SCHEDULE 1

Project Description

The objectives of the Project are to: (i) improve infrastructure and mitigate the negative environmental impact of floods in the Cotonou Agglomeration, and (ii) increase the Recipient’s level of preparedness for future flooding.

The Project consists of the following parts:

Part A. Drainage Improvement and Rehabilitation.

Carrying out a program of activities aimed at rehabilitating and improving selected drainage networks in targeted areas in the Recipient’s municipalities of Cotonou, Porto-Nov, Ouidah, Abomey-Calavi and Seme-Podji; such program of rehabilitation and improvements, include calibrating, cleaning, grading, and expanding selected drains and channels as well as drainage master plans for the Recipient’s plateau of Abomey, and the municipalities of Ouidah, Abomey-Calavi, Seme-Podji and Porto-Nov.

Part B. Municipal Solid Waste Management.

Carrying out a program of activities in targeted areas in the Recipient’s territory aimed at improving the collection, transport and disposal of municipal solid wastes; such program includes:

(i) the construction of additional collection points in the Recipient’s municipalities of Abomey-Calavi and Ouidah, and transfer stations in the Recipient’s municipalities of Seme-Podji and Abomey-Calavi, as well as the purchase of SWM transportation equipment in said municipalities to assist in the transportation of waste from the collection points or transfer stations to the nearest landfill facility; and

(ii) the carrying out of a financing study on the SWM chain and PPP in the Recipient’s municipality of Cotonou, and a harmonized SWM master plan covering the Recipient’s municipalities of Cotonou, Abomey-Calavi, Ouidah, Seme-Podji and Porto-Nov.

Part C. Improved Wastewater Management and Sanitation.

Carrying out a program of activities aimed at developing an appropriate institutional and regulatory framework for the effective and sustainable management of municipal wastewater in the Recipient’s territory.
Part D. Flooding and Disaster Risk Preparedness and Management.

Carrying out a program of activities aimed at increasing the level of preparedness in the Recipient’s territory for addressing future flooding and to strengthen the capacity of selected institutions involved in flood and disaster risk management; such program includes:

(i) an institutional capacity strengthening and a feasibility and technical study for an operational flood warning early system;

(ii) technical studies for selected sites between Hillaccondji, Grand-Popo and Cotonou on urban coastal management; and

(iii) a communication and sensitization campaign on coastal contingency plans and emergency preparedness.

Part E. Project Management.

Supporting the overall management of the Project, including the development and operationalization of a monitoring and evaluation system as well as supporting the Project’s fiduciary capacity (environmental and social safeguards, procurement and financial management, technical and financial audits).
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

The Recipient shall, throughout the implementation of the Project, maintain the following implementation and coordination arrangements:

(1) The MUHS shall be responsible for the overall supervision of the Project.

(2) Inter-ministerial Steering Committee.
   
   (a) The Recipient shall maintain the inter-ministerial steering committee (the “Steering Committee”) with functions and resources satisfactory to the Association.
   
   (b) Without limitation to the provisions of paragraph (a) above, the Steering Committee shall be responsible for, *inter alia*, overall guidance and review of Project implementation progress and will support the MUHS in the coordination among other ministries, municipal authorities, and agencies involved with Project implementation.
   
   (c) Without limitation to the provisions of paragraph (a) above, the Steering Committee shall be headed by the minister of the MUHS and include representatives from the MoE, ministries in charge of water and energy; interior; development; finance; decentralization; and health, as well as representatives from the participating municipalities.

(3) Project Management Unit.
   
   (a) The Recipient shall maintain a Project management unit (“Project Management Unit” or “PMU”), throughout the implementation of the Project, with staff, functions and resources satisfactory to the Association.
   
   (b) Without limitation to the provisions of paragraph (a) above, the PMU shall be responsible for, *inter alia*: (i) acting as technical secretariat for the Steering Committee (e.g., analyze the Project activity reports and summarize recommendations coming from financing institutions); and (ii) overall Project implementation coordination by: (1) monitoring and evaluating the work performed by the Delegated Contract Managers; (2) preparing consolidated technical and financial Project reports; and (3)
ensuring that the lessons and skills derived from Project implementation are disseminated to the MUHS.

(c) Without limitation to the provisions of paragraph (a) above, the PMU shall be headed by a Project coordinator, who shall be assisted by a team comprised of, *inter alia*: (i) a civil works specialist; (ii) a monitoring and evaluation specialist; (iii) a communications specialist; (iv) a technical studies specialist; (v) an environment and social safeguards specialist; and (vi) a flood and disaster risk management specialist, each in accordance with the provisions of Section III of this Schedule 2 to this Agreement.

(4) Municipalities and Relevant Ministries.

