Agreement Providing for the Amendment and Restatement of the Global Agriculture and Food Security Program Grant Agreement

(Relaunching Agriculture: Strengthening Agriculture Public Services II Project)

between

REPUBLIC OF HAITI

and

INTERNATIONAL DEVELOPMENT ASSOCIATION
Acting as Supervising Entity of the Global Agriculture and Food Security Program

Dated January 11, 2012

As amended and restated on June 29, 2017
GLOBAL AGRICULTURE AND FOOD SECURITY PROGRAM GRANT AGREEMENT

The Recipient and the World Bank hereby agree as follows:

Article I
Standard Conditions; Definitions

1.02. Unless the context requires otherwise, the capitalized terms used in this Agreement have the meanings ascribed to them in the Standard Conditions or in this Agreement, including Section I of the Appendix to this Agreement.

Article II
The Project

2.01. The Recipient declares its commitment to the objectives of the project described in Schedule 1 to this Agreement ("Project"). To this end, the Recipient shall carry out: (i) Parts 1, 2 and 4 of the Project through MARNDR; and (ii) Part 3 of the Project through the Coordinating Authority; all in accordance with the provisions of Article II of the Standard Conditions.

2.02. Without limitation upon the provisions of Section 2.01 of this Agreement, and except as the Recipient and the World Bank shall otherwise agree, the Recipient shall ensure that the Project is carried out in accordance with the provisions of Schedule 2 to this Agreement.

Article III
The Grant

3.01. The World Bank agrees to extend to the Recipient, on the terms and conditions set forth or referred to in this Agreement, a grant in an amount equal to ten million United States Dollars ($10,000,000) ("Grant") to assist in financing the Project.

3.02. The Recipient may withdraw the proceeds of the Grant in accordance with Section IV of Schedule 2 to this Agreement.
3.03. The Grant is funded out of the abovementioned trust fund for which the World Bank receives periodic contributions from the donors to the trust fund. In accordance with Section 3.02 of the Standard Conditions, the World Bank’s payment obligations in connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds.

**Article IV**

**Effectiveness; Termination**

4.01. The Additional Conditions of Effectiveness consist of the following:

(a) the execution and delivery of this Agreement on behalf of the Recipient have been duly authorized or ratified by all necessary corporate or governmental action;

(b) As part of the evidence to be furnished pursuant to Section 4.01 (a), there shall be furnished to the World Bank an opinion or opinions satisfactory to the World Bank of counsel acceptable to the World Bank or, if the World Bank so requests, a certificate satisfactory to the World Bank of a competent official of the Recipient, showing that on behalf of the Recipient, that this Agreement has been duly authorized or ratified by, and executed and delivered on its behalf and is legally binding upon it in accordance with its terms.

(c) The RESEPAG II Financing Agreement has been executed and delivered and all conditions precedent to its effectiveness or to the right of the Recipient to make withdrawals under it (other than the effectiveness of this Agreement) have been fulfilled.

4.02. Except as the Recipient and the World Bank shall otherwise agree, this Agreement shall enter into effect on the date upon which the World Bank dispatches to the Recipient notice of its acceptance of the evidence required pursuant to Section 4.01 (“Effective Date”). If, before the Effective Date, any event has occurred which would have entitled the World Bank to suspend the right of the Recipient to make withdrawals from the Grant Account if this Agreement had been effective, the World Bank may postpone the dispatch of the notice referred to in this Section until such event (or events) has (or have) ceased to exist.

4.03. Without prejudice to the provisions of Section 4.01 of this Agreement, the Effectiveness Deadline is the date ninety (90) days after the date of this Agreement.

SCHEDULE 1

Project Description

The objectives of the Project are to: (a) reinforce the capacity of MARNDR to provide or facilitate access to services in the agricultural sector; (b) increase market access to small producers and food security in Selected Areas; (c) improve livelihood in areas affected by Hurricane Matthew and (d) enable the Recipient to respond promptly and effectively to an Eligible Emergency.

The Project consists of the following parts:

**Part 1: Agricultural Support Services**

Providing consulting services, non-consulting services, goods, training/workshops, operational costs and carrying out works to strengthen MARNDR's capacity to provide and/or facilitate access to agricultural and extension services through, *inter alia*:

1.1. (a) the design, renovation, construction and initial equipment for an agricultural vocational school; (b) the strengthening of the Agricultural Extension Steering Committee; (c) the preparation and dissemination of an executive summary of the national extension strategy; and (d) the preparation and dissemination of agricultural innovations and good practices based on a diagnostic conducted in the Recipient's territory.

