REPUBLIC OF MOZAMBIQUE: Cities and Climate Change Project
(Strategic Climate Fund-Pilot Program for Resilience Loan No. TFJ16486-MZ)
Amendment to the Loan Agreement

Excellency:

We refer to the Loan Agreement (the “Agreement”) dated November 18, 2014, between the Republic of Mozambique (“the Borrower”) and the International Development Association (“the World Bank”) acting as an implementing entity of the Strategic Climate Fund-Pilot Program for Climate Resilience (SCF-PPCR) for the above mentioned Project (the “Project.”).

We are hereby informing you that, due to an oversight, two dates in the Repayment Schedule in Schedule 3 to the Agreement have been mistakenly reflected as follows, where it says “... commencing January 15, 2015” it should read “... January 15, 2025...” and where it says “commencing January 15, 2034...” it should say “... January 15, 2035...”. Therefore, the World Bank proposes to amend Schedule 3 (Repayment Schedule) to the Agreement as reflected in the Annex to this letter which replaces entirely the Repayment Schedule.

Please indicate your agreement with the foregoing amendment to the Agreement on behalf of the Borrower by countersigning and dating the two original copies of this letter and returning one countersigned original to us. Upon receipt by the World Bank of this countersigned copy, this amendment shall become effective as of the date of your countersignature.

Sincerely,

Mark R. Lundell
Country Director for Mozambique
Africa Region
