Implementation Status Overview

Overall progress: Implementation of the project is satisfactory. Almost all physical investments under the original loan are completed or in final stages of commissioning. Works under the original loan are fully complete in Elbistan, Odemis, Gelibolu, Bergama, and Polatli. Completion works are still ongoing in Mugla, ASAT and Denizli. MESKI continues to implement 2 contracts. Consultancy work has commenced on the additional loan and procurement of goods and works is expected to start very soon. Both loans are on track although a short extension may be required for the original loan to ensure that it can be fully utilized.
