SCHEDULE 1

Project Description

The objectives of the Project are to (i) increase the utilization of the community-driven development approach, and (ii) improve access for the poorest communities to basic social and financial services, in the Recipient’s territory.

The Project consists of the following parts:

Part A: Capacity Building for Ministries, Decentralized Local Governments, and Local Communities to Implement Community-Driven Development Activities

1. Strengthening of the institutional capacities of the public sector, at the central and local levels, to develop and implement community-driven development strategy, policies and program through:

   (a) elaboration of the community-driven development strategy and policies, and the preparation of the related legal framework, through: (i) the provision of technical advisory services to CNDCC and selected ministries; (ii) the provision of training to the staff of CNDCC and selected ministries for, _inter alia_, monitoring and evaluation of community-driven development programs; and (iii) carrying out national and regional workshops to discuss community-driven development issues and Project implementation; and

   (b) strengthening of the institutional and technical capacities of selected ministries to implement community-driven development activities, through: (i) the provision of technical advisory services to such ministries to realign their activities with decentralization; (ii) the preparation of a tool-kit for each such ministry for the information of Communes and local communities regarding norms and standards in the sectors covered by such ministries, and standard documentation for community-driven development activities in such sectors; and (iii) the provision of training to the staff of such ministries at the national and decentralized levels in, _inter alia_, the following subject matters: elaboration of operational plans for decentralization of the selected ministries in line with community-driven development approach, participation in the participatory process of community-driven development approach by Communes and local communities, and technical advisory services to be provided by the sector ministries to Communes and local communities regarding community-driven development.
2. Strengthening the technical capacities of selected Communes to implement community-driven development activities at the local (Communes and villages) level through the provision of technical advisory services, and the provision of training to the elected officials and the communal staff, including the carrying out of workshops and study tours.

3. Strengthening the technical capacities of local communities to plan and implement subprojects within the CDPs through:

   (a) implementation of a grass-roots management training program, consisting of: (i) the provision of technical advisory services to targeted communities by professional trainers and/or field workers to prepare a training package to develop the skills of local communities to implement community-driven activities; (ii) the preparation, production and acquisition of training materials; (iii) the carrying out, by the trainers, of training of targeted local communities; and (iv) the carrying out of study tours;

   (b) supporting the preparation and implementation of subprojects by local communities through the provision of technical advisory services by Technical Support Agencies as needed;

   (c) implementation of an advocacy training program to reach the most vulnerable groups, through: (i) the provision of technical advisory services to prepare the program and elaborate specific proposals; (ii) the carrying out of workshops to build consensus and share information among vulnerable groups; (iii) the carrying of study tours; and (iv) the provision of technical advisory services to implement the proposals; and

   (d) ex-post evaluation of the activities to be carried out under the sub-paragraphs (a), (b) and (c) above, through the provision of technical advisory services and the carrying out of workshops.

4. Strengthening the technical capacities at all levels to provide analysis on, monitoring and evaluation of, and communication on, the activities to be carried out under the Project, through:

   (a) monitoring and evaluation of the activities to be carried out under the Project, through: (i) the provision of training to selected ministries, relevant Communes and local communities regarding the importance of having and using a monitoring and evaluation system, including data-gathering, analysis and self-evaluation; (ii) the acquisition of a comprehensive information system for data processing for PES, and the acquisition of information system equipment for selected ministries and Communes; (iii) the provision of technical advisory services to PES for
the creation of a database regarding the monitoring and evaluation activities under the Project, the carrying out of beneficiary assessment surveys before the Project midterm review and Project end, and the dissemination of data to all stakeholders; and (iv) the carrying out of workshops; and

(b) preparation and implementation of a communication strategy regarding the activities implemented under the Project, through the provision of technical advisory services to PES, the carrying out of workshops, the provision of training to the staff of selected ministries, and relevant Communes and local communities, and the acquisition and dissemination of information materials.

Part B: Improving Access of the Poor to Basic Services and Infrastructure

1. Provision of Communal Grants to Communal Beneficiaries for the financing of Subprojects to support development at the Commune level by addressing multi-village issues, including, inter alia, the financing of nursery and primary education activities other than construction, Arrondissement health posts, small-scale water management schemes including Small Dams, water networks and inter-village rural roads to be used by several villages within the territory of the Communal Beneficiaries.

2. Provision of Local Community Grants to Local Community Beneficiaries for the financing of Subprojects to support development addressing local community issues, including, inter alia, the financing of nursery and primary school facilities, village health posts, small-scale water management schemes, including Small Dams, connections to water networks, wells, and village-connecting rural local roads.

Part C: Improving Access of the Poor to Financial Services for Income-Generating Activities

1. Provision of Microfinance Grants to Microfinance Beneficiaries for the financing of Subprojects to improve their capacities to provide financial products and services to poor communities, including, inter alia, the financing of the costs incurred by the Microfinance Beneficiaries in connection with the decentralization of their activities, the training provided by the Microfinance Beneficiaries to local communities, and the provision of technical advisory services to the Microfinance Beneficiaries.

2. Provision of Advisory Service Grants to Local Community Beneficiaries for the financing of Subprojects, consisting in the provision of technical advisory services to strengthen the technical capacities of the Local Community Beneficiaries to improve existing income-generating activities or to engage in
new income-generating activities with the possible financial support provided by microfinance institutions.

**Part D: Support to Project Management**

1. Supporting the PES’s Project management through the provision of technical advisory services, *inter alia*, by FA, the rehabilitation of offices, and the acquisition of equipment and vehicles.

2. Supporting the implementation of the Environmental and Social Management Framework and the Resettlement Policy Framework, through: (a) the provision of training to the relevant ministries, Communes and local communities; and (b) the provision of technical advisory services for the preparation of the environmental assessments for the Subprojects to be carried out under Part B of the Project.

3. Carrying out financial and technical audits of the Project, CNDCC, and PES, through the provision of technical advisory services.

**Part E: Technical Assistance for Development of an Efficient Social Safety Net System**

1. Carrying out of a technical assistance program to strengthen the Recipient’s Social Safety Nets; such program to include (i) review of the existing Social Safety Nets; (ii) review the Recipient’s needs in terms of Social Safety Nets, update information on possible target groups for Social Safety Nets, and define appropriate instruments for each such target group; (iii) preparation of an action plan to improve the cost-effectiveness of existing Social Safety Nets and assist with the development of new Social Safety Nets.

2. Carrying out of a technical assistance program to develop a Cash Transfer Program in the Recipient’s territory; such program to include (i) feasibility studies specifying design parameters for a Cash Transfer Program (i.e., potential coverage, benefit levels, methods of targeting, monitoring and evaluation mechanisms, etc.); (ii) studies/assessments on an appropriate implementation arrangement for such Cash Transfer Program, including institutions involved in the implementation of the potential pilot program; and (iii) development of a staff capacity building plan for the proper management and administration of the potential Cash Transfer Program.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. General Institutional and Implementation Arrangements

The provisions of Schedule 4 to the Original Financing Agreement (including defined terms therein, unless otherwise defined herein) shall apply to this Agreement, *mutatis mutandis*.

B. Anti-Corruption

Section III. Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

   “(b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

   “(a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn 13) a Borrower (other than a Member Country) (fn 14) or an individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn 15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”
Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”

“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