1.2. (a) the gathering, analysis and dissemination of sectoral information, including producer and/or consumer prices in Selected Areas; and (b) the broadcasting of market prices for food products through SMS and community radios, and the display of prices in, *inter alia*, urban and rural markets, the Directions Départementales Agricoles and the Bureaux Agricoles Communaux.

1.3. the improvement of sanitary and phyto-sanitary services (SPS) to increase the production of quality food, public health, environmental protection and competitiveness of the agriculture sector through:

(a) the design, rehabilitation and/or construction of infrastructure including: (i) the construction and initial equipment of the central administrative building for consolidated SPS and four decentralized technical administrative centers; and (ii) the strengthening of quarantine infrastructure and services, through the construction of three new centers (including the acquisition of equipment and supplies) and the rehabilitation of two supplementary centers to ensure sanitary control of animal and vegetal products for imports and exports;
(b) the provision of support to MARNDR for the development of new regulations and the revision and distribution of SPS standards;

(c) the strengthening of the laboratory system and quality control of food, through: (i) the provision of basic equipment and supplies for decentralized laboratories; (ii) the construction of new infrastructure; and (iii) the training of laboratory technicians;

(d) the strengthening of the animal health through, inter alia: (i) the design and delivery of training to private veterinary professionals and/or volunteers in charge of epidemiological surveillance; (ii) vaccination and epidemiological surveillance; (iii) vaccination campaigns and the carrying out of prevalence studies before and after said campaigns to measure their impact; (iv) the identification of livestock for the strengthening of a national livestock identification system; and (v) the design of a database related to the tagging of cattle and the training of agents in charge of tagging animals and providing controls at slaughterhouses; and

(e) the strengthening of the plant health, through, inter alia: (i) the carrying out of programs to support the control and the fight against the mango fruit fly and the cochineal; and (ii) the construction of greenhouses to test biological tools to fight diseases.

Part 2: Direct Support to Producers and Associations

Providing agricultural support and extension services to producers and association and facilitating their access to such services through:

2.1. the design and implementation of a scheme for improved agriculture services in Selected Areas, including: (a) the scaling up of an electronic farmer registry and service provider registry covering the Selected Areas; (b) the carrying out of a Farmer Subsidy Scheme for Eligible Farmers to adopt improved, environmentally sound, climate smart input and/or higher-income generating agriculture technologies for the production of selected crops; (c) the setting-up of farmer field-schools for producers to improve production techniques; (d) the building of relevant capacity of the Recipient's support service structures, private service providers, extension agents, and MARNDR's staff for an optimal implementation of the Farmer Subsidy Scheme; (e) the carrying out of new or improved irrigation or drainage services in the Selected Areas; (f) the promotion of resilient agriculture technologies by farmers, including agroforestry, creole gardens, mulching, conservation agriculture, multi-cropping, hedging, and water harvesting in Selected Areas; (g) the launching of a Cash-for-Work Program in the Selected Areas; and (h) the carrying out of a Livestock Program in Selected Areas through the provision of small livestock to Eligible Households; all through the provision
of technical assistance, training, the acquisition of goods, services, Operational Costs and the carrying out of works; and

2.2. (a) the establishment and carrying out of a Market Support Facility to provide matching grants to Eligible Organizations to: (i) conduct applied research on agricultural supply chains with export potential, food security potential or environmental/nutritional impact; (ii) strengthen their administration, management, leadership or capacity of groups to increase sales and profits; (iii) provide technical assistance and investment support for production, post-harvest and agribusiness development, focused on improving productivity, quality, value added, and/or reducing production and post-harvest losses; and (iv) provide support to Service Providers in the agriculture sector to have access to better technology and inputs; and (b) the strengthening of the Tables de Concertations and the MARNDR's institutional capacity through, inter alia, the provision of technical assistance, the carrying out of training (including studies, workshops and exchange visits) and the acquisition of equipment.

