Annex I

Description of activities and expenditure categories under the Project

Institutional Background

1. The institutional structure is based on a two-tier arrangement, involving an existing Partnership (as defined below) and an existing Multi-donor Trust Fund:

2. The TerrAfrica Initiative for Sustainable Land Management in Sub-Saharan Africa (the “Partnership”) is a Global Partnership Program (GPP) established by resolution of the Constitutive Meeting of the Executive Committee of the Partnership held in Paris on September 15, 2005.

3. The Partnership was established among partners including, at the time of establishment, representatives of Sub-Saharan African countries, international organizations, regional organizations, bilateral institutions, scientific organizations and civil society. It is a regional platform to enable governments of sub-Saharan Africa, the international development community and other global, regional and national stakeholders to better work together to scale-up country-driven sustainable land management. It is a collective and inclusive effort for Sub-Saharan Africa which aims to foster long-term integrated and harmonized strategies, policy dialogue and actions, building on the comparative advantages of partners.

4. Further to the decision of the Constitutive Meeting of the Executive Committee dated September 15, 2005, the TerrAfrica Leveraging Fund (TLF) was established as a Programmatic Trust Fund to participate in the financing of activities included in the joint Annual Work Program (as defined below) of the Partnership. The TLF is intended to provide a flexible financing mechanism to address targeted needs that are not already adequately covered by existing funding mechanisms.

Governance Structure

5. The TerrAfrica governance structure is lean. There is currently an Executive Committee and a Secretariat (“TerrAfrica Secretariat”) now hosted by the Africa Union’s NEPAD Planning and Coordination Agency (NPCA). Ad-hoc working groups are convened among partners as needed to assist on specific tasks (such as reviewing climate analytics, devising plans for TerrAfrica’s presence at the UNFCCC Durban conference in December 2011, or vetting the Partnership’s M&E framework).

6. A joint Annual Work Program shall be prepared by partners and countries based on the template of activities in the TerrAfrica Business Planning Framework, which is updated every 5 years in a process led by NPCA and approved by the Executive Committee. The emphasis in the Second Business Planning Framework (2010-2014) is on climate change and SLM, in particular the three priority SLM themes of (i) watershed management, (ii) conservation agriculture, and (iii) linkages between energy and land. This focus was agreed by the Executive Committee at its October 2009 meeting in Buenos Aires, Argentina.

7. The TerrAfrica Partnership’s Executive Committee is chaired by the NPCA and is responsible for, inter alia:
(i) Overall guidance and strategic direction of the Partnership;
(ii) Review and approval of joint Annual Work Programs (as defined below) and related budget and resources allocation prepared by the Partnership’s Secretariat; and
(iii) Supervision of the performance of the TerrAfrica Leveraging Fund (which is administered by the World Bank).

8. The Partnership’s Secretariat reviews proposals of activities to be carried out by Partners under the joint Annual Work Program (the “Annual Work Program”). Under the guidance of the Partnership’s Executive Committee, the Secretariat consolidates the joint Annual Work Program, and develops a budget allocating available resources to activities included in the proposed Annual Work Plan and, inter alia, clearly delineating the proposals of activities that would be eligible to receive financing from the TLF. In coordination with the TerrAfrica Secretariat, the Bank determines which activities included in the proposed Annual Work Plan are to be supported by the TLF. The Bank retains fiduciary responsibility for the TLF.

**Objective and Description of the Activities under the Project**

9. **Objectives.** The overall objective of the TLF is to provide strategically targeted and flexible financial support to:

   (i) Strengthen awareness, harmonization, strategic directions on opportunities and modalities for improved sustainable land management scale-up and effectiveness;
   (ii) Improve and share analytical underpinnings to support policy dialogue and decision making; and
   (iii) Catalyze funding at country level.

