Financing Agreement

(Dakar Diamniadio Toll Highway Project)

between

REPUBLIC OF SENEGAL

and

INTERNATIONAL DEVELOPMENT ASSOCIATION

Dated October 13, 2009
FINANCING AGREEMENT

AGREEMENT dated October 13, 2009, entered into between THE REPUBLIC OF SENEGAL (“Recipient”) and INTERNATIONAL DEVELOPMENT ASSOCIATION (“Association”). The Recipient and the Association hereby agree as follows:

ARTICLE I — GENERAL CONDITIONS; DEFINITIONS

1.01. The General Conditions (as defined in the Appendix to this Agreement) constitute an integral part of this Agreement.

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the General Conditions.

ARTICLE II — FINANCING

2.01. The Association agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a credit in an amount equivalent to seventy-one million two hundred thousand Special Drawing Rights (SDR 71,200,000) (variously, “Credit” and “Financing”) to assist in financing Parts B.1, B.2 and parts of Parts C and D of the project described in Schedule 1 to this Agreement (“Project”).

2.02. The Recipient may withdraw the proceeds of the Financing in accordance with Section IV of Schedule 2 to this Agreement.

2.03. The Maximum Commitment Charge Rate payable by the Recipient on the Unwithdrawn Financing Balance shall be one-half of one percent (1/2 of 1%) per annum.

2.04. The Service Charge payable by the Recipient on the Withdrawn Credit Balance shall be equal to three-fourths of one percent (3/4 of 1%) per annum.

2.05. The Payment Dates are March 15 and September 15 in each year.

2.06. The principal amount of the Credit shall be repaid in accordance with the repayment schedule set forth in Schedule 3 to this Agreement.
2.07. The Payment Currency is the Euro.

ARTICLE III — PROJECT

3.01. The Recipient declares its commitment to the objectives of the Project. To this end, the Recipient shall cause the Project to be carried out through the Project Implementing Entity in accordance with the provisions of Article IV of the General Conditions.

3.02. Without limitation upon the provisions of Section 3.01 of this Agreement, and except as the Recipient and the Association shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

ARTICLE IV — REMEDIES OF THE ASSOCIATION

4.01. The Additional Events of Suspension consist of the following:

(a) The Project Implementing Entity Legislation has been amended, suspended, abrogated, repealed or waived so as to affect materially and adversely the ability of such entity to perform any of its obligations under the Project.

(b) The Replacement Landfill has ceased to operate in accordance with Replacement Landfill Management Contract and has not been replaced by an alternative, fully operational, solution satisfactory to the Association, as confirmed in writing by the Association, including compliance with the Association’s social and environmental safeguard policies.

(c) Either party to the Concession Agreement has committed a material breach of its obligations thereunder, whether payment-related or otherwise.

(d) As a result of events which have occurred after the date of the Financing Agreement, an extraordinary situation shall have arisen which shall make it improbable that AGETIP or APIX will be able to perform their respective obligations under the Project.

(e) As a result of events which have occurred after the date of the Financing Agreement, an extraordinary situation shall have arisen which shall make
it improbable that the Concessionaire will be able to perform its obligations under the Project or the Concession Agreement.

(f) The Concessionaire has not executed and delivered the financing arrangements in form and substance satisfactory to the Association, for the aggregate amount of financing required under the terms of the Concession Agreement prior to November 30, 2010.

4.02. The Additional Events of Acceleration consist of the following:

(a) The event specified in paragraph (b) of Section 4.01 of this Agreement occurs and is continuing for a period of 60 days after notice of the event has been given by the Association to the Recipient.

ARTICLE V — EFFECTIVENESS; TERMINATION

5.01. The Additional Conditions of Effectiveness consist of the following:

(a) The Subsidiary Agreement has been executed on behalf of the Recipient and the Project Implementing Entity.

(b) The Co-financing Agreements have been executed and delivered in form and substance satisfactory to the Association and all conditions precedent to their respective effectiveness or to the right and ability of the Recipient to make withdrawals under such Co-financing Agreements (other than the effectiveness of this Agreement), have been fulfilled.

(c) The Recipient has either paid or secured funds for payment in an aggregate amount equal to FCFA 8 billion in a segregated account in form and substance satisfactory to the Association for the amounts owed by the Recipient for the compensation of Displaced Persons affected by the Phase 1 Highway Work and the Phase 2 Highway Work.