Part 3: Emergency Response Contingency

3.1. Provision of support upon occurrence of an Eligible Emergency.

Part 4: Institutional Strengthening, Monitoring and Evaluation Project Management and Studies

4.1. Provision of consulting services, non-consulting services, goods, training/workshops, operational costs and carrying out of works for: (a) the day-to-day management, coordination, monitoring and evaluation of the Project, and compliance with safeguards, gender and nutrition aspects; and (b) the strengthening of MARNDR's units including: (i) the planning and evaluation unit; (ii) the information technology department; (iii) the public procurement unit; and (iv) the financial management unit.
SCHEDULE 2

Project Execution

Section I. Institutional and Other Arrangements

A. Institutional Arrangements

1. The Recipient, through MARNDR, shall maintain at all times during Project implementation, a Coordination Unit with a structure, functions and responsibilities acceptable to the World Bank, including, *inter alia*, the responsibility to facilitate the coordination during Project implementation, and reflected in the Operational Manual. The Recipient, through MARNDR, shall ensure that the Coordination Unit is, at all times during Project implementation, led by a Project coordinator and assisted by adequate professional, technical and administrative staff (including procurement, financial management and environmental and social specialists), all operating under terms of reference satisfactory to the World Bank.

2. The Recipient, through MARNDR, shall, not later than August 31 of each year of Project implementation: (a) submit to the World Bank, the Annual Plan (which shall include, *inter alia*, the Recipient’s annual agriculture investment plan and budget) for its prior review and approval for Parts 1, 2 and 4 of the Project; and (b) carry out each Annual Plan in a manner consistent with the terms of this Agreement.

3. The Recipient, through MARNDR, shall ensure that: (a) reviews with respect to the progress in the implementation of the Project and the periodicity therefor as described in the Operational Manual, including the Farmer Subsidy Scheme, the Cash for Work Program, the Livestock Program and the Market Support Facility, are carried out jointly with the World Bank; and (b) the implementation of the Project is subsequently carried out, taking into account the views and recommendations of the World Bank in that respect, if any.

B. Operational Manual

1. The Recipient, through MARNDR, shall carry out the Project in accordance with the Operational Manual, satisfactory in form and substance to the World Bank, which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents and procedures for the carrying out of the Project, including the following:

(a) the detailed description of all Project activities considered under this Agreement, their sequencing and the prospective timetable and benchmarks in relation thereto;
(b) the Project administrative, financial, accounting, auditing, procurement and disbursement procedures, including all relevant standard documents;

(c) (i) the eligibility criteria for Eligible Farmers to participate in the Farmer Subsidy Scheme; and (ii) the conditions and procedures for receiving Farmer Subsidy Scheme Payments;

(d) (i) the eligibility criteria for Eligible Organizations to participate in the Market Support Facility; and (ii) the conditions and procedures for receiving Sub-grants under the Market Support Facility;

(e) (i) the eligibility criteria for Beneficiaries under the Cash for Work Program; and (ii) the conditions and procedures for receiving payments under said Cash for Work Program;

(f) (i) the eligibility criteria for the Eligible Households under the Livestock Program; and (ii) the conditions and procedures for receiving small livestock under said Livestock Program;

(g) the model form of the Sub-grant Agreement;

(h) the model form for the Cash for Work Agreement;

(i) the model form for the Livestock Agreement;

(j) the Negative List;

(k) the ESMF;

(l) the RPF (once adopted);

(m) the code of conduct; and

(n) the monitoring indicators for the Project.

2. The Recipient shall: (a) maintain the OM throughout Project implementation; (b) take all measures necessary to ensure that the Project is carried out in conformity with the OM; and (c) only amend the OM, from time to time, with the World Bank's prior consent.

3. In case of a conflict between any provision of the OM and those under this Agreement, the provisions of this Agreement shall prevail.
C. Farmer Subsidy Scheme

For purposes of carrying out the Farmer Subsidy Scheme under Part 2.1 (b) of the Project, the Recipient, through MARNDR, shall:

1. Select and appoint in accordance with the provisions of Section III of this Schedule and pursuant to terms of reference previously agreed with the World Bank, one or several Operators with whom a Service Agreement shall be entered into, satisfactory to the World Bank, with respect to the supervision of the technical implementation of the Farmer Subsidy Scheme;