To meet these objectives, the TLF provides strategic seed financing and other small grant support for activities approved in the joint Annual Work Program. As mentioned above, the recent and current joint Annual Work Program (2010, 2011) and the current Second Business Planning Framework (2010-2014) all emphasize the linkages between SLM and climate change. SLM is widely recognized by partners as the key approach to both mitigate and adapt to climate change and variability in Africa. TerrAfrica has therefore been focusing much of its support on the three aforementioned priority SLM themes of: (i) watershed management, (ii) conservation agriculture, and (iii) linkages between energy and land. What these three themes have in common is an emphasis on the landscape as a system that needs to be managed holistically. In line with the joint Annual Work Program and the Second Business Planning Framework, the TLF is expected to help deliver on the immediate objective of **scaling up sustainable and climate-smart land and water management practices on the ground**, in order to accumulate landscape carbon and help bridge Africa’s climate adaptation deficit.

10. **Results.** A simplified results framework is presented below. This results framework is a subset of the Partnership’s broader M&E framework which guides the joint annual work programming process and which guided the development of the Second Business Planning Framework. Targets in the results framework below are somewhat fluid, given that the TLF is seeking additional external support from existing and potential new partners, and is also actively leveraging other sources of funding including IDA, GEF, other trust funds, and national budgets. Targets could be revised upwards if additional contributions to the TLF are made available or if parallel co-financing is secured. It is important to note that discrete
activities will have customized M&E arrangements calibrated to local circumstances, budgets, and capacities. The specific results include:

**Result 1. Countries scale up SLM practices in priority zones, in three key priority themes of Conservation Agriculture, watershed management and energy poverty.** This will lead to multiple wins on the ground, including enhanced accumulation of carbon in soil and biomass, higher yields and lower yield variability, access to more diverse livelihoods, more predictable water availability, increased household access to renewable terrestrial energy sources, reduced siltation of reservoirs, and *in situ* biodiversity conservation in active farmscapes.

**Result 2. Climate risk incorporated into decision making on SLM at Country and Regional levels.** This will lead to better knowledge dissemination and capacity building such as: improved practical knowledge in sub-Saharan African countries about climate risk to land and natural resource dependent livelihoods (such as via ClimDev); improved knowledge and capacity to implement adaptation and mitigation strategies through application of appropriate SLM approaches; and better institutional performance on investment planning, monitoring and knowledge management.

11. **General Activities.** The Partnership’s activities which may be financed by the TLF (the Activities) are selected activities included in the Partnership’s Annual Work Plan duly approved by the Partnership’s Executive Committee, aiming at:

(a) **Coalition building:** Strengthening coalitions and advocacy and developing knowledge based partnerships in Sub-Saharan Africa, through targeted and result-oriented information sharing, coordination, harmonization and other efforts to strengthen the collective ability of all stakeholders to address barriers to sustainable land management scale-up, including: (i) financing of selective joint reviews of partners’ portfolio and shared stocktaking from existing activities and partnerships that would feed into the knowledge networks and benchmarking, specific monitoring and evaluation work, targeted technical assistance to NPCA and other regional organizations in support of political mobilization and improved investment planning and governance, analysis of enabling conditions for good practices and
success stories, benchmarking among partners, constituency building and strengthening of coalition of Sub-Saharan African countries, including through the various elements of the Partnership’s governance; and (ii) building and strengthening transparent and inclusive result oriented knowledge based partnerships, in which priority is given to the valorization and dissemination of local knowledge, and the participation of civil society at various levels;

(b) Knowledge management: Improving analytics and dissemination mechanisms to support SLM scale-up, including: (i) development of tools and guidelines (e.g., M&E, economic analyses, climate change assessments, terrestrial carbon management, integration of SLM into large scale decentralized community driven investments, and capacity building for multi-sector sustainable land management programs); (ii) public expenditure reviews, (iii) cost-benefit analyses, ecosystem valuations, and other economic work.

(c) Country investment support: Catalyzing funding at country level to support investment identification, preparation and implementation at country, multi-country and regional levels, including the following: (i) provision of seed funding to catalyze upstream dialogues, national platforms, (ii) targeted support for identification and preparation of country and multi-country investment operations and broader programs, and (iii) targeted support for implementation of strategic programs and operations that are directly financing SLM actions or improving the enabling environment.

