This Annex shall be applicable to and form an integral part of all Administration Agreements between the Bank and the respective Donors.

1. Administration of the Contributions

1.1 The Bank shall be responsible only for performing those functions specifically set forth in this Administration Agreement, including its annexes, and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. Nothing in this Administration Agreement shall be considered a waiver of any privileges or immunities of the Bank under its Articles of Agreement or any applicable law, all of which are expressly reserved.

1.2 Each Donor’s Contribution (collectively, the “Contributions”) shall be administered in accordance with the Bank’s applicable policies and procedures, as the same may be amended from time to time, including its procurement, financial management, disbursement and safeguard policies, its framework to prevent and combat fraud and corruption and its screening procedures to prevent the use of Bank resources to finance terrorist activity, in line with the Bank’s obligations to give effect to the relevant decisions of the Security Council taken under Chapter VII of the Charter of the United Nations. 2. Management of the Contributions

2.1 The funds deposited in the Trust Fund shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. The funds deposited in the Trust Fund may be commingled with other trust fund assets maintained by the Bank. The Bank, in its capacity as trustee, has legal title to the funds deposited in the Trust Fund.

In the case of deposits received in a Contribution Currency other than the Holding Currency, promptly upon the receipt of such amounts and the accompanying Deposit Instructions, the Bank shall convert such amounts into the Holding Currency at the exchange rate obtained by the Bank on the date of the conversion. Where deposits prove to be insufficient to complete activities as a result of exchange rate fluctuations, neither the Bank nor the Donor shall bear any responsibility for providing any additional financing.

administered by the Bank. The Bank shall credit all income from such investment to the Trust Fund to be used for the same purposes as the Contributions.

7.3 The Bank shall promptly inform the Donors of any significant modification to the terms of any Grant Agreements and of any contractual remedies that are exercised by the Bank under any Grant Agreements. To the extent practicable, the Bank shall afford the Donors the opportunity to exchange views before effecting any such modification or exercising any such remedy.

The fee so calculated by the Bank shall be based on the cumulative total of funds from the Trust Fund committed under all Grant Agreements that have been fully countersigned on or prior to the Calculation Date (the “Cumulative Grant Total”). The calculated fee shall depend on where the Cumulative Grant Total stands as the Grant Amount is added and shall be determined in accordance with the following schedule:

(iv) 2% of any portion of the Grant Amount that results in a Cumulative Grant Total above US $1 billion or equivalent.

8.2 Following each Calculation Date, the Bank shall deduct from the Trust Fund, and retain for its own account, the fee as set forth above. Grant Amounts may not exceed the balance of uncommitted funds in the Trust Fund net of the related fee.