2. (a) Select and appoint, in accordance with the provisions of Section III of this Schedule and pursuant to terms of reference previously agreed with the World Bank, a Financial Agent acceptable to the World Bank, to administer all payments and financial transfers under the Farmer Subsidy Scheme; and (b) enter into a Financial Agency Agreement satisfactory to the World Bank, with one or more Financial Agents, which shall incorporate, inter alia, the provisions of the Anti-Corruption Guidelines applicable to recipients of Grant proceeds;

3. Cause the Financial Agent to make Farmer Subsidy Scheme Payments available to Eligible Suppliers of goods, works and services in accordance with detailed provisions, procedures, sequencing and timing in relation thereto, set forth in the Operational Manual, and including, inter alia, the following:

   (a) Farmer Subsidy Scheme Payments shall be released by the Financial Agent and made available to Eligible Suppliers upon evidence of delivery of eligible goods, works or services to Eligible Farmers (after initial validation of their registration in a national farmer registry) by the Operators and the related information received by the World Bank, in respect of the Selected Areas, all as set forth in the Operational Manual; and

   (b) the validation of compliance by Eligible Farmers of the activities under Part 2.1 (b) of the Project.

4. Carry out independent external technical audits by auditors appointed by MARNDR for that purpose, in accordance with the provisions of Section III of this Schedule and pursuant to terms of reference satisfactory to the World Bank. Each audit shall cover the period of one fiscal year of the Recipient and shall be furnished to the World Bank not later than four months after the end of such period;

5. Exercise its rights and carry out its obligations under each Service Agreement and/or Financial Agency Agreement, as applicable, in such manner as to protect the interest of the Recipient and the World Bank and to accomplish the purposes of the Financing. Except as the World Bank shall otherwise agree, the Recipient
shall not amend, assign, abrogate, suspend, terminate, waive or fail to enforce any Service Agreement or Financial Agency Agreement or any of their provisions; and

6. In case of conflict among the provisions of the Service Agreement and Financial Agency Agreement and those under this Agreement, the provisions of this Agreement shall prevail.

D. Cash for Work Program

For the purpose of carrying out the Cash for Work Program under Part 2.1 (g) of the Project, the Recipient, through MARNDR, shall:

1. select and appoint in accordance with the provisions of Section III of this Schedule and pursuant to terms of reference previously agreed with the World Bank, one or several Operators with whom a Service Agreement shall be entered into, satisfactory to the World Bank, with respect to the technical supervision of the implementation of Part 2.1 (g) of the Project, and the payments to Beneficiaries under the Cash for Work Program;

2. select under eligibility criteria detailed in the Operational Manual the eligible Beneficiaries under the Cash for Work Program and execute with said selected Beneficiaries and thereafter maintain Cash for Work Agreements, under terms and conditions satisfactory to the World Bank, as further detailed in the Operational Manual; and

3. exercise its rights and carry out its obligations under each Service Agreement, and/or Cash for Work Agreement as applicable, in such manner as to protect the interest of the Recipient and the World Bank and to accomplish the purposes of the Financing. Except as the World Bank shall otherwise agree, the Recipient shall not amend, assign, abrogate, suspend, terminate, waive or fail to enforce any Service Agreement or Cash for Work Agreement or any of their provisions.

4. In case of conflict among the provisions of any Service Agreement, or any Cash for Work Agreement and those under this Agreement, the provisions of this Agreement shall prevail.

E. Livestock Program

For the purposes of carrying out the Livestock Program under Part 2.1 (h) of the Project, the Recipient, through MARNDR, shall:

1. select and appoint in accordance with the provisions of Section III of this Schedule and pursuant to terms of reference previously agreed with the World Bank, one or several Operators with whom a Service Agreement shall be entered into,
satisfactory to the World Bank, with respect to the technical supervision and implementation of Part 2.1 (h) of the Project, and the provision of small livestock to Eligible Household under the Livestock Program;

2. select under eligibility criteria detailed in the Operational Manual the Eligible Households under the Livestock Program and execute with said selected Eligible Households and thereafter maintain Livestock Agreements, under terms and conditions satisfactory to the World Bank, as further detailed in the Operational Manual; and

3. exercise its rights and carry out its obligations under each Service Agreement, and/or Livestock Agreement as applicable, in such manner as to protect the interest of the Recipient and the World Bank and to accomplish the purposes of the Financing. Except as the World Bank shall otherwise agree, the Recipient shall not amend, assign, abrogate, suspend, terminate, waive or fail to enforce any Service Agreement or Livestock Agreement or any of their provisions.