Section 8.01. Representatives of the Commission shall be invited to participate in Supervision missions, when applicable, led by the World Bank Group entity relating to the Project financed under the Contribution. The World Bank Group entity shall keep the Commission informed of the findings of such missions and regularly provide the Commission with summaries of any reports resulting from such missions.

Section 8.02. Notwithstanding the Commission's participation in a World Bank Group entity's Supervision mission, the Commission as a donor may wish to carry out Supervision missions independently at its own cost. Supervision missions by representatives of the Commission should be planned and carried out in a collaborative manner between the World Bank Group entity's staff and the Commission's representatives, keeping in mind the commitment of both to coordination and collaboration for the effective and efficient implementation of the Project included in the Administration Agreement. These missions are to be planned ahead with reasonable notice and procedural matters are to be agreed upon by the Commission and by the World Bank Group entity in advance. The mission will make a draft of its report available to the World Bank Group entity for comments prior to final issuance.

ARTICLE 9
Amendment of the Administration Agreement

Section 9.01. Any modification of the Administration Agreement, including the Annexes thereto, shall be in writing in an amendment. The request for amendment shall be submitted by either the World Bank Group entity or the Commission one (1) month before the amendment is intended to enter into force, unless otherwise agreed by the World Bank Group entity and by the Commission.

ARTICLE 10

Procurement and Grants

Section 10.01. If parts of the Project are contracted by the World Bank Group, the relevant procurement plan will be specified in the Description of the Project. If it is not specified therein, the World Bank Group entity will present it to the Commission as soon as it is available.

Section 10.02. Unless otherwise agreed by the Parties in writing, the procurement of any goods, works or services and the award of Grants to Beneficiaries by the World Bank Group entity or the Recipient in the context of the Project shall be carried out in accordance with the applicable policies and procedures adopted by the World Bank Group entity, as previously assessed by the Commission.

The administration and enforcement of all provisions entered into between the World Bank Group entity and a third party that is financed by the trust fund shall be the responsibility solely of the World Bank Group entity and shall be carried out in accordance with its applicable procedures, except as otherwise specified in this Article 10 and Section 1.06.

Without prejudice to the specific procedures and exceptions applied by the World Bank Group entity, the award of Grants to Beneficiaries shall apply the following principles:

- Grants may only cover costs incurred after the date on which the Grant contract with the Beneficiary enters into force;
- No portion of any Grant shall be used to provide a direct profit out of the proceeds of the Grant to the Grant Beneficiary unless the objective of the Grant is to reinforce the financial capacity of the Beneficiary; and
- Grants may not as a rule finance the entire cost of the activities carried out by the Beneficiary.

Section 10.03. The origin of the goods and the nationality of the organisations, companies and experts selected for carrying out activities in the Project shall be determined in accordance with the World Bank Group entity's relevant rules. The World Bank Group entity's policies and procedures on procurement and Grants to Beneficiaries are untied.

Section 10.04. The World Bank Group entity shall take into consideration as provided for under the World Bank Group's policies and procedures the following or similar situations as factors for determining qualification or eligibility of:

- Beneficiaries that have been the subject of a judgment which has the force of *res judicata* for fraud, corruption involvement in a criminal organisation or any other illegal activity;

- Beneficiaries that are guilty of misrepresentation in supplying the information required as a condition of participation in the procedure or fail to supply this information;

- Beneficiaries that are subject to a conflict of interest.

Section 10.05. The World Bank Group entity may be given access whatever its medium (written on paper or stored in electronic form) to the central exclusion database set up and operated by the Commission (the "Central Exclusion Database"). The foregoing shall be applied in accordance with the provisions that may be provided for in Attachment 5 of the Framework Agreement including any condition under which the World Bank Group would communicate to the Commission any judgment rendered after 1 January 2009 which has the force of *res judicata* for fraud, corruption, involvement in a criminal organization or any other illegal activity against a Beneficiary receiving funds from a trust fund financed by the European Union.