The Recipient shall:

(a) ensure, before June 10, 2015 that the memoranda of understanding (*protocoles d'accord*) between MUHS and each of: (i) the MoE; (ii) the Recipient’s Ministry in charge of water; (iii) the Recipient’s Ministry in charge of public security; (iv) the Recipient’s City of Cotonou; (v) the Recipient’s Municipality of Abomey-Calavi; (vi) the Recipient’s Municipality of Seme-Podji; (vii) the Recipient’s City of Porto-Novo; and (viii) the Recipient’s municipality of Ouidah; (each a “Memorandum of Understanding”, and together the "Memoranda of Understanding"), are amended, as may be needed, or executed, to ensure ownership among the Recipient’s relevant ministries and municipalities and effective implementation of the Project, and

(b) thereafter maintain these Memoranda of Understanding for the duration of the Project.

B. Delegated Contract Management

1. To facilitate the implementation of the Project, the Recipient shall no later than 15 days after the Effective Date, execute and thereafter maintain throughout the implementation of the Project, the following agreements:

(a) the delegated contract management agreement (the “Service Operator Agreement”) in form and substance satisfactory to the Association with a service operator (the “Service Operator”) selected in accordance with Section III of Schedule 2 to this Agreement, pursuant to which the Service Operator shall be responsible for, *inter alia*, the implementation of Parts B(i), B(ii), D and E of the Project, including the carrying out of the procurement, financial management and technical management under the Project; and
(b) the delegated contract management agreement (the "Technical Operator Agreement") in form and substance satisfactory to the Association with a technical operator (the "Technical Operator") selected in accordance with Section III of Schedule 2 to this Agreement, pursuant to which the Technical Operator shall be responsible for, inter alia, the implementation of Parts A and B(i) of the Project, including the carrying out of the procurement, financial management and technical management under the Project.

2. The Technical Operator Agreement and the Service Operator Agreement (collectively referred to as the "Delegated Contract Management Agreements") shall each include the following provisions:

(a) the obligation of the Technical Operator and the Service Operator, respectively, to:

(i) carry out its activities under the Delegated Contract Management Agreement to which it is a party with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental and social standards and practices satisfactory to the Association, including, without limitation to the generality of the foregoing, in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of Financing proceeds other than the Recipient and in accordance with the relevant provisions of the PIM;

(ii) maintain policies and procedures, which are adequate to enable it to monitor and evaluate in accordance with indicators acceptable to the Association, the progress of the activities carried out under the Delegated Contract Management Agreement to which it is a party;

(iii) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations, resources and expenditures related to activities carried out under the Delegated Contract Management Agreement to which it is a party; and

(iv) amend, no later than four (4) months after the Effective Date, the contract of the external auditor in accordance with the provisions of Section III of this Schedule 2 to this Agreement.

(b) the right of the Recipient and the Association to:
(i) request an audit of the financial statements of the activities carried out under the relevant Delegated Contract Management Agreement by independent auditors acceptable to the Association in accordance with consistently applied auditing standards acceptable to the Association and the prompt transmission of the financial statements as so audited to the Recipient and the Association;

(ii) inspect the activities carried out under the relevant Delegated Contract Management Agreement, and any relevant records and documents; and

(iii) obtain all such information as the Recipient or the Association shall reasonably request relating to the foregoing to be prepared and furnished to the Recipient and the Association.

3. The Recipient shall exercise its rights under each Delegated Contract Management Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive any Delegated Contract Management Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Project Implementation Manual

1. The Recipient shall update, no later than one month after the Effective Date, the Project Implementation Manual for the Original Project and thereafter implement the Project in accordance with said Project Implementation Manual; provided, however, that, in the event of any conflict between the provisions of the PIM and those of this Agreement, this Agreement shall prevail.

2. Except as the Association shall otherwise agree, the Recipient shall not amend, waive or otherwise modify the PIM (or any provision thereof) if, in the opinion of the Association, such amendment, waiver or other modification may materially and adversely affect the implementation of the Project.

E. Safeguards

1. The Recipient shall:
 Maintain the ESMF and the RPF, not amend said Safeguard Documents without the prior written approval of the Association and implement the Project in accordance with said Safeguard Documents;

(ii) prior to commencing any activities under Parts A, and B(i) of the Project (including commencing any procurement processes relating thereto), adopt and publicly disclose the relevant EMP and RAP, and thereafter implement the Project in accordance with the guidelines, procedures, timetables and other specifications set forth therein.

2. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall regularly collect, compile and submit to the Association, in accordance with Section II of this Schedule 2 to this Agreement, reports on the status of compliance with the Safeguard Documents, giving details of:

(a) measures taken in furtherance of the Safeguard Documents;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the Safeguard Documents; and

(c) remedial measures taken or required to be taken to address such conditions.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of indicators acceptable to the Association and set forth in the PIM. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than forty-five (45) days after the end of the period covered by such report.

2. For purposes of Section 4.08(c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than six months after the Closing Date.

B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association as part of the Project Report, interim
unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

4. The Recipient shall, and shall cause each of the Technical Operator and the Service Operator, to hire no later than four (4) months after the Effective Date, the external auditor in accordance with the provisions of Section III of this Schedule 2 to this Agreement.

Section III. Procurement

A. General

1. Goods, Works and Non-consulting Services. All goods, works and non-consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