4. In case of conflict among the provisions of any Service Agreement, or any Livestock Agreement and those under this Agreement, the provisions of this Agreement shall prevail.

F. Market Support Facility

1. The Recipient, through MARNDR, shall during Project implementation, operate and maintain a Market Support Facility under Part 2.2 of the Project with a structure, functions, responsibilities and staff acceptable to the World Bank.

2. The Recipient, through MARNDR, shall appoint one or several Operators based on terms of reference acceptable to the World Bank, to assist Eligible Organizations in the preparation of their proposals. The Recipient shall provide Sub-grants to Eligible Organizations, in accordance with eligibility criteria and procedures satisfactory to the World Bank and specified in the Operational Manual, which shall include the following:

   (a) a pre-screening by the Recipient, through MARNDR, of the eligibility of Eligible Organizations to submit proposals;

   (b) the selection of Eligible Organizations submitting Sub-project proposals, based on procedures satisfactory to the World Bank, which shall include the following:

   (i) each potential Eligible Organization shall provide evidence, acceptable to the World Bank, of its capacity to provide the required counterpart financing of the proposed Sub-project, as set forth in the Operational Manual;
(ii) all potential Eligible Organizations, other than individual farmers, shall be a legally established entity; and

(iii) each potential Eligible Organization shall have written authorization to represent the relevant farmers or farmers groups, as the case may be; and

(c) a review and approval by MSF of the relevant Sub-project proposal, on the basis of a detailed evaluation, pursuant to eligibility criteria and procedures acceptable to the World Bank, which shall include the following:

(i) unless otherwise agreed by the World Bank, the amount of the proposed Sub-grant shall be no more than the amount specified in the Operational Manual;

(ii) the Sub-grant shall only finance the purchase of equipment, works, goods, consulting services, non-consulting services and/or Training;

(iii) no Sub-grants shall finance any activity included in the Negative List; and

(iv) the proposed Sub-project shall comply with the provisions of the ESMF.

3. Upon approval of a Sub-project proposal, the Recipient, through MARNDR, shall make each Sub-grant available to the pertinent Eligible Organization, under a Sub-grant Agreement to be entered into between the Recipient, through MARNDR, and said Eligible Organization, on terms and conditions satisfactory to the World Bank, which shall include the following:

(a) the Recipient, through MARNDR, shall obtain rights adequate to protect its interests and those of the World Bank, including the right to:

(i) suspend or terminate the right of the Eligible Organization to use the proceeds of the Sub-grant, or to obtain a refund of all or any part of the amount of the Sub-grant then withdrawn, upon the Eligible Organization's failure to perform any of its obligations under the Sub-grant Agreement; and

(ii) require each Eligible Organization to: (A) carry out its Sub-project with due diligence and efficiency and in accordance with sound technical, economic, financial, managerial, environmental
and social standards and practices satisfactory to the World Bank, including in accordance with the provisions of the ESMF and the Anti-Corruption Guidelines applicable to recipient of Grant proceeds other than the Recipient; (B) ensure that the Sub-project does not include any activities mentioned in the Negative List; (C) procure the goods, works, consulting services and non-consulting services to be financed out of the Sub-grant in accordance with the provisions of Section III of Schedule 2 to this Agreement; (D) maintain policies and procedures adequate to enable it to monitor and evaluate, in accordance with indicators acceptable to the World Bank, the progress of the Sub-project and the achievement of its objectives; (E) (I) maintain a simplified financial management system and prepare simplified financial statements in accordance with consistently applied accounting standards acceptable to the World Bank, both in a manner adequate to reflect the operations, resources and expenditures related to the Sub-project; and (2) at the World Bank's or the Recipient's request, have such financial statements audited by independent auditors acceptable to the World Bank, in accordance with consistently applied auditing standards acceptable to the World Bank, and promptly furnish the statements as so audited to the Recipient and the World Bank; (F) enable the Recipient and the World Bank to inspect the Sub-project, its operation and any relevant records and documents; and (G) prepare and furnish to the Recipient and the World Bank all such information as the Recipient or the World Bank shall reasonably request relating to the foregoing.