ARTICLE 11
Suspension of the Administration Agreement

Section 11.01. The World Bank Group entity may suspend implementation of all or part of the Project in accordance with its policies and procedures including when circumstances make it too difficult or dangerous to continue. It shall inform the Commission without delay and provide all the necessary details should a project be suspended. The Administration Agreement may be terminated in accordance with Section 12.01. If the Administration Agreement is not terminated, the World Bank Group entity shall endeavour to minimise the duration of the suspension and may resume implementation of the Project once the conditions allow, and shall inform the Commission accordingly.

Section 11.02. Upon removal of the suspension, the implementation period of the Administration Agreement shall be automatically extended by an amount of time equivalent to the duration of the suspension. This is without prejudice to any amendments to the Administration Agreement which may be necessary to adapt the Project to the new implementing conditions.

ARTICLE 12
Termination of the Administration Agreement

Section 12.01. If, at any time, either party believes that the purposes of the Administration Agreement can no longer be effectively or appropriately carried out, it shall consult the other party. The Administration Agreement may be terminated at the initiative of either party by giving the other party three (3) months' prior written notice to cancel all or part of the Commission's pro rata share of any remaining balance of the Contribution funds that is not committed pursuant to any agreements entered into between the World Bank Group entity and any consultants and/or other third parties for the purposes of the Administration Agreement prior to the receipt of such notice, including the Grant Agreement[s].
The World Bank Group entity shall return such cancelled balance to the Commission including any investment income in accordance with Article 18.

Section 12.02. Where the World Bank Group entity:

- fails, without justification, to fulfil any of the obligations set out in Sections 1.02 and 1.03 incumbent on it, including the presentation of a final narrative report and/or making available final financial information within the deadlines laid down in sections 2.06 and 2.07, after being given notice by letter to comply with those obligations, still fails to do so or to furnish a satisfactory explanation within thirty (30) days of sending of the letter; and, in case of narrative progress reports, after failing to provide, together with a satisfactory explanation, a summary of the state of the progress of the Project;

- fails to comply with Section 1.05 or Article 4;

- provides false reports or makes false or incomplete statements to obtain the Contribution provided for in the Administration Agreement;

- commits financial irregularities or is guilty of grave professional misconduct;

- undergoes legal, financial, technical or organisational change that is likely to substantially affect negatively the Administration Agreement or to call into question the decision by which a direct financial contribution is awarded to the World Bank Group by the Commission following a Call for proposals;

After prior consultation with the World Bank Group entity the Commission may terminate the Administration Agreement. In that event the Commission may request full or partial repayment of any amounts that should have not been considered eligible, after allowing the World Bank Group entity to submit its observations.

Section 12.03. Prior to or instead of terminating the Administration Agreement as provided for in Section 12.02, the Commission may suspend payments or (exceptionally) the eligibility of expenses as a precautionary measure, informing the World Bank Group entity immediately.

Section 12.04 This Administration Agreement shall be automatically terminated if no payment has been made by the Commission within three (3) years of its signature.

ARTICLE 13

Dispute resolution

Section 13.01. The Parties shall endeavour to settle amicably any dispute or complaint relating to the interpretation, application or fulfilment of the Administration Agreement, including its existence, validity or termination. In default of amicable settlement, any party may refer the matter to arbitration in accordance with the Permanent Court of Arbitration Optional Rules for Arbitration Involving International Organisations and States in force at the date of the Administration Agreement.

Section 13.02. The language to be used in the arbitral proceedings shall be English. The appointing authority shall be the Secretary General of the Permanent Court of Arbitration following a written request submitte by any party. Section 15.05. The funds deposited pursuant to Section 15.04 above may be commingled with other trust fund assets administered by any World Bank Group entity, provided they may still be identified as such in the records of the World Bank Group entity but shall be kept separate and apart from the funds of each of the World Bank Group entities.
Section 15.06. The World Bank Group entity may exchange any funds held hereunder for other currencies in order to facilitate their administration and disbursement at the exchange rate applicable to the World Bank Group on the date of the conversion unless the parties agree otherwise in Section 7.02 of the Administration Agreement.

