

PNG Resource Governance Coalition is the umbrella civil society organization that coordinates PNG's civil society participation in the implementation of the Extractive Industries Transparency Initiative (EITI).

The PNGRGC Strategic Plan 2016-2017 is aligned to the Pillars of the global coalition of civil society organizations associated with the EITI under the auspices of Publish What You Pay.

This Plan however reflects the needs of PNG Civil Society and the capacity of PNGRGC to meet some of those needs.

Areas of focus (please add a sentence or two to describe the main area of focus and why the coalition deems them relevant): These are two main areas with the following overall objectives:

- I. Enhancing transparency and accountability in the EI in PNG
 - a. Supporting the implementation of the EITI in PNG
 - b. Going beyond the EITI requirements
 - c. Supporting CS role in the implementation of other transparency initiatives: the OGP
- II. Strengthening of the Coalition
 - a. Building the capacity of the coalition members
 - b. Enhancing the governance structure of the coalition
 - c. Establishing a communication strategy
 - d. Diversifying sources of funding for the coalition

GOAL: Enhancing transparency and accountability in the EI in PNG				
OBJECTIVE	Activities	Expected outcomes	Who from the coalition	Timeframe
Supporting the implementation of the EITI in PNG	-Setting up a communication plan between civil society reps on the MSG and the wider CS			

	<ul style="list-style-type: none"> -Regular discussion of MSG agenda and with agreement on CS stance on issues prior to MSG meetings Increasing regional CS representation on the MSG -Dissemination of information from the EITi report: (Infographics, photobooks from extractive areas related to points addressed in the recommendations, eg: environmental damage photos,..) -3 radio shows engagements 			
Going beyond the EITI requirements	<ul style="list-style-type: none"> -Produce recommendations for the next EITi 2014 report that demand the inclusion of environmental information, and contract disclosure. 			
Supporting CS role in the implementation of other transparency initiatives: the OGP	<ul style="list-style-type: none"> -Give input on the National action Plan of the OGP through the CS group (Wallis, Paul, Martyn, Emily, ecoforestry) -Monitor the implementation of the NAP and present recommendations to the annual IRM (evaluation report for the OGP produced annually by PNG). 			
Enhance communication amongst civil society representatives and teh wider cs	<ul style="list-style-type: none"> -Write a communication plan for CS reps on the MSG and the wider CS.(regular updates, meetings, creation of email list..etc) 			
Raising awareness around the EITI	<ul style="list-style-type: none"> -Engage the academia and youth through targeted seminars at the universities to explain about the EITI, contract disclosure, revenue management, sharing. 			
Support contract disclosure in PNG	<ul style="list-style-type: none"> -Perform a mapping of allies and advocacy plan. -Meet with primary targets 			

	<ul style="list-style-type: none"> -Set up joint meetings with National EITI secretariat and Chamber of Mines. -Lobby with some MPs to set up an energy committee. -Commission an investigative piece about agreements that are already accessible to the public, while pointing out why it is beneficial to the government and companies to publish these agreements. 			
GOAL: Strengthening the PNGRGC				
OBJECTIVE	ACTIVITIES	Expected outcomes	Who from the coalition	Timeframe
Building the capacity of the coalition members	<ul style="list-style-type: none"> -Participating in the NRG Hub in Indonesia -Produce a position paper on revenue sharing at the subnational level -Invite experts from PNG (become friends of the coalition) to hold subject specific seminars (2 seminars). 			
Enhancing the governance structure of the coalition	<ul style="list-style-type: none"> -Draft a code of conduct for CS representation on the MSG -Run council elections and select the executive board members as per the coalition charter -Do a connections mapping exercise for the coalition members 			
Diversifying sources of funding for the coalition	<ul style="list-style-type: none"> -Map out the potential donors and plan an outreach strategy -Draft a proposal for the donors and submit