(d) The Recipient has either paid or secured funds for payment in an aggregate amount equal to FCFA 15.7 billion in a segregated account in form and substance satisfactory to the Association for the amounts owed by the Recipient for the compensation of Displaced Persons affected by: (i) the Resettlement Site Work; and (ii) compensation of Displaced Persons affected by the Phase 3 Highway Work.
(e) The Recipient has signed a written agreement in form and substance satisfactory to the Association with a private operator (the “Private Operator”) for the establishment and operation of the Replacement Landfill and for its timely and effective opening and management (the “Replacement Landfill Management Contract”).

(g) APIX and the Directorate of Water and Forests have signed the Mbao Forest Protocol, in form and substance satisfactory to the Association.

(h) The Concession Agreement has been executed by the Recipient and the Concessionaire in form and substance satisfactory to the Association.

(i) The Recipient has established through APIX an independent international environmental and social panel of experts including an environmental management and a resettlement advisor, in form and substance and with resources and functions satisfactory to the Association, that will participate in the monitoring and evaluation of the implementation of the Social and Environmental Safeguard Instruments.

5.02. The Additional Legal Matters consist of the following:

(a) The Subsidiary Agreement has been duly authorized or ratified by the Recipient and the Project Implementing Entity and is legally binding upon the Recipient and the Project Implementing Entity in accordance with its terms.

(b) The Concession Agreement has been duly authorized or ratified by the Recipient and the Concessionaire and is legally binding upon the Recipient and the Concessionaire in accordance with its terms.

(c) The Replacement Landfill Management Contract has been duly authorized or ratified by the Recipient and the Private Operator and is legally binding upon the Recipient and the Private Operator in accordance with its terms.

5.03. The Effectiveness Deadline is the date one hundred and twenty (120) days after the date of this Agreement.
5.04. For purposes of Section 8.05 (b) of the General Conditions, the date on which the obligations of the Recipient under this Agreement (other than those providing for payment obligations) shall terminate is twenty years after the date of this Agreement.

SCHEDULE 1

Project Description

The objectives of the Project are to: (i) improve mobility between Dakar and Diamniadio; and (ii) provide communities affected by the construction of the highway access to basic social and economic services.

The Project consists of the following parts:

Component A: Road infrastructure

Financed by AFD, BAD, the Recipient and the Concessionaire:

Implementation of the highway construction, management and maintenance program which is part of the DDTH, as set forth in the Concession Agreement between the Recipient and the Concessionaire.

Component B: Clearing of right of way of DDTH and urban development of Resettlement Site

1. Financed by the Association and AFD:

Urban development of the Resettlement Site, including construction of dwellings, a surface storm water system, a gravitational water sanitation system, a road network, and public health, education and sports facilities, all through the provision of works, equipment and technical assistance.

2. Financed by the Association:

   (a) Remediation of the Resettlement Site by closing the Mbeubeuss Landfill pursuant to the Mbeubeuss Landfill Closing Plan to prevent future contamination, through the provision of works, technical assistance, and equipment.

   (b) Implementation of the Mbao Forest Action Plan.

   (c) Financing of part of the cash compensation for the Displaced Persons affected by the Phase 4 Works.
3. Financed by the Recipient:

Clearing of right of way for the DDTH and the Resettlement Site Work, through the provision of works and the financing of cash compensation to the Displaced Persons, including, without limitation, the Displaced Persons affected by the closing of the Mbeubeuss Landfill.

Component C: Urban restructuring of Pikine Irrégulier Sud

1. Financed by the Recipient, the Association and AFD:

Urban restructuring of the PIS area to: (i) provide incentive and a framework for securing land ownership titles for current residents; (ii) improve the living conditions of the inhabitants; (iii) support access to basic services such as water, health care and education; and (iv) provide better access to the area, through the provision of works, equipment and technical assistance.

2. Financed by the Recipient:

Clearing of right of way for the urban restructuring works of the PIS area, through the provision of works and the financing of cash compensation to the Displaced Persons.

Component D: Project implementation

Financed by the Association:

Coordination, monitoring and evaluation and supervision of the Project activities and implementation of Project communication and social supporting and guiding activities under the Project, by APIX through the provision of Operating Costs, equipment and Training.
SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. The Recipient shall maintain, at all times during Project implementation, in form and substance and with resources and functions satisfactory to the Association, including with staff with qualifications, experience and terms of reference satisfactory to the Association:

   (a) APIX which shall be responsible for: (i) coordination, supervision, monitoring and evaluation of Project implementation; (ii) day-to-day Project implementation of Parts A and D of the Project; and (iii) financial management and procurement activities for the Project; and

   (b) within APIX, the DDTH Program Unit, the Works Unit, the Environmental and Social Unit and the DDTH Resettlement Unit.

