SCHEDULE 1

Project Description

The objectives of the Project are to improve the quality of water and wastewater services in the Service Area of the Project Implementing Entity by providing efficient and sustainable water and wastewater services and strengthening the capacity and sustainability of Project Implementing Entity.

The Project consists of the Original Project with the modification set forth below:

Part A: Project Implementing Entity Management Strengthening

1. Management Services

   Supporting the improvement of the operation of the water supply and wastewater system in Service Area of the Project Implementing Entity by providing the financing for the continuation of a contract for an international management contractor that would, inter alia, improve the administration, operation and maintenance of Project Implementing Entity, conduct annual audits (including financial) of the Project Implementing Entity and the management contractor, and conduct training and ensure optimal use of its investment funds.

2. Strengthening the Contract Management Unit

   Assisting the Contract Management Unit (CMU) to monitor and supervise project implementation through the provision of consultants’ services for, inter alia, conducting annual audits (including financial) of the CMU and providing the CMU with needed equipment, including vehicles.

3. Future Private Sector Participation

   Provision of consultants’ services to prepare a strategy and an implementation plan for a lease contract for the Service Area of the Project Implementing Entity.

Part B: Project Implementing Entity Investments

1. Strengthening the Capacity of the Project Implementing Entity

   Supplying office equipment (including for communication), computer hardware, software and vehicles to Project Implementing Entity, including spare parts, machinery,
tools, and equipment for operations and providing consultants’ services to conduct fixed assets inventory valuation of the Project Implementing Entity.

2. Improvement of a Central Training Facility

   Improvement and provision of equipment for a central training and pre-qualification facility and assisting the facility to develop and implement training programs.

3. Rehabilitation of Laboratories

   Rehabilitation and provision of equipment for chemical and biological laboratories for analyzing water abstracted and distributed to consumers.

4. Strengthening the Capacity of Condominiums

   Installation of meters on block apartment buildings and apartments to assess water flow losses in distribution and intra-block networks with accuracy, internal network repairs, and developing a condominium investment program associated with water and wastewater services for the Recipient.

5. Operating Expenses

   Provision of spare parts, materials, consumables and other accessories for the day-to-day operation and maintenance of the Project Implementing Entity water and wastewater systems.

Part C: Investments in Branch Systems

1. Investment Program

   Provision of works, goods and consultants’ services for: (a) the procurement and replacement of deteriorated treatment and chlorination equipment, pressure loggers, pipes and fittings, water meters and meter chambers; and (b) rehabilitation of pumping stations.

2. Investing in Project Implementing Entity branches

   Designing, implementing, and supervising investment programs for the rehabilitation and reconstruction of water and wastewater systems in branches of the
Project Implementing Entity, including design and network rehabilitation of the water supply system of the city of Hrazdan.

3. **Sector Offices**

   Provision of goods, works and services for the repair and rehabilitation of sector offices in branches.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall:

   (a) delegate the responsibility for project management to Project Implementing Entity and the responsibility for ensuring that implementation activities comply with schedules and investment programs to the Company Management Board of the Project Implementing Entity; and

   (b) designate the Water Sector Development Institute PIU of the State Committee of Water Economy as the Contract Monitoring Unit with the responsibility for, \textit{inter alia}, screening investment programs, assigning them environmental categories, liaising with the management contractor and the Association on the proposed investment programs’ compliance with the national legal and Association’s environmental requirements.

2. (a) For purposes of implementing Part A.1 of the Project, the Project Implementing Entity shall extend the Management Contract acceptable to the Association with an international management contractor with the responsibility for managing the Project Implementing Entity and conducting a range of services, including, but not limited to, preparation and implementation of programs referred to in the Management Contract.

   (b) The Project Implementing Entity shall exercise its right to the Management Contract in such manner as to protect the interest of the Association and the Recipient and ensure that: (i) all the necessary licenses and permits required for the management contractor to carry out the activities under the Management Contract have been obtained; and (ii) any changes in the level or structure of tariffs for water and wastewater services are implemented in accordance with the relevant national policies and legal requirements.

3 In carrying out Part C of the Project, the Recipient, acting through the Project Implementing Entity, shall ensure that:

   (a) the investments selected meet the criteria set out in the Management Contract; and
(b) all measures necessary and satisfactory to the Association for the carrying out of the EMP are taken in a timely manner and appropriately documented in the progress reports referred to in paragraph 2(a) of Part A of Section II of this Schedule and if necessary, adjustments which the Association and the Recipient deem appropriate may be made in the EMP to protect human health and the environment.