4. The Recipient, through MARNDR, shall exercise its rights and carry out its obligations under each Sub-grant Agreement in such manner as to protect the interests of the Recipient and the World Bank and to accomplish the objective of the Project. Except as the World Bank shall otherwise agree, the Recipient, through MARNDR, shall not assign, amend, abrogate, terminate, waive or fail to enforce any Sub-grant Agreement or any of its provisions.

G. Eligible Emergency under Part 3 of the Project

1. In an event of an Eligible Emergency, the Recipient, through MARNDR, shall: (a) clearly establish a causal relationship between the relevant Eligible Emergency and the need to withdraw the proceeds of the Financing to be allocated to Category (3) of the table in Section IV of this Schedule; (b) designate the entity to be responsible for coordinating and implementing Part 3 of the Project ("Coordinating Authority"), with terms of reference and resources to be found acceptable to the World Bank; and (c) prepare and furnish to the World Bank a list of potential Emergency Recovery and Rehabilitation Subprojects, including a procurement plan and a proposed flow of funds, and the implementation arrangements, all acceptable to the World Bank.
2. The Recipient shall exchange views with the World Bank on the proposed Emergency Recovery and Rehabilitation Subprojects, and shall thereafter adopt, and carry out the activities under such list, as agreed with the World Bank.

3. Prior to implementing the Emergency Recovery and Rehabilitation Subprojects, the Recipient shall carry out all fiduciary, social and environmental assessments required by the World Bank (under terms of reference satisfactory to the World Bank and with scope and detail satisfactory to the World Bank) and prepare and implement all plans required by the World Bank (under terms of reference satisfactory to the World Bank and with scope and detail satisfactory to the World Bank).

4. Notwithstanding the Negative List, an investment activity shall only be included in the pertinent Emergency Recovery and Rehabilitation Subproject if it is initiated in response to an Eligible Emergency.

H. Anti-Corruption

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

I. Safeguards

1. The Recipient, through MARNDR, shall:

   (a) no later than six months after the Effective Date, prepare, consult, adopt and publish the RPF in form and substance satisfactory to the World Bank; and

   (b) ensure that the Project is carried out in accordance with the ESMF, the RPF and the Pest Management Plan, including the guidelines, rules and procedures defined in said ESMF, RPF or Pest Management Plan. To this end, if an EMP or a RAP is required on the basis of the ESMF or the RPF, the Recipient shall specifically take the following actions, in a manner acceptable to the World Bank:

      (i) such EMP, or RAP shall be prepared in accordance with the requirements of the ESMF or the RPF, consulted and disclosed locally and furnished to the World Bank for approval; and

      (ii) the pertinent Project activity shall be carried out in accordance with such EMP, or RAP as approved by the World Bank.
2. The Recipient shall include in the Project Reports referred to in Section II.A of this Schedule, adequate information on the implementation of the ESMF, the RPF, the Pest Management Plan, any EMP or any RAP, giving details of:

(a) measures taken in furtherance of the ESMF, the RPF, the Pest Management Plan, any EMP or any RAP;

(b) conditions, if any, which interfere or threaten to interfere with the smooth implementation of the ESMF, the RPF, the Pest Management Plan, any EMP or any RAP; and

(c) remedial measures taken or required to be taken to address such conditions and to ensure the continued efficient and effective implementation of the ESMF, the RPF, the Pest Management Plan, any EMP or any RAP.

3. Without limitation to the provisions of Section I.I.1 of this Schedule, the Recipient shall, in a manner satisfactory to the World Bank, take the following actions:

(a) prior to commencement of any works under the Project:

(i) prepare, in form and substance satisfactory to the World Bank, an EMP (based on the ESMF) and/or a RAP (based on the RPF) if required;

(ii) thereafter, except as otherwise agreed with the World Bank, submit the said EMP and/or said RAP (as the case may be), to the World Bank for review and approval;

(iii) subsequently, adopt and disclose, in a manner acceptable to the World Bank, said EMP and/or said RAP (as the case may be); and

(iv) immediately thereafter, implement said EMP and/or RAP (as the case may be), all in accordance with their terms and in a manner acceptable to the World Bank; and

(b) except as the World Bank shall otherwise agree in writing, the Recipient shall not amend or waive, or permit to be amended or waived, any provision of any EMP or any RAP.