Section 15.07. IBRD shall, on behalf of the World Bank Group entity, invest and reinvest the funds provided by the European Union hereunder pending their disbursement, in accordance with IBRD’s policies and procedures for the investment of trust funds. For Multi Donor Trust Funds and/or Joint Management, IBRD shall credit any income earned on funds received from the Commission from such investment to the trust fund established under this Administration Agreement to be used for the same purposes as the Contribution funds. For Contributions which are not Multi-Donor Trust Funds and/or Joint Management, investment income earned on funds received from the Commission shall be identified as such, and IBRD shall credit such income to the Commission's Donor Balance Account to be reimbursed to the Commission annually upon receipt by IBRD of banking details and authorized instructions from the Commission. Such refund request shall be sent to the attention of the Division Manager, Trust Fund Division, Accounting Department of the World Bank.

ARTICLE 16

Section 16.02. The World Bank Group shall provide to the Commission, within six (6) months following the end of each World Bank Group fiscal year, the annual single audit, comprising

(1) a management assertion together with an attestation from the World Bank Group's external auditors concerning the adequacy of internal control over cash-based financial reporting for trust funds as a whole; and

(2) a combined financial statement for all cash-based trust funds together with the external auditor's opinion thereon.

The cost of the single audit shall be borne by the World Bank Group.

Section 16.03. For Exceptionally large trust funds where a financial statement audit is deemed appropriate and necessary, the World Bank will include provisions in the Administration Agreement for the financial statements of the trust fund to be audited (either annually, periodically, or at the completion of the trust fund as agreed with the donor(s)), by the World Bank's external auditors in addition to the Single Audit Report. The costs with respect to such audits will be paid by the trust fund. These audited financial statements will be submitted to the Commission.

Section 16.04. If the Commission wishes to request, on an exceptional basis, a financial statement audit by the Bank's external auditors of a trust fund established under an Administration Agreement, the Commission and the Bank will first consult one another as to whether such an external audit is necessary. Following consultation, if the Commission wishes to proceed with the external audit, the Bank will arrange for such an audit. The cost of any such audit, including the Bank's internal costs related to such an audit, will be paid by the Commission.
Section 16.05. The Bank will provide the Commission with copies of all financial statements and auditors' reports received by the Bank from the Recipients pursuant to the Grant Agreements.

Section 16.06. The World Bank Group entity shall, until at least seven years after the End Disbursement Date of the Administration Agreement:

(i) keep financial and accounting documents concerning the activities financed by the European Union hereunder; and

(ii) make available to the competent bodies of the European Union upon request, all relevant financial information, including statements of accounts concerning the project or activity financed by the European Union hereunder (whether executed by such World Bank Group entity or by its subcontractor).

Section 16.07. In conformity with the European Union financial regulations, the European Union may undertake, including on-the-spot, checks related to the Projects and activities financed by the trust fund.

Section 16.08. The foregoing shall be applied in accordance with the verification provisions provided for in Attachment 3 of the Framework Agreement.

ARTICLE 17

Final amount of the Contribution by the Commission

Section 17.01. The total amount to be paid by the Commission to the World Bank Group entity may not exceed the maximum Contribution established by Section 3.02 of the Administration Agreement, even if the overall actual expenditure exceeds the estimated total budget set out in Section 3.01 of the Administration Agreement unless amended in accordance with Section 9.01.

Section 17.02. The World Bank Group entity accepts that the Contribution amount shall be limited to the amount required to balance income and expenditure for the Project and that it may not in any circumstances result in a surplus for the World Bank Group entity.

Section 17.03. In cases where the Project is not completed by the End Disbursement Date specified in Section 2.03 of the Administration Agreement, the funds that remain unexpended after all Commitments incurred have been satisfied, including investment income will be reimbursed to the relevant Balance Account.

