD the sum of two billion two hundred and sixty million South Korean Won (KRW 2,260,000,000) (the "Contribution") as a grant for the Trust Fund. The Donor understands that other donors are also expected to contribute to the Trust Fund.

The Donor understands and agrees that the IBRD shall administer the Contribution in accordance with the terms of the Amended and Restated Trust Fund Agreement dated as of March 7, 2014 between the Global Fund to Fight AIDS, Tuberculosis and Malaria and IBRD as it may be amended from time to time (the "Trust Fund Agreement") and acknowledges that the Donor has received a copy of the Trust Fund Agreement. The Donor also understands and agrees that IBRD may convert the Contribution, in full or in part, into another currency as necessary as instructed by the Global Fund, with any currency gains or losses, including any transaction costs, to be borne by the Trust Fund.

The Donor shall deposit the Contribution into such bank account designated by the IBRD promptly following countersignature by all parties to this Agreement and submission of a payment request by the IBRD.

When making such deposit, the Donor shall instruct its bank to include in its payment details information (remittance advice) field of its SWIFT payment message,
information indicating: the amount paid, that the payment is made by the Donor for MTO No. 069001 (the Global Fund to Fight AIDS, Tuberculosis and Malaria), and the date of the deposit (together, such information, the “Deposit Instruction”). In addition, the Donor shall provide a copy of the Deposit Instruction to the World Bank by e-mail transmitted to gfatmtrustee@worldbank.org.

In the event that The Global Fund is dissolved and there are funds remaining in the Trust Fund account after the payment of all debts and obligations, the IBRD shall refund to the Donor a proportional share of such funds, in a currency that may differ from the currency of this agreement, representing the total of this Contribution compared to all contributions to the Trust Fund to be applied by the Donor to similar objectives to those of the Global Fund.