4. The Recipient shall:

(a) review jointly with the management contractor on an annual basis, the financial status of the Project Implementing Entity, including its revenues and expenditures for the preceding and following semesters, and its projected financial performance and take the necessary measures, including tariff increases as required by national law, as well as improved revenue collections to ensure that the Project Implementing Entity meets its projected financial requirements; and

(b) adopt in its annual budget, the financial requirements of the Project Implementing Entity, which cannot be met by revenues collected by the Project Implementing Entity as assessed by the management contractor and approved by CMB.

B. Subsidiary Loan Agreement

1. To facilitate the carrying out of the Project, the Recipient shall make the proceeds of the Financing available to the Project Implementing Entity under a Subsidiary Loan Agreement between the Recipient and the Project Implementing Entity, under terms and conditions approved by the Association, which shall include the following (“Subsidiary Loan Agreement”):

(a) The principal amount of the Subsidiary Loan shall be repaid by the Project Implementing Entity to the Recipient in equal semi-annual installments over twenty (20) years, including a grace period of ten (10) years.

(b) The principal amount of the Subsidiary Loan repayable by the Project Implementing Entity shall be the equivalent in Drams (determined as of the date, or respective dates, of repayment) of the value of the currency or currencies withdrawn from the Credit Account in respect of the above-mentioned Categories.

(c) Interest shall be charged on the principal amount of the Subsidiary Loan withdrawn and outstanding from time to time at a rate equivalent to the rate
payable by the Recipient to the Association according to the provisions of Section 2.05 of this Agreement.

2. The Recipient shall exercise its rights under the Subsidiary Loan Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Loan Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

The Recipient shall cause the Project Implementing Entity to ensure that the Project is carried out in accordance with the EMP in a timely manner.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

1. The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators agreed with the Association. Each Project Report shall cover the period of one calendar quarter, and shall be furnished to the Association not later than one month after the end of the period covered by such report.

2. The Recipient shall: (a) prepare and furnish to the Association, on or about March 30, 2010, a report on the progress achieved in the carrying out of the Project during the period preceding the date of said report and setting out the measures recommended to ensure the efficient carrying out of the Project and the achievement of the objectives thereof during the period following such date; and (b) review with the Association, by June 30, 2010, or such later date as the Association shall request, the report referred to in paragraph (a) of this Section, and, thereafter, take all measures required to ensure the efficient completion of the Project and the achievement of the objectives thereof, based on the conclusions and recommendations of the said report and the Association’s views on the matter.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the Association not later than six (6) months after the end of such period.

4. (a) Except as the Association shall otherwise agree, the Recipient shall ensure that the Project Implementing Entity shall not incur any debt, unless the net revenues of the Project Implementing Entity for the fiscal year immediately preceding the date of such incurrence or for a later twelve-month period ended prior to the date of such incurrence, whichever is the greater, shall be at least 1.5 times the estimated maximum debt service requirements of the Project Implementing Entity for any succeeding fiscal year on all debt of the Project Implementing Entity, including the debt to be incurred.

(b) For the purposes of this Section:

(i) The term “debt” means any indebtedness of the Project Implementing Entity maturing by its terms more than one (1) year after the date on which it is originally incurred.

(ii) Debt shall be deemed to be incurred: (A) under a loan contract or agreement or other instrument providing for such debt or for the modification of its terms of payment on the date of such contract, agreement or instrument; and (B) under a guarantee agreement, on the date the agreement providing for such guarantee has been entered into.

(iii) The term “net revenues” means the difference between:

(A) the sum of revenues from all sources related to operations adjusted to take account of the Recipient’s rates in effect at the time of the incurrence of debt even
though they were not in effect during the twelve (12) month period to which such revenues relate and net non-operating income; and

(B) the sum of all expenses related to operations, including administration, adequate maintenance, taxes and payments in lieu of taxes, but excluding provision for depreciation, other non-cash operating charges and interest and other charges on debt.

(iv) The term “net non-operating income” means the difference between:

(A) revenues from all sources other than those related to operations; and

(B) expenses, including taxes and payments in lieu of taxes, incurred in the generation of revenues in (A) above.

(v) The term “debt service requirements” means the aggregate amount of repayments (including sinking fund payments, if any) of, and interest and other charges on debt.

(vi) Whenever for the purposes of this Section it shall be necessary to value, in terms of the currency of the Recipient, debt payable in another currency, such valuation shall be made on the basis of the prevailing lawful rate of exchange at which such other currency is, at the time of such valuation, obtainable for the purposes of servicing such debt, or, in the absence of such rate, on the basis of a rate of exchange acceptable to the Association.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance
with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. **Definitions.** The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
