Re: Fiji: GFDRR Grant for Integrated Flood Management in the  
Pacific: Nadi Flood Pilot  
GFDRR Grant No. TF097654  

Dear Dr. Rodgers:

In response to the request for financial assistance made on behalf of the Secretariat of the Pacific Community (“SPC” or “Recipient”), I am pleased to inform you that the International Bank for Reconstruction and Development and International Development Association (“World Bank”), acting as administrator of grant funds provided by various donors under the Global Facility for Disaster Reduction and Recovery (“GFDRR”) Trust Fund, proposes to extend to the Recipient for the benefit of the Republic of Fiji (“Member Country”), a grant in an amount not to exceed eight hundred thirty thousand United States Dollars (U.S.$830,000) (“Grant”) on the terms and conditions set forth or referred to in this letter agreement (“Agreement”), which includes the attached Annex, to assist in the financing of the project described in the Annex (“Project”). This Grant is funded out of the abovementioned Trust Fund for which the World Bank receives periodic contributions. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the Recipient may withdraw the Grant proceeds subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Project in accordance with the terms and conditions set forth or referred to in this Agreement.

Please confirm the Recipient’s agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed original of this Agreement, and returning it to the World Bank. Upon receipt by the World Bank of this countersigned original, this Agreement shall become effective as of the date of the countersignature; provided, however, that the offer of this Agreement shall be deemed withdrawn if the World Bank has not received
the countersigned original of this Agreement within thirty (30) days after the date of signature of this Agreement by the World Bank, unless the World Bank shall have established a later date for such purpose.

Article I

Standard Conditions; Definitions

1.02. Definitions. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in this Agreement.

Article II

Project Execution

2.01. Project Objectives and Description. The objective of the Project is to pilot an integrated flood management approach in the Nadi basin as a measure to reduce disaster risk that can be replicated in other watersheds in Fiji and other Pacific countries.

The Project consists of the following parts and activities:

Part 1. Institutional Strengthening of Flood Forecasting and Warning Systems

Provision of technical assistance for the development of standard operating procedures for coordination, monitoring and response to flood events, including data collection, management and dissemination, and integration of the flood forecasting and warning system within the institutional arrangements of the dedicated agencies, including capacity development through mentoring and training.

Part 2. Flood Risk Assessment and Identification of Mitigation Measures and Dissemination

Carrying out flood risk assessment, including baseline data collection of sufficient quality, to develop local level flood risk modeling and identify and disseminate the most appropriate flood mitigation measures.

Provision of technical assistance and training activities in flood management for the development and strengthening of the policy, institutional and regulatory framework that support integrated flood management.

2.02. Project Execution Generally. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall carry out the Project through its Applied Geosciences and Technology Division - SOPAC (“Project Implementing Entity”), in accordance with the provisions of: (a) Article II of the Standard Conditions; (b) the “Guidelines on Preventing and Combating Fraud and Corruption in Projects Financed by IBRD Loans and IDA Credits and Grants”, dated October 15, 2006 (“Anti-Corruption Guidelines”), with the modifications set forth in the Appendix to this Agreement; and (c) this Article II.
2.03. **Donor Visibility and Visit.** (a) The Recipient shall take or cause to be taken all such measures as the World Bank may reasonably request to identify publicly the Donors’ support for the Project.

(b) For the purposes of Section 2.09 of the Standard Conditions, the Recipient shall, upon the World Bank’s request, take all measures required on its part to enable the representatives of the Donor(s) to visit any part of the Member Country’s territory for purposes related to the Project.

2.04. **Project Monitoring, Reporting and Evaluation.** (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard Conditions and on the basis of the indicators set forth below in paragraph (b) of this Section. Each Project Report shall cover the period of one (1) calendar semester, and shall be furnished to the World Bank not later than one (1) month after the end of the period covered by such report.

(b) The performance indicators referred to above in paragraph (a) consist of the following:

(i) delivery and adoption of standard operating procedures for flood warning services;

(ii) delivery and use of high-resolution topography model for the low-lying areas of Nadi;

(iii) use of a 2D flood inundation model and flood hazard and risk maps to recommend flood mitigation measures and dissemination of the methodology to the Pacific region; and

(iv) development and dissemination of integrated flood management policy documents outlining strategies and action plan.

(c) The Recipient shall prepare the Completion Report in accordance with the provisions of Section 2.06 of the Standard Conditions. The Completion Report shall be furnished to the World Bank not later than six (6) months after the Closing Date.

2.05. **Financial Management.** (a) The Recipient shall ensure that a financial management system is maintained in accordance with the provisions of Section 2.07 of the Standard Conditions.

(b) The Recipient shall ensure that interim unaudited financial reports for the Project are prepared and furnished to the World Bank not later than forty five (45) days after the end of each calendar semester, covering the six (6) month period in form and substance satisfactory to the World Bank.

(c) The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Such audit of the Financial Statements shall cover the entire period during which withdrawals from the Grant Account were made. The audited Financial Statements for such period shall be furnished to the World Bank not later than
six (6) months after the end of the Project. The Recipient shall make the audit report publicly available in a manner acceptable to the World Bank.