Section II. Project Monitoring, Reporting and Evaluation

A. Project Reports

The Recipient shall monitor and evaluate the progress of the Project and prepare Project Reports in accordance with the provisions of Section 2.06 of the Standard
B. Financial Management, Financial Reports and Audits

1. The Recipient shall maintain or cause to be maintained a financial management system in accordance with the provisions of Section 2.07 of the Standard Conditions.

2. The Recipient shall prepare and furnish to the World Bank as part of the Project Report not later than forty-five days after the end of each fiscal quarter, interim unaudited financial reports for the Project covering said quarter, in form and substance satisfactory to the World Bank.

3. The Recipient shall have its Financial Statements audited in accordance with the provisions of Section 2.07 (b) of the Standard Conditions. Each audit of the Financial Statements shall cover the period of one fiscal year of the Recipient. The audited Financial Statements for each such period shall be furnished to the World Bank not later than six months after the end of such period.

Section III. Procurement

1. All goods, works, non-consulting services and consulting services required for the Project and to be financed out of the proceeds of the Financing shall be procured in accordance with the requirements set forth or referred to in the Procurement Regulations and the provisions of the Procurement Plan.

2. Notwithstanding any provision to the contrary in this Section, Eligible Emergency Expenditures required for Part 3 of the Project shall be procured in accordance with the procurement methods and procedures set forth in the procurement plan for the Eligible Emergency.

Section IV. Withdrawal of the Proceeds of the Financing

A. General

1. The Recipient may withdraw the proceeds of the Grant in accordance with the provisions of Article III of the Standard Conditions, this Section, and such additional instructions as the World Bank shall specify by notice to the Recipient (including the “Disbursement Guidelines for Investment Project Financing” dated February 2017, as revised from time to time by the World Bank and as made applicable to this Agreement pursuant to such instructions), to finance Eligible Expenditures as set forth in the table in paragraph 2 below.
2. The following table specifies the categories of Eligible Expenditures that may be financed out of the proceeds of the Grant ("Category"), the allocations of the amounts of the Grant to each Category, and the percentage of expenditures to be financed for Eligible Expenditures in each Category:

B. Withdrawal Conditions; Withdrawal Period

1. Notwithstanding the provisions of Part A of this Section, no withdrawal shall be made:

   (a) for payments under Category (1); and

   (b) for payments made prior to the date of this Agreement.

2. The Closing Date referred to in Section 3.06 (c) of the Standard Conditions is December 31, 2019.
SCHEDULE 3

List of Prohibited Activities under Parts 2 and 3 of the Project

1. Dam construction, reconstruction, rehabilitation or strengthening.

2. Activities affecting natural protected areas recognized as national or municipal areas (or buffer zones thereof), other than as required to mitigate damage caused by the Eligible Emergency.

3. Land clearance and leveling (when affecting critical natural habitats and natural land contours, natural habitats for this purpose being those water or land areas where most of the original plant and animal species are present), except for clearing or debris resulting from the Eligible Emergency.

4. Land reclamation (i.e., drainage of wetlands or filing of water bodies to create land).

5. Hazardous waste management and disposal, as well as manufacture, transport and use of pesticides classified as Pesticides Class I (highly toxic) and other hazardous and/or toxic materials (except small amounts of solvents, degreasing materials, paints, fuels and the like used during construction). However, Pesticides Class II (medium toxicity) and Pesticides Class III (very low toxicity and not toxic to non-target organisms) may be purchased by the Recipient under the conditions defined in the project's Environmental Safeguards Instruments (the ESMF and the Pest Management Plan (PMP)), including the guidelines, rules and procedures defined in the said ESMF and PMP documents.

6. Activities involving industrial plants (large-scale) and industrial estates.

7. New road construction or major upgrading or realignment of roads (major means: changing the road category, such as from seasonal to all-weather or secondary to primary; or adding new lanes).

8. Activities which involve:

   (i) (A) any river, canal, lake or similar body of water that forms a boundary between, or any river or body of surface water that flows through, two or more states, whether World Bank members or not; (B) any tributary or other body of surface water that is a component of any waterway described in (A) immediately above; and (C) any bay, gulf, strait or channel bounded by two or more states or, if within one state, recognized as a necessary channel of communication between the open sea and other states and any river flowing into such waters;
(ii) hydroelectric, irrigation, flood control, navigation, drainage, water and sewerage, industrial and similar projects that involve the use or potential pollution of international waterways as described in paragraph (i) immediately above; and