Section 17.04. Where the Project is not carried out according to the Administration Agreement and without prejudice to its right to terminate the Administration Agreement pursuant to Section 12.02, the Commission may, after allowing the World Bank Group entity to submit its observations and without prejudice to Article 13, adjust its Contribution pro rata to the actual implementation of the Project on the terms laid down in the Administration Agreement giving three (3) months' prior written notice.

ARTICLE 18

Recovery

Section 18.01. Upon the completion or termination of the Project for which the European Union has provided funding hereunder, the World Bank Group entity, will refund to the Commission within forty-five (45) days of receiving a written request from the latter any amounts paid in excess of the final amount due for such project (including any investment income not previously reimbursed to the Commission or to the Balance Account).
Such refund request with banking details and authorized instruction from the Commission shall be sent to the attention of the Division Manager, Trust Fund Division, Accounting Department of the World Bank. Any refund to the Commission will be done in Euro, unless the Parties agree otherwise, at the exchange rate applicable to the World Bank Group on the date of the conversion unless the Parties agree to another exchange rate in Section 7.02 of the Administration Agreement. In the event the funds are received by the Commission before such refund request is sent, the Commission will issue a refund request acknowledging their receipt.

Section 18.02. If the World Bank Group entity fails to repay by the due date, the sum due shall bear interest in accordance with the rules of the Commission. In case of Contributions which are Multi-Donor Trust Funds and/or Joint Management the accrued investment income may be taken into account.

Section 18.03. Amounts to be repaid to the Commission may be offset against amounts of any kind due to the World Bank Group entity or the Recipient, after consulting it accordingly. This shall not affect the Parties' option to agree on payment in instalments.

Section 18.04. Bank charges incurred by the repayment of amounts due to the Commission shall be borne entirely by the World Bank Group entity.
Annex III

The standard provisions agreed between the Bank and the donors

The following provisions (hereinafter referred to as the "Standard Provisions") shall be applicable to and form an integral part of all agreements entered into between the International Bank for Reconstruction and Development ("IBRD") and the International Development Association ("IDA") (collectively, the "Bank") and donor countries and/or organizations (hereinafter referred to as the "Donors") that provide grants (referred to as the "Contributions") to be administered by the Bank for the funding of TerrAfrica Leveraging Fund, a multi-donor trust fund established for the financing of activities undertaken as part of the TerrAfrica Initiative for Sustainable Land Management in Sub-Saharan Africa (the "Partnership").

1. Administration of the Contributions

The Bank shall be responsible only for performing those functions specifically set forth in this Agreement and shall not be subject to any other duties or responsibilities to the Donors, including, without limitation, any duties or obligations that might otherwise apply to a fiduciary or trustee under general principles of trust or fiduciary law. 2. Commingling, Exchange and Investment of the Contributions

2.1. The Contribution funds shall be accounted for as a single trust fund and shall be kept separate and apart from the funds of the Bank. The Contribution funds may be commingled with other trust fund assets maintained by the Bank.

2.2. The Contribution funds may be freely exchanged by the Bank into other currencies as may facilitate their disbursement.

2.3. The Bank shall invest and reinvest the Contribution funds pending their disbursement in accordance with the Bank's policies and procedures for the investment of trust funds administered by the Bank. In order to assist in the defrayment of the costs of administration and other expenses incurred by the Bank under this Agreement, the Bank may, following deposit of Contribution funds, deduct from such funds and retain for the Bank's own account an amount equal to five percent (5%) of the Contributions.

4. Grants to Recipients

4.1. The Bank shall, as administrator on behalf of the Donors, enter into grant agreements (the "Grant Agreements") with one or more entities (the "Recipients") for the provision of Contribution funds for the financing of Recipient's Activities (whether Bank or Recipient-
executed) for the purposes of this Agreement and on the terms and conditions set forth in the Grant Agreements. The Bank shall furnish a copy of the Grant Agreements to the Donors. No Grant Agreement shall be required for the provision of Contribution funds for the financing of Bank Activities.