2. The Recipient and APIX shall ensure that at all times during Project implementation, the DDTH Resettlement Unit and the Environmental and Social Unit shall work in close coordination and under a common management unit and shall closely coordinate with the APIX Field Office, the local liaison committees, resettlement urban committees, and implementing and monitoring partners.

3. The Recipient shall maintain, at all times during Project implementation, AGETIP which shall be responsible for the day-to-day implementation of Parts B.1 and C of the Project. To this end, the Recipient shall maintain AGETIP and the AGETIP Special Unit in form and substance and with resources and functions satisfactory to the Association, including staff from AGETIP, all with qualifications, experience and terms of reference satisfactory to the Association. The AGETIP Special Unit shall work full-time on Parts B and C of the Project and AGETIP shall be responsible for validating technical studies and supervising civil works.

4. The Recipient shall ensure that AGETIP and APIX sign the necessary Implementation Agreements for the implementation of AGETIP’s part of the Project and that APIX and AGETIP shall carry out the Project in accordance with such Implementation Agreements and except as the Association shall otherwise
agree, not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof.

5. The Recipient shall: (i) carry out and ensure that the Concessionaire carries out the Project in accordance with the Concession Agreement, including, without limitation, all financial obligations set forth therein; and except as the Association shall otherwise agree, not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof; and (ii) monitor and evaluate the progress made under the Concession Agreement and inform the Association of such progress as part of the Project Reports.

B. Subsidiary Agreement

1. To facilitate the carrying out of the Project, the Recipient shall enter into a subsidiary agreement with the Project Implementing Entity, providing such Project Implementing Entity with the necessary resources and authority to implement its Part of the Project, under terms and conditions approved by the Association (“Subsidiary Agreement”).

2. The Recipient shall exercise its rights under the Subsidiary Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Financing. Except as the Association shall otherwise agree, the Recipient shall not assign, amend, abrogate or waive the Subsidiary Agreement or any of its provisions.

C. Anti-Corruption

The Recipient shall ensure that the portion of the Project financed out of the proceeds of the Financing is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

D. Safeguards

1. The Recipient shall ensure that the Project is implemented in accordance with the guidelines, procedures, recommendations, and other specifications set forth in the Basic Social and Environmental Safeguard Instruments, and, except as the Association shall otherwise agree in writing, shall not amend or waive any provision of the aforementioned documents.

2. The Recipient shall, for purposes of each Subproject and including wherever required under the terms of any of the Basic Social and Environmental Safeguard
Instruments, proceed, and have the Concessionaire, AGETIP and APIX proceed, where applicable, to have any one or more Supplemental Social and Environmental Safeguard Instruments: a) developed; b) submitted to the Association for review and approval; and c) thereafter adopted, prior to implementation of the Subproject.

3. The Recipient shall ensure that the Project is implemented in accordance with the guidelines, procedures, recommendations, and other specifications set forth in each of the Supplemental Social and Environmental Safeguard Instruments, and, except as the Association shall otherwise agree, shall not amend or waive any provision of the aforementioned documents.

4. The Recipient shall take the necessary measures so that APIX ensure the overall quality control of the environmental and social aspects of the Project through the review and clearance of the instruments described in paragraph 2 of this Section I.D and validation of the environmental and social audits to be submitted at the end of the execution of the works.

5. Without limitation upon its other reporting obligations under this Agreement, the Recipient shall regularly collect, compile and submit to the Association on a quarterly basis reports on the status of compliance with the Social and Environmental Safeguard Instruments giving details of:

(a) measures taken in furtherance of such Social and Environmental Safeguard Instruments;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of such Social and Environmental Safeguard Instruments; and

(c) remedial measures taken or required to be taken to address such conditions.

E. Manual

Except as the Association shall otherwise agree, the Recipient shall: (i) carry out the Project in accordance with the Project Implementation Manual and the Administrative, Financial, and Accounting Procedures Manual, referred to in Section 5.01 (f) of this Agreement; and (ii) except as the Association shall otherwise agree in writing, not amend, abrogate, or waive, or permit to be amended, abrogated, or waived, the aforementioned, or any provision thereof. In the event of any inconsistency between this Agreement, on the one hand, and the
Section II. **Project Monitoring, Reporting and Evaluation**

A. **Project Reports**

1. (a) The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 4.08 of the General Conditions and on the basis of the indicators set forth below in sub-paragraph (b) of this paragraph. Each Project Report shall cover the period of one calendar semester, and shall be furnished to the Association not later than 45 days after the end of the period covered by such report.