2.06. **Procurement**

(a) **General.** All goods and services required for the Project and to be financed out of the proceeds of the Grant shall be procured in accordance with the requirements set forth or referred to in:

(i) Section I of the “Guidelines: Procurement under IBRD Loans and IDA Credits” published by the World Bank in May 2004 and revised in October 2006 and May 2010 ("Procurement Guidelines"), in the case of goods and works;

(ii) Sections I and IV of the “Guidelines: Selection and Employment of Consultants by World Bank Borrowers” published by the World Bank in May 2004 and revised in October 2006 and May 2010 (“Consultant Guidelines”) in the case of consultants’ services; and

(iii) the provisions of this Section, as the same shall be elaborated in the procurement plan prepared and updated from time to time by the Recipient for the Project in accordance with paragraph 1.16 of the Procurement Guidelines and paragraph 1.24 of the Consultant Guidelines ("Procurement Plan").

(b) **Definitions.** The capitalized terms used in the following paragraphs of this Section to describe particular procurement methods or methods of review by the World Bank of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or the Consultant Guidelines, as the case may be.

(c) **Particular Methods of Procurement of Goods**

(i) Except as otherwise provided in sub-paragraph (ii) below, goods shall be procured under contracts awarded on the basis of International Competitive Bidding.

(ii) The following method, other than International Competitive Bidding, may be used for procurement of goods for those contracts specified in the Procurement Plan: (A) Shopping and (B) Direct Contracting.

(d) **Particular Methods of Procurement of Consultants’ Services**

(i) Except as otherwise provided in item (ii) below, consultants’ services shall be procured under contracts awarded on the basis of Quality- and Cost-based Selection.

(ii) The following methods may be used for the procurement of consultants’ services for those assignments which are specified in the Procurement Plan: (A) Selection based on Consultants’ Qualifications; and (B) Selection of Individual Consultants.

(e) **Review by the World Bank of Procurement Decisions.** The Procurement Plan shall set forth those contracts which shall be subject to the World Bank’s Prior Review. All other contracts shall be subject to Post Review by the World Bank.
3.01. **Eligible Expenditures.** The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of: (a) the Standard Conditions; (b) this Section; and (c) such additional instructions as the World Bank may specify by notice to the Recipient (including the “World Bank Disbursement Guidelines for Projects” dated May 2006, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the following table. The table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Grant (“Category”), the allocations of the amounts of the Grant to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

<table>
<thead>

APPENDIX

Modifications to the Anti-Corruption Guidelines

The modifications to the Anti-Corruption Guidelines are as follows:

1. Section 5 is re-numbered as Section 5(a) and a new Section 5(b) is added to read as follows:

“…(b) These Guidelines also provide for the sanctions and related actions to be imposed by the Bank on Borrowers (other than the Member Country) and all other individuals or entities who are recipients of Loan proceeds, in the event that the Borrower or the individual or entity has been debarred by another financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

2. Section 11(a) is modified to read as follows:

“… (a) sanction in accordance with prevailing Bank’s sanctions policies and procedures (fn13) a Borrower (other than a Member Country) (fn 14) or an individual or entity, including (but not limited to) declaring such Borrower, individual or entity ineligible publicly, either indefinitely or for a stated period of time: (i) to be awarded a Bank-financed contract; (ii) to benefit from a Bank-financed contract, financially or otherwise, for example as a sub-contractor; and (iii) to otherwise participate in the preparation or implementation of the project or any other project financed, in whole or in part, by the Bank, if at any time the Bank determines (fn 15) that such Borrower, individual or entity has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in connection with the use of loan proceeds, or if another financier with which the Bank has entered into an agreement for the mutual enforcement of debarment decisions has declared such person or entity ineligible to receive proceeds of financings made by such financier or otherwise to participate in the preparation or implementation of any project financed in whole or in part by such financier as a result of a determination by such financier that the Borrower or the individual or entity has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

Footnotes:

“13. An individual or entity may be declared ineligible to be awarded a Bank financed contract upon completion of sanctions proceedings pursuant to the Bank’s sanctions policies and procedures, or under the procedures of temporary suspension or early temporary suspension in connection with an ongoing sanctions proceeding, or following a sanction by another financier with whom the Bank has entered into a cross debarment agreement, as a result of a determination by such financier that the firm or individual has engaged in fraudulent, corrupt, coercive or collusive practices in connection with the use of the proceeds of a financing made by such financier.”

“14. Member Country includes officials and employees of the national government or of any of its political or administrative subdivisions, and government owned enterprises and agencies that are not eligible to bid under paragraph 1.8(b) of the Procurement Guidelines or participate under paragraph 1.11(c) of the Consultant Guidelines.”
“15. The Bank has established a Sanctions Board, and related procedures, for the purpose of making such determinations. The procedures of the Sanctions Board sets forth the full set of sanctions available to the Bank. In addition, the Bank has adopted an internal protocol outlining the process to be followed in implementing debarments by other financiers, and explaining how cross-debarments will be posted on the Bank’s website and otherwise be made known to staff and other stakeholders.”