4.2. The Bank shall be solely responsible for the supervision of the activities financed under the Grant Agreements.

5. Employment of Consultants and Procurement of Goods

5.1. The employment and supervision of consultants and the procurement of goods financed by the Contributions for Bank Activities shall be the responsibility solely of the Bank and shall be carried out in accordance with its applicable policies and procedures.

5.2. The Grant Agreements entered into for Recipient Activities shall provide that the Contributions shall be used by the Recipients to finance expenditures for goods and services, as the case may be, in accordance with the Bank's Guidelines on "Procurement under IBRD Loans and IDA Credits" and the Bank's Guidelines on the "Selection and Employment of Consultants by World Bank Borrowers," as in effect at the date of the Grant Agreements.

6. Accounting and Financial

6.1. The Bank shall maintain separate records and ledger accounts in respect of the Contributions deposited in the trust fund account and disbursements made from it.

6.2. The Bank shall furnish to the Donors current financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions via the World Bank's Trust Funds Donor Center secure website. Within six (6) months after all commitments and liabilities under the Trust Fund have been satisfied and the Trust Fund has been closed, the final financial information relating to receipts, disbursements and fund balance in the Holding Currency with respect to the Contributions shall be made available to the Donors via the World Bank's Trust Funds Donor Center secure website.

6.3. The Bank shall also provide the Donors with copies of all financial statements and auditors' reports received by the Bank from the Recipients pursuant to the Grant Agreements.

The Bank shall provide to the Donors via the World Bank's Trust Fund Donor Center secure website, within six (6) months following the end of each Bank fiscal year, an annual single audit report, comprising (i) a management assertion together with an attestation from the Bank's external auditors concerning the adequacy of internal control over cash-based financial reporting for all cash-based trust funds as a whole; and (ii) a combined financial statement for all cash-based trust funds together with the Bank's external auditor's opinion thereon. The cost of the single audit shall be borne by the Bank.

6.5. If a Donor wishes to request, on an exceptional basis, a financial statement audit by the Bank's external auditors of the trust fund established under this Agreement, the Donor and the Bank shall first consult as to whether such an external audit, is necessary. The Bank and the Donor shall agree on the most appropriate scope and terms of reference of such audit. Following agreement on the scope and terms of reference, the Bank shall arrange for such
external audit. The costs of any such audit, including the internal costs of the Bank with respect to such audit, shall be paid by the Donor.

To the extent practicable, the Bank shall afford the Donors the opportunity to exchange views before effecting any such modification or exercising any such remedy.

7.3. The Donors reserve the right to review or evaluate activities financed by the trust fund established under this Agreement, provided, however, that any proposal to take up such a review is initiated before, or within 12 months of, the final disbursement date specified in paragraph 8.1. The initiating Donor and the Bank shall agree on the scope and conduct of such review or evaluation, and the Bank shall provide all relevant information within the limits of its policies and procedures. All associated costs will be borne by the initiating Donor, unless otherwise agreed. It is understood that any such review or evaluation will not constitute a financial, compliance or other audit of the trust fund established under this Agreement, and that any audit will be performed solely in accordance with Paragraph 6.4 of Annex 2 to this Agreement.

8. **Disbursement Deadline; Cancellation; Refund**

8.1. It is expected that the Contribution funds will be fully disbursed by the Bank in accordance with the provisions of this Agreement by November 30, 2015. The Bank shall only disburse Contribution funds for the purposes of this Agreement after such date with the written approval of the Donors.

8.2. Any Donor or the Bank may, upon three (3) months' prior written notice, cancel all or part of the Donor's pro rata share of any remaining balance of the Contribution funds that is not committed pursuant to any agreements entered into between the Bank and any consultants and/or other third parties for the purposes of this Agreement prior to the receipt of such notice, including the Grant Agreements.

8.3. Upon the final disbursement date specified in paragraph 8.1, the Bank shall return any remaining balance of the Contribution funds to the Donors on a pro rata basis. In the event of a cancellation of an individual Donor's pro rata share of uncommitted Contribution funds in accordance with paragraph 8.2, the Bank shall return such cancelled balance to the Donor.

9. **Disclosure**