(b) The performance indicators referred to above in sub-paragraph (a) consist of the following:

(i) The average travel time between Dakar and Diamniadio;

(ii) volume of traffic on DDTH;

(iii) number of people within 150 meters of an appropriate (asphalted) all year round road in PIS;

(iv) the percentage of surface area liable to flooding in PIS;

(v) the percentage of displaced children in PIS and the Resettlement Site sent to school; and

(vi) the degree population displaced satisfied with relocation services.

2. For purposes of Section 4.08 (c) of the General Conditions, the report on the execution of the Project and related plan required pursuant to that Section shall be furnished to the Association not later than December 31, 2015.
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 4.09 of the General Conditions.

2. Without limitation on the provisions of Part A of this Section, the Recipient shall prepare and furnish to the Association not later than 45 days after the end of each calendar quarter, interim unaudited financial reports for the Project covering the quarter, in form and substance satisfactory to the Association.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 4.09 (b) of the General Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient commencing with the fiscal year in which the first withdrawal under the Project Preparation Advance was made. The audited Financial Statements for each such period shall be furnished to the Association not later than six months after the end of such period.

Section III. Procurement

A. General

1. Goods and Works. All goods and works required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Section I of the Procurement Guidelines, and with the provisions of this Section.

2. Consultants’ Services. All consultants’ services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in Sections I and IV of the Consultant Guidelines, and with the provisions of this Section.

3. Definitions. The capitalized terms used below in this Section to describe particular procurement methods or methods of review by the Association of particular contracts, refer to the corresponding method described in the Procurement Guidelines, or Consultant Guidelines, as the case may be.
B. Particular Methods of Procurement of Goods and Works

1. International Competitive Bidding. Except as otherwise provided in paragraph 2 below, goods and works shall be procured under contracts awarded on the basis of International Competitive Bidding. The provisions of paragraphs 2.55 and 2.56 of the Procurement Guidelines, providing for domestic preference in the evaluation of bids, shall apply to goods manufactured in the territory of the Recipient and works to be carried out by domestic contractors.

2. Other Methods of Procurement of Goods and Works. The following table specifies the methods of procurement, other than International Competitive Bidding, which may be used for goods and works. The Procurement Plan shall specify the circumstances under which such methods may be used:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments made prior to the date of this Agreement, except that withdrawals up to an aggregate amount not to exceed DTS 6,800,000 equivalent may be made for payments made prior to this date but on or after July 1, 2008, for Eligible Expenditures; or

   (b) under Category (3) for any Road and Drainage Works unless the Recipient has fully complied with the requirements of the Social and Environmental Safeguard Instruments, as confirmed in writing by the Association.

2. The Closing Date is July 31, 2015.

Section V. Other Undertakings

1. The Recipient shall recruit, no later than six months after the Effective Date, the external auditors referred to in Section 4.09 (b) of the General Conditions in accordance with Section III of Schedule 2 of this Agreement and pursuant to terms of reference satisfactory to the Association.

2. APIX shall submit to the Association by November 30 of each year annual budgeted work plans for the activities of the Project in form and substance satisfactory to the Association.

3. The Recipient shall have paid all undisputed amounts outstanding to its contractors for construction of the Phase 1 Highway Work and the Phase 2 Highway Work by no later than September 30, 2011.

4. The Recipient shall ensure that the requirements set forth in the Social and Environmental Safeguard Instruments have been fully complied with in a manner satisfactory to the Association as confirmed in writing by the Association prior to the commencement of each of the Phase 3 Works and the Phase 4 Works.
5. The Recipient shall have either paid or secured funds for payment in an aggregate amount equal to FCFA 18 billion in a segregated account in form and substance satisfactory to the Association for the amounts owed by the Recipient for compensation of Displaced Persons affected by the Phase 4 Highway Work, by no later than April 30, 2011.

6. The Recipient shall have opened by no later than March 31, 2011, a fully operational Replacement Landfill designed and constructed in a manner satisfactory to the Association and in full compliance with the Association’s environmental and social safeguard policies.

7. The Recipient shall ensure that no Subproject that would cause the effective resettlement of Displaced Persons to the Resettlement Site shall be commenced under the Project prior to: (i) the Mbeubeuss Landfill reaching Non-Operational Status; and (ii) the existence of a Functioning Resettlement Site.

8. The Recipient shall ensure that: (i) the Mbeubeuss Landfill be closed to the general public and cease to be receiving and openly burning waste (“Non-Operational Status”) by no later than December 31, 2011; and (ii) the Mbeubeuss Landfill not reach such Non-Operational Status prior to the satisfaction of the requirements set forth in Section V.6 of Schedule 2 to this Agreement regarding the availability of a Replacement Landfill.

9. The Recipient shall provide, promptly as needed, the funds, facilities, services and other resources required for the Project and shall for the purposes of the Project:

   (a) require APIX to open and maintain, until the completion of the Project, an account in FCFA at a commercial bank acceptable to the Association (the Project Account), on terms and conditions satisfactory to the Association;

   (b) deposit into the Project Account an initial amount: (i) in the amount of FCFA 10.2 billion by December 31, 2010; (ii) in the amount of FCFA 17.8 billion by December 31, 2011; (iii) in the amount of FCAF 9.6 billion by December 31, 2012; and (iv) in the amount of FCAF 39 million by December 31, 2013.

10. After prior submission of relevant documentation to the Association for review, the Recipient shall have put in place through APIX by no later than three months after the Effective Date, and shall implement throughout the duration of the Project, the following measures to reinforce its capacity to manage the process
involving Displaced Persons, all in form and substance satisfactory to the Association:

(i) elaboration of a social communication strategy giving more voice to the Displaced Persons and setting up a more rapid and time-bound response mechanism to their queries;

(ii) development and dissemination in a manner accessible to Displaced Persons of a detailed description of the mechanism for negotiation of compensations and the general grievance resolution mechanism (including, without limitation, clear identification of the various empowered entities involved in these processes); and

(iii) strengthening of the monitoring and evaluation system for resettlement issues with a special emphasis on monitoring compensation payments, livelihood restoration and grievance resolution.

11. By no later than two months after the Effective Date, the Recipient shall have recruited through APIX two (2) non-governmental organizations in accordance with Section III of Schedule 2 of this Agreement and pursuant to terms of reference satisfactory to the Association, to facilitate the social mobilization process related to Phase 1 Highway Work and the Project.

12. The Recipient shall have put in place through APIX by no later than six months after the Effective Date, and shall maintain at all times during Project implementation, the following measures to reinforce its capacity to manage the process involving Displaced Persons:

(i) The establishment of the APIX Field Office, in form and substance and with resources and functions satisfactory to the Association, including a sociologist, an urbanist, a monitoring and evaluation specialist, a communication specialist, a database manager, and a team assistant all recruited in accordance with Section III of Schedule 2 of this Agreement and pursuant to terms of reference satisfactory to the Association.

(ii) The establishment at the communal level of five Local Liaison Committees comprising 3 to 5 persons each, in form and substance and with resources and functions satisfactory to the Association, to liaise with the Displaced Persons and ensure that their rights
(complaints and/or dissatisfaction) are understood, taken into account and handled in a time-bound manner.

(iii) The establishment at the quarter’s level of ten Urban Reinstallation Committees representing affected local residents, in form and substance and with resources and functions satisfactory to the Association.

(iv) The establishment of the DDTH Resettlement Unit in form and substance and with resources and functions satisfactory to the Association.

13. The Recipient shall ensure that AGETIP shall have established by no later than six months after the Effective Date, and shall maintain at all times during Project implementation, a Special Unit (the “AGETIP Special Unit”) in form and substance and with resources and functions satisfactory to the Association, including at least the following staff all recruited in accordance with Section III of Schedule 2 of this Agreement and with qualifications, experience and terms of reference satisfactory to the Association: (i) a unit leader in the person of a civil engineer with at least 15 years of experience in road civil works; (ii) three civil engineers and one water engineer, each with at least 10 years of experience in their respective fields; (iii) an architect; (iv) a monitoring and evaluation specialist; (v) a communication specialist; (vi) an environmentalist; and (vii) a team assistant.

14. The Recipient shall have adopted the Mbeubeuss Landfill Closing Plan, in form and substance satisfactory to the Association by no later than March 31, 2011.

15. The Recipient shall have established a Functioning Resettlement Site by no later than June 30, 2012.
